an organization had been effected by electing Governor Altgeld as chairman, the matter of tickets was brought up. To each delegate and alternate there has been allotted one visitor's card, but each and every one has fifty friends insisting upon being provided for. In proper order this matter should be attended to by National Committee men, but the latter, who was turned down at the Peoria Convention, was again ignored, and A. R. Trade was appointed a committee of one to wait upon Chairman Sheerin and demand that the square thing be done by the Illinois "boys." If the request is refused it will be suggested that the delegation should exert itself to defeat the ambitions of Sheerin, who is a candidate for re-election.

SILVER MEN DEFIANT.

Secretary of State Hinrichsen, who is one of the Illinois delegates-at-large, and chairman of the State Central Committee, said, when asked if the Illinois delegation was favorable to Bole's "Well, we want a man, who is a friend of labor." When Teller was suggested, the chief lieutenant of Governor Altgeld remarked: "Not in a thousand years. We want a Democrat who will get the support of the Populists and Westerners generally."

SILVER MEN EARLY ASTIR.

Senators Harris, of Tennessee, and Jones, of Arkansas, were early astir to-day, and their parlors were full of callers when they left the breakfast table. In response to numerous questions an independent lot of men, and no ten men can call them for anybody."

BLAND APPARENTLY IN THE LEAD.

The Bland headquarters were thronged with more callers all day than were the smaller Bole's quarters, and several silver Republicans came to express their Bland preferences. All the members of the Bland Executive Committee except L. V. Stephens, treasurer, arrived to-day, and did all the work they could think of in the morning. Judge D. W. Sheffield, of Knoxville, represented Mr. Stephens at the meeting of the National Democratic Bimetallic Committee. He says if the Boleman man is not nominated it will be because the politicians and the press are against him. He said he knows they cannot use him if he gets to the White House.

THE QUESTION OF DOORKEEPERS.

The politicians are speculating as to how much longer the Colonel and his backers on the National Committee will hold out against relaxing his ironclad rule not to appoint politically backed men as doorkeepers. He will return from his home to-morrow morning in time to attend the committee meeting, and some interesting developments are expected in that line.

MR. STEVENSON'S CANDIDACY.

In the interchange of opinions concerning Presidential timber, considerable prominence was given to a report which had reached here from the East this morning that Vice-President Stevenson was looming up as a candidate, and that it was possible that the Eastern Democrats, to many of whom he is known to be acceptable, might seek a coalition with the Southern delegations, with the view of forcing his nomination. Among the silver men, however, the suggestion was not received with favor, although none of the spokesmen of the assembling forces were willing to couple their names with an expression of opinion in the absence of an authoritative announcement that the Vice-President was actually in the field.

MR. MLEAN TO BE EARLY ON THE SCENE.

Washington, June 30.—John R. McLean, head of the Ohio delegation, who has been mentioned as a candidate for the Democratic nomination for President, leaves Washington for Chicago at 7:30 o'clock to-morrow morning over the Pennsylvania Railroad. He is accompanied by his wife and two other women.

Correspondents start for Chicago. Washington, June 30.—The Washington correspondents' special vestibular train, consisting of four Pullman sleepers of the latest design, a combination dining and smoking car, and other conveniences, with desks, typewriters and all facilities for preparing and sending dispatches, will leave this city over the Pennsylvania road to-morrow afternoon, and is scheduled to arrive at Chicago at 10 o'clock to-morrow night. It is the one that took the correspondents to the St. Louis Convention and back.

ON THE ST. LOUIS TRIP AN ENJOYABLE JOURNEY IS ANTICIPATED.

On arriving in Chicago the correspondents will be taken to various hotels, while their train is sidetracked until the Convention adjourns, when it will again be at their disposal for the return trip.

PREPARING FOR THE FIGHT.

SILVER MEN GETTING READY TO RUN THE CONVENTION TO SUIT THEMSELVES.

THEY HOLD A BIG POWWOW AND APPOINT A COMMITTEE TO LOOK AFTER THE NATIONAL DEMOCRATIC COMMITTEE—ALL THEY WANT IS A FREE-SILVER PLATFORM AND A FREE-SILVER CANDIDATE.

Chicago, June 30.—The National Democratic Committee will meet on Monday to select the temporary officers of the Convention. Among the names suggested for the temporary chairmanship, besides that of Senator Hill, are those of Senator Vilas, of Wisconsin; Senator Gray, of Delaware, and Hugh C. Wallace, of Washington.

Senator Isham G. Harris, of Tennessee, chairman of the Democratic Bimetallic National Committee, is talked of for permanent chairman. This is said to be part of the programme of the silver men, which includes the removal of the National Democratic headquarters to Chicago and the election of Senator Jones, of Arkansas, as the chairman of the National Committee, to succeed William F. Harris. Senator Harris reached the city last night. He came to Chicago almost directly from Atlantic City, where he has been resting in expectation of the appointment as permanent chairman of the Convention. They are succumbing to the inevitable and coming into the silver camp," said Delegate John W. Tulliver. Mingled with these and other comments were expressions of opinion that the Secretary's utterances were surprisingly deprecatory, in view of the fact that the Secretary had taken and that they would prove palatable neither to the latter nor to President Cleveland.

GOLD CONTESTANTS SURE TO BE TURNED DOWN. It is probable that if the silver men have their way the National Committee will decline to hear the contests on the making up of the temporary roll, but will give both regulars and contestants a seat with a half-vote each and leave the issue of regularity to be determined by the Committee on Credentials.

MORE FREE SILVER DELEGATES ELECTED. Toledo, Ohio, June 30.—Delegates of the 17th District, at Napoleon, Ohio, at an early hour this morning nominated Mayor David Meekison, of Napoleon, for Congress, after being in session for five hours. Meekison is a free-silver man, though a banker. William K. Reynolds, of Napoleon, was elected as the only free-silver delegate. Jacobus, of Napoleon, was elected as the only free-silver delegate.

Sir: In your issue of the 29th inst., appears an Albany letter from the pen of a staff correspondent stating that Mr. Platt has already caused a snap convention to be held in Franklin County, so that its delegation to the State Convention might be captured easily.

THE SOUND MONEY MEN DECIDE NOT TO BOLT AT CHICAGO. Baltimore, June 30.—The Maryland delegates to the Democratic National Convention met at the Carrollton Hotel to-day and selected officers and representatives on the various committees. John E. Hurst was chosen chairman of the delegation. TO FIGHT THE SILVER CRAZE. INDIANAPOLIS BUSINESS MEN TO GO TO CHICAGO IN THE INTEREST OF SOUND MONEY. Indianapolis, June 30.—At a meeting of Democrats of this city last evening forty-two of them pledged themselves to go to Chicago on a special train on Thursday night and remain in the city until the Convention opens. A committee was appointed to work for the sound money cause.

PENNOYER WANTS ANYTHING HE CAN GET. Portland, Ore., June 30.—Oregon's eight delegates to the National Democratic Convention at Chicago will very likely present the name of ex-Governor Pennoyer as the President. He has been chosen as the chief of the nomination. But if the fight between Bole and Shiley ties up the convention, and there is a chance to vote Pennoyer in as a compromise candidate, it will be done.

tion of the organization. All we care for is that they should be in the majority in the party platform. Of course, all the members have their preferences for the Presidential nominee, but they are all in the majority in the delegations. Some are friendly to Matthews. In fact, Senator Turpie, who will place Mr. Matthews before the National Committee, has his friends and Bland has a number of members of the committee instructed for him.

THE INDIAN HARBOR REGATTA. CLOSE RACES WITH SOME OF THE CRACK BOATS OF THE SOUND ENTERED. Greenwich, Conn., June 30.—Twenty-eight boats started in the special regatta of the Indian Harbor Yacht Club to-day. They included some of the best craft along the Sound, but, much to the disappointment of many, the little half-racer, El Heire, chosen to defend the cup, did not appear. Neither did the Riverside syndicate nor Question in the same class, nor the fast 21-footer Hour, the day was perfect, and, with the exception of a few minutes of delay, the start was made just after five o'clock. The small craft going down over the inner triangular course and the larger ones covering the Mattinecock course.

VETERANS PLAY AT TUXEDO. EDDIE HALL WINS HIS OPENING SET—HARVARD AND WEST POINT MEN MAKE GOOD BEGINNING. Tuxedo Park, June 30 (Special).—There was some good playing in the Tuxedo Tennis Tournament to-day. Most of yesterday's delinquents arrived by the early trains, and the courts were kept busy throughout the day. Eddie Hall, the veteran, put in an appearance during the afternoon, and played his opening match against Bosch, of New-Haven, whom he disposed of in two easy sets. Hall has already won the Tuxedo Cup twice, in 1891 and 1892, and another victory would make it a third time.

ALLEGED HIGHWAY ROBBERY. A PHILADELPHIAN SAYS HE WAS HELD UP IN A DARK ALLEY. Detective Sherwood, of the Elizabeth-st. police station, late last night arrested, on complaint of John Bell, of No. 729 South Ninth-st., Philadelphia, Giovanni Oliari, a storekeeper at No. 153 Worth-st., Bell says he told Oliari in his store yesterday that he intended to go to Buenos Ayres, and that Oliari replied: "I have a friend who is going to Buenos Ayres, and he will accompany you, and I will introduce you to him." In the evening Bell says he returned to Oliari's store, and Oliari said his friend had not arrived yet. Bell went to Paradise Park to hear the band concert, and while there noticed two men leave Oliari's store and advance toward him. They engaged him in conversation, and upon the pretext that they were waiting for Bell made the cry against him to accompany them.

TWO TOO FULL CUPS OF HAPPINESS. It is hard work to manage a place like Olympia. With speculators selling tickets at fancy prices down on the sidewalk and trying to prove their right to do so in the courts; with the manager trying, with the help of his legal advisers, to prove that not even an order of Aldermen has any right to give troublesome persons permission to block his block and hawk his wares, trouble has to break out on the very roof itself. There were two young men up there last night who were having such a good time that they felt they could not possibly refrain from damaging something.
