

STRAMSHIP AND CARGO SEIZED.

THE GALILEO ATTEMPTS TO LAND ITS LOAD WITHOUT A PROPER PERMIT.

The first seizure of a vessel of the port of New York for violation of a customs law which provides for confiscation has been made. The steamship Galileo, from Pernambuco, Brazil, was taken possession of in the name of the Government, together with its cargo of 3,200 bags of coffee, under Section No. 2572 of the Revised Statutes, which prescribes that no vessel from a foreign port shall land its cargo without a permit from the Collector of the port.

The Galileo, which flies the British flag and is commanded by Captain Braithwaite, was consigned to Husk & Jevons, and arrived on Saturday last, tied up at Martin's Stores, Pier No. 4, Brooklyn.

Under the act of June, 1894, the Collector has the privilege of issuing to boarding officers preliminary entries. A captain, in such a case, swears, on board, to the correctness of his invoice.

A preliminary permit for the Galileo was obtained at the Custom-House before the arrival of the vessel by the Custom-House broker, C. G. Hanks. Hanks should have taken the permit to the Barge Office and given it to the boarding officer who was to accompany the vessel. Instead he sent the permit to the ship, where it was presented to Thomas M. Ross, an inspector of the Surveyor's staff, who had been placed in charge of the Galileo. Ross refused to receive it. The captain then made a copy of the permit and gave it to the boarding officer, who then ordered the discharge of the cargo and not to mind Ross, who did not know his business.

Ross had the matter before the law division of the Custom-House, which ordered the seizure of the ship and cargo. The boarding officer, who had taken the permit, was notified of this seizure and he fled. He was subsequently arrested and held for four years, with publication of his name in the newspapers for three weeks, and, in addition, that he may be subjected to a fine of \$500.

It is hardly probable that the ship and cargo will be confiscated. A fine is likely to be imposed.

NO REPLY FROM MR. CRANE.

Chief Conlin yesterday gave out copies of a letter which he sent to Stephen Crane, the novelist, in regard to the arrest of Dora Clark, for whom Mr. Crane testified when she was arraigned on a charge of soliciting.
