

ACADEMIC NOTES.

The Cuban Educational Association of the United States has just announced the receipt of numerous acceptances from Cubans desirous of free tuition offered by American colleges...

Applications for academic tuition are also pouring in and the association hopes that the academics of the country will follow the lead of the colleges and provide scholarships for proper candidates...

Mrs. Charlotte E. Gray, of Chicago, is the first woman, it is said, to have received the two titles of Bachelor of Arts and Bachelor of Divinity...

FROM THE EARLIEST TIMES TO THE CONSULATE OF NAPOLEON BONAPARTE. BY THE HON. THOMAS E. WATSON.

VOLUME I. FROM THE SETTLEMENT BY THE GAULS TO THE DEATH OF LOUIS XV. Cloth, Med. Svo. \$2.50.

FROM THE EARLIEST TIMES TO THE CONSULATE OF NAPOLEON BONAPARTE. BY THE HON. THOMAS E. WATSON. "Of great value and interest... the pleasantest and most 'readable' history of France that we know anywhere."

His style is terse, simple and direct. In narration he is rapid and graphic. His diction is strong and his presentation of events and of social conditions is always picturesque and often dramatic.

"He is serious, he is accurate; he has a fine discrimination... the history of no people is so fascinating as that of the French, and no one has written more entertainingly about it."

"Powerful and convincing." A connected narrative in dramatic fashion... The treatment is original and modern.

"The story is one of absorbing interest, and is told with remarkable literary skill. A fine view of humor, with a flavor of satire, runs through the volume."

"The glimpses of Newspaperdom, of Wall Street, of the upper Four Hundred, of Tenement Life, with their mingled tragedy, pathos and comedy, are of photographic fidelity."

"One of the cleverest novels." - London Daily Mail. This book is for sale by all booksellers; or it will be sent by mail, on receipt of price, by the publishers.

"The name of the author of 'Mona Maclean' will assure any one of at least pleasant reading, and 'Windyhaugh' has a great deal about it that is pleasant."

"We congratulate the author very heartily upon her success. The characters are all alive and the conversation suits them. We cordially recommend 'Windyhaugh'." - London Literary World.
