ZULU PRINCE SAILS FOR AFRICA.

HE IS A MISSIONARY—DOES NOT THINK HIS PEOPLE WILL FIGHT ON EITHER SIDE.

Hosana Coroto, a Zulu prince, said to be a son of King Cetewayo, sailed yesterday on the American liner St. Paul. He is a missionary of the Presbyterian Church. He has been in this country some time studying and traveling, and is on his way to Cape Town.

He wore a long coat of black cloth buttoned up to the neck and of brown and yellow. On his head was a turban of black silk, the long tassel and of which hung down almost to his waist. On his breast there glistened a crescent of diamonds.

"I am going to Cape Town," he said, "to join my people who are in the Transvaal. I believe that my people will be drawn into the fight between the English and the Boers. The Zulus are not going to fight on either side, and I do not believe the stories that I have heard that they are going to take part in the war."

FLOATING DEBT OF THIRD AVENUE CO.

SYNDICATE'S PLAN FOR TAKING IT UP APPROVED, BUT AGREEMENT NOT SIGNED.

While the Kuhn, Loeb & Co. syndicate's proposal for taking up the floating debt of the Third Avenue Railroad Company was formally approved by the Board of Directors of the company, it is learned that the agreement making the plan operative has not yet been signed by the parties interested. The rumor was again denied yesterday by Metropolitan Street Railway interests that their company was contemplating the leasing of the Third Avenue, and one of these men was quoted as explaining again the reasons why the Metropolitan did such a thing.

A leading reason being, as was printed in the Tribune several days ago, that the present offer was not satisfactory to the Metropolitan's management. There was a report downtown yesterday that the Metropolitan had been in conference with the engineers of the Third Avenue, and had just completed a careful inspection of the property.

Mr. Vreeland, however, said that this rumor was without foundation.

WESTERN UNION BOND ISSUE.

TO BE USED IN CONSTRUCTING NEW LINES, NOT IN ACQUIRING TELEPHONE COMPANIES.

The Western Union Telegraph Company has practically concluded negotiations for the sale to a syndicate of \$10,000,000 of 4½ per cent funding and 4 per cent bonds, part of the proceeds of which will be applied to the refunding of \$7,000,000 of 7 per cent bonds, due on March 1, and \$3,000,000 of 7 per cent bonds, due on May 1. The rest will be used in acquiring new property, and constructing new lines, including the new cables to Cuba. The company has also agreed to issue \$1,000,000 of 4½ per cent bonds, due on May 1, and \$1,000,000 of 4½ per cent bonds, due on May 1. The rest will be used in acquiring new property, and constructing new lines, including the new cables to Cuba.

DETECTIVE DOYLE'S DEFENSE.

HIS COUNSEL WILL ENDEAVOR TO PROVE THAT HE COULD NOT HAVE FIRED THE SHOT THAT KILLED MARTIN CAREY.

The chief witness called yesterday morning in the trial of Detective John Doyle for the murder of Martin Carey, which is being held in the County Court, before Judge Hurd, was Police Captain J. Addison Corwin, Doyle's superior officer. James W. Ridgway, ex-District Attorney, who is counsel for Doyle, cross-examined Corwin for two hours. He asked him if he had not made extraordinary efforts to convict Doyle, whether he had not said, "We have enough of them on the force," referring to Doyle's nationality, and whether he had not tried to change some of the evidence, in order to make a better case against Doyle. To each question Corwin replied, "No."

Mr. Ridgway, in his opening speech for the defense, in the afternoon, declared that he would prove that Doyle is a Jew, and that he went to Spohr's place did not have a revolver with him; that the bullet which was fired could not have been shot from the revolver which was found in the stove. It would be shown that on the night of the murder of Martin Carey there was a man named Spohr who came back to the house and fired the fatal shot, and that Doyle could not have fired the shot which killed Carey, as Miller, who also shot at the victim, was in the room at his hand, and Doyle, who had run upstairs, was at too great a distance for the powder marks to be there.

"Gus" Spohr, the keeper of the saloon in which the murder occurred, testified that he did not hear any shot fired from the saloon, and that he saw Doyle, and holding up his wounded hand, said: "Spohr, you have shot me." This statement created some stir. The case was continued.

DEMOCRATIC HARMONY DINNER.

NO WORD FROM GROVER CLEVELAND AND W. J. BRYAN AS TO WHETHER THEY WILL ATTEND.

Charles J. Edwards, chairman of the Dinner Committee of the harmony banquet which will be given at the Pough Galleries, in Clinton, on Saturday night, said yesterday that as the tickets for the dinner had not been distributed, most of those who had been invited, he said, had written that they would be present. Among these are Congressman Bailey and Richardson. No word has been received from Grover Cleveland or W. J. Bryan. The dinner will be held at the Pough Galleries, in Clinton, on Saturday night. The dinner will be held at the Pough Galleries, in Clinton, on Saturday night.

SALARIES CUT AGAIN.

Flushing, Long Island, Feb. 7.—The Queens Borough School Board, at a meeting held last night, reported that notwithstanding the cut in salaries made by the Board in January, further retrenchment was necessary in order not to exceed the appropriation. The salary of every high school teacher be cut \$100 more, also that all evening schools and free lectures be abolished, and that the school saving of \$8,800. This recommendation was adopted.

INJUNCTION DISSOLVED.

The Appellate Division yesterday dissolved the injunction obtained by A. Emerson Palmer restraining the Board of Education of the city of New-York from discharging him from office, except on charges to be heard by a committee. Justice Woodward, who writes the opinion, says that equity cannot be invoked to prevent the discharge of a public official, but that the official must seek his remedy at law.

WILL OBTAIN HIS MOTHER'S SHARE.

William B. Pierson, by a decision made yesterday by the Appellate Division, will receive a large share of the estate of his father, William G. Pierson, who had disinherited him. Mr. Pierson, who was a wealthy cement pipe manufacturer, died on September 3, 1898. He left his estate to his wife, his father's grandfather and grandson, and to other named individuals. The question was whether the son was entitled to the estate vested in his mother, despite the wishes of the testator. Justice Barrett, who wrote the opinion, said that the testator's desire to cut off his son could not effect Mrs. Pierson's disposition of the property.

A CIVIL WAR VETERAN DEAD.

John Wesley Smith, who died on Tuesday at his home, No. 120 Eighth-ave., and whose funeral was held last night in the Memorial Baptist Church, in Eighth-ave., was a prominent member of the Grand Army of the Republic. He was commander of that corps from June 1, 1864, to June 1, 1865. He was also a member of the Grand Army of the Republic, and was one of the founders of the organization. BROOKLYN NEWS.

WISHES HE HAD BEEN INDICTED.

COMMISSIONER MORLE SAYS THAT THEN HE COULD HAVE MET HIS ACCUSERS IN COURT.

United States Commissioner Morle, who was accused by the United States Grand Jury in its presentment on Tuesday of irregularities in connection with the issuing of naturalization papers, said yesterday that he wished he had been indicted, so that an opportunity would be afforded to him of going before the Court and making his accusers prove their charges. He added:

"When the proper time comes, however, I shall be heard from. There is absolutely no truth in the charges made against me, and they all emanate from spite of the fact that I have refused to be indicted. The presentment was procured by going down into the mire and bringing up filth to throw upon myself. I am sure that the Grand Jury will be satisfied by the evidence which I have presented before them. It is clear that they were not satisfied with the evidence which I have presented before them. It is clear that they were not satisfied with the evidence which I have presented before them."

He said he had no idea there was any opposition to Dr. Backus.

Regarding the failure of Governor Roosevelt to reappoint Dr. Truman J. Backus to the Long Island State Hospital Commission, Silas B. Dutcher, who resigned from the Commission, it is said, he said that he was much surprised to learn that Dr. Backus was not to be reappointed. He had no idea that there was any opposition to him or any possibility of his not being appointed. Mr. Dutcher said:

"Dr. Backus devoted a great deal of time to his office. He generally went down to the hospital on Saturdays and Sundays, and he was very popular with the Board. He was a man who had the confidence of the Board, and he was a man who was very popular with the Board. MOTOR CARS TO BE EXAMINED.

DEPUTY COMMISSIONER KIRWIN SERVES NOTICE ON PRESIDENT ROSSITER.

On account of the number of accidents to the motor cars of the Brooklyn Rapid Transit Company, Deputy Commissioner Kirwin, of the Public Buildings, Light and Police Department, has written to President Clinton L. Rossiter stating that the Department intends to send inspectors to examine all the rolling stock of the company that is equipped with electric motors.

Commissioner Kirwin said yesterday that he had determined to find out if the company was doing all it could to prevent accidents and delays. Mr. Rossiter stated that every facility would be afforded the inspectors.

Commissioner Kirwin would say what the attitude of the Department was in reference to the accident on Monday, by which Bennett was thrown to the ground from the elevated structure at Adams-ave. and 10th-ave. streets, and was killed on the third rail while making his way along the footpath to the station during a blockade on the road.

NEW-JERSEY NEWS.

IF THE OYSTER WERE WALKING OFF LIKE A MAN, IT WOULD BE PROPER TO SAY THAT IT WAS A BONE OF CONTENTION IN THE LEGISLATURE BEFORE SOME OF THE PRESENT MEMBERS OF THAT BODY WERE BORN. IN FACT, A LEGISLATURE WITHOUT OYSTERS WOULD BE MORE CONSPICUOUSLY A HAUNTED HOUSE THAN IT IS NOW. IT IS THE AGED AND MOSSY TRUSTEES OF SOUTH JERSEY, AND, DESPITE ITS AGE AND WHISKERS, IT ALWAYS BOBS UP SERENELY. WHEN IT DOESN'T COME FROM CUMBERLAND COUNTY, IT COMES FROM BARNEGAT BAY, AND MORE THAN ONE MEMBER OF THE ASSEMBLY HAS SAT UP NIGHTS DELIBERATING UPON IT AS A STUMBLING BLOCK IN HIS PATH TO THE OFFICE OF GOVERNOR OR A SEAT IN CONGRESS. AS A NIGHTMARE TO SOUTH JERSEY STATESMEN, THE DEVILISH HAS NEVER BEEN IN IT WITH THE OYSTER. THIS YEAR IT IS THE CUMBERLAND COUNTY OYSTER THAT IS MAKING THE TROUBLE, BUT IT IS SAFE TO SAY THAT THE BARNEGAT BAY OYSTER IS READY TO RESUME BUSINESS AS SOON AS HIS CUMBERLAND COUNTY NEIGHBOR RETIRES.

Those discriminating and farsighted politicians who know a sparrow from a catbird will now renew with increased emphasis their previously made assertion that Charles J. Fisk is staking out his claim as a candidate for Congress. Mr. Fisk has just given a dance in a barn at his home in Plainfield. If Mr. Fisk did not intend to run for Congress, why should he at a most auspicious moment give a dance in a barn? His political cleverness in selecting a barn for a dance is only exceeded by the astuteness of the politicians in discovering his intentions before he has made them known. Hereafter all Jerseymen who desire to run for Congress, and who expect their fellow Jerseymen to rally round them, will not only give a dance, but will give it in a barn.

It is not often that a defaulting bank cashier has been able to carry his depredations to the extent of compelling several townships in a county to ask the Legislature to pass an act which will enable them to issue bonds in order again to obtain when they should be needed the funds which had been deposited in a bank for purposes of public improvement. And yet this is precisely what Valentine, the cashier of the Middlesex County Bank, did, although he had never been regularly elected as a member of the House of Assembly, in which the bill for this purpose has just been introduced. As a man who was simultaneously a law breaker and law maker in embryo Valentine is probably again to obtain when they should be needed the funds which had been deposited in a bank for purposes of public improvement.
