O'Neill's

A Great February Sale of Back Dress Goods!

Black Dress Goods are as staple as wheat. They are always in demand and when an opportunity comes to secure them at cut prices there is always a throng of buyers eager to avail themselves of the chance to save some money.

Forty Thousand Yards of Cheviots, Broadcloths, Venetians, Crepons, Brilliantines, Sicilians and Other Desirable Styles,

all standard makes and weaves, goods of superior quality, at prices usually quoted by other houses for the cheaper grades. We could not do this but for the fact that months ago we made a number of big purchases, closing out entire lines of several manufacturers, buying the goods at prices far below their usual value.

CHEVIOTS.

An immense line to choose from. The goods are 38 to 52 inches wide, 45c., 59c., 69c., 85c., 1.00 and 1.25 yard.

Broadcloths and Venetians,

1.00, 1.25, 1.45, 1.85, 2.25 and 2.98 yard. The goods we offer at these prices are of a fine, firm quality, medium and light weight, satin finish, twilled back, and are 50 to 52 inches wide.

CREPONS,

1.00, 1.25, 1.59, 1.95 and 2.45 yard.

Some Silk and Wool, others Mohair and Wool, entirely new designs, large, small and stripes. Most of these goods were imported and are unusually cheap in price. They are 40 to 46 inches wide.

Mohair Brilliantines and Sicilians,

50c., 75c., 1.00 and 1.25 yard. These goods were made by the best English Manufacturers and display a very high lustre. They are 38 to 50 inches wide.

We also offer in connection with this sale Hundreds of New Spring Styles in Plain and Fancy Black Goods at Unusually Attractive Prices.
