

WOMEN IN METHODISM.

DISCUSSION OF THEIR ADMISSION AS DELEGATES BROUGHT UP IN GENERAL CONFERENCE.

[BY TELEGRAPH TO THE TRIBUNE.] Chicago, May 10.—Delegates David H. Moore, of the Ohio Conference, raised a stormy discussion over the woman question at the Methodist General Conference this morning by offering an amendment to substitute the words "lay members" for "laymen" wherever it appeared in the constitution of the Church.

He said: "We have reached a time when we must deal with the problems of the twentieth century. We must face them like men. Every member of the Church should be made equally eligible to membership in this Conference. If this law is passed as it stands, women will be barred from a voice in our deliberations except by constitutional amendment. The women have stood by patiently and abided by every unfavorable ruling made by this body. The womanhood of Methodism justly demands recognition. It is not a question of women's rights; it is a question of the Church's right to use its members to the best possible advantage."

Delegate W. H. Shirr, of the Detroit Conference, regretted that the woman question "had been drawn into the discussion of the revision question." He advised that the two questions be separated. Dr. C. J. Little, of the Rock River Conference, insisted that the meaning of the word "laymen" be clearly defined. "If you fail to make this interpretation the new constitution will be defeated on this floor," said the speaker.

Every reference in favor of the admission of women was greeted enthusiastically. Dr. Robert Forbes, of the Southern Minnesota Conference, said he was in favor of admitting women when it could be done in a legal, orderly way. He wanted the constitution adopted in its present form, and have the woman question taken up later.

OPPOSITION ON SCRIPTURAL GROUNDS.

Dr. J. M. Buckley, of New-York, traced the history of the movement to secure the admission of women to the councils of the Church. He vigorously opposed the amendment. He said: "I am opposed to the admission of women on Scriptural grounds and on expediency. I do not want to see women wrestling with men on this floor to be recognized by the chair, and cultivating basso profundo voices. Methodism plus women will be better than any other system. If women are to come in it must be legally and in due form."

Delegates J. H. Potts, of Michigan, said the claim of the women for recognition was founded on righteousness. The movement, he said, could not be stopped by quotations from history. He asked for the passage of the amendment. Delegate T. N. Boyle, of Pittsburg, thought that all ambiguous terms should be eliminated from the constitution. He spoke in favor of the women and urged their admission.

Delegates J. B. Graw, of New-Jersey, said: "There is no Scripture which will allow the ordination of women or their leadership in the Church. If you let them in the General Conference they won't stop until they get into the Bishop's chair. The Scripture says a deacon must be the husband of one wife. That surely excludes them. Suppose you admit a woman to an annual conference and she marries a Methodist preacher. When the Bishop makes his appointments he can't send them both to the same appointment, so he sends the husband to one place and the woman to another. He has put under woman God joined together. It can't be done."

The Chair informed him that the allotted time was up. Cries of "Go on!" were heard from all parts of the hall, but the speaker retired. The motion was carried by a vote of 100 to 100. The settlement of the question was made the order of the day for tomorrow immediately after the reading of the Journal. Up in the sloping seats many women, many of whom were cheering, cheered the speaking, and, perhaps satirically, clapped enthusiastically when the opponents of the women made their hardest arguments.

MISSIONARY BISHOPS' REPORTS.

After intermission the reports of missionary bishops were in order, and the rest of the session was consumed in the reading of the quadrennial reports of Bishops Thoburn and Hartzell, of Asia and Africa respectively. Bishop Thoburn in his report said in part: "I propose that the salaries of missionary bishops in Southern Asia be reduced, beginning with 1901. If it is done it will become possible to maintain two general superintendents. The people of India want the bishops, and think that the General Conference ought to do so. In consequence of many deaths and retirements the progress of the Church in India has been encouraging. Our missionary community now numbers 111,000 souls, and our membership reaches 78,000. Our schools of all grades contain 32,000 pupils."

While I cherish a persuasion that my work in Southern Asia is by no means finished, yet in one respect I cannot repress the feeling that this report is my official valedictory, at least for the time being. No medical adviser will permit me to return alone, and hence the feeling that I have reached the end of my journey, but of isolated and exceptional administration."

Despite the four years of famine and pestilence, Bishop Thoburn noted an increase in the results of his work over those of the last quadrennium. Concerning the Church's invasion in the Philippines, he said: "Our most noted advance has been to the new American possessions in the Far East. My stay in Manila was brief, but I secured a theatre and began preaching, and before leaving Manila I made arrangements for permanent religious services. I also took steps to open a place for the religious meetings and public resort for our soldiers. A few hours before leaving Manila I had the pleasure of ordaining the first Protestant Filipino preacher ever admitted to the Christian ministry, and I have arranged to have him admitted to the Southwest Kansas Conference, elected to deacon's orders under missionary rules, and transferred to the Malaysia Mission Conference."

Bishop Hartzell, after a few words of thanksgiving for the aid he had received in the term and of praise for the work of Bishop Taylor, said: "The work of the Methodist Episcopal Church in Africa four years ago was in two parts. One part was Liberia, on the west coast, and consisted of missionaries and stations in the Liberia Annual Conference, among the native and colored citizens of the republic. The second and greater part was known under the title of 'Bishop William Taylor's self-supporting mission.'"

The report set forth the manner in which these missions were transferred to the Church, and took up a departmental discussion of the work in each division of the African continent. Richard Yates, the Republican nominee for Governor of Illinois, will return to his seat in the General Conference to-morrow as a delegate from the Southern Illinois Conference. His friends are awaiting him with a cheering reception. He will be invited to address the Conference.

A sale of paintings by Henry P. Smith, Gilbert Gaul, Henry W. GREAT LOSSES FROM FIRE.

LARGER IN 1899 THAN ANY YEAR SINCE 1875, SAVE 1893—MEETING OF UNDERWRITERS.

The thirty-fourth annual meeting of the National Board of Fire Underwriters was held yesterday in the offices of the local Board in the Mutual Life Building. The meeting was attended by representatives of large fire insurance interests of all parts of the country. H. C. Irvin, of Philadelphia, the president of the Board, called the meeting to order. In his review of the incidents of the year, Mr. Irvin said that the fact which most impressed upon insurance men as of the most serious importance was the enormous fire loss of the country, which amounted in 1899 to \$133,300,830, the greatest since 1888, and excepting that year, the greatest since 1875, when the tabulating of losses was begun. The loss of 1899 was over \$23,000,000 more than in the preceding year, and exceeded the losses of 1897 by over \$37,000,000. Mr. Irvin added:

"These figures are so striking as to lead to their mention in advance of all other matters. What measures can be adopted to check the annual waste of values is a question of vital importance to the underwriter, and it should be one of the deepest concern to every citizen. If we may judge from such records as are accessible, property in the United States is burning in greater proportion to value than in any other country. This is the result of the fact that the destruction goes on in a year like the one under review, when business generally is at a standstill, and with an active demand and prices generally rising, so that goods cannot be replaced except at figures above their actual value. The loss of property by fire has been abundant, yet fire insurance has suffered as it has not done in years, and we have faced fire that has not, except in rare cases, been out of the question."

After the reports of the various committees had been read and adopted, the election of officers for the coming year resulted as follows: President, George P. Sheldon, New-York; vice-president, E. L. Gilman, Philadelphia; secretary, Robert B. Heath, Philadelphia; treasurer, Fred W. Arnold, Philadelphia.

THE TRIBUNE'S STORY CONFIRMED.

CONTROL OF THE PALATINE SECURED BY THE COMMERCIAL UNION.

Confirmation was received in this city yesterday from England of The Tribune's exclusive report of the consummation of a big insurance deal, whereby the Commercial Union Assurance Company has obtained control of the Palatine Fire Insurance Company. No details, however, have yet been sent to either of the New-York offices of the two companies as to the terms of the transaction or as to the plans of the Commercial with regard to the Palatine company. While not speaking with authority, the chief representatives in this city of the Commercial Union Assurance Company, Mr. J. B. Graw, said that the Palatine company is being reorganized, the business of the Palatine, or of consolidating the two companies, is being reorganized, and that the Commercial Union Assurance Company, which is being reorganized, would continue to work separately.

Exchange, however, is to be made in the policy of the Palatine company. It is understood that while the Palatine has built up a big premium income, this has not been followed altogether by corresponding prosperity. It is thought, also, that it has taken some risks which might not appeal to the Commercial Union Assurance Company. The controlling interest in the Palatine was secured by an absolute purchase by the Commercial Union Assurance Company.

INCREASE IN RATES ORDERED.

The New-York Fire Insurance Exchange has ordered an increase of 50 per cent in the fire insurance rates on all of the department stores within the jurisdiction of the Exchange. Advances in the rates of tobacco and its products in storage warehouses from 40 to 75 cents per \$100 of insurance, and on feathers from \$1 to \$1.50, were also ordered.

CARRIES CORN FOR INDIA.

THE QUITO SAILS WITH TWO HUNDRED THOUSAND BUSHELS FOR THE STARVING MILLIONS—EXERCISES AT THE PIER.

The Indian famine relief ship Quito sailed yesterday from Pier 1, North River, for Bombay with a cargo of two hundred thousand bushels of American corn. The inscription across the entrance to the pier was, "Christian America's Gift to Starving India." The end of the building was decorated with flags and bunting and the ship was dressed with colored bunting.

The Rev. R. G. Hobbs, who went to India on the last famine relief ship, the City of Everett, in 1897, presided at the ceremonies at the pier before the sailing. All the speakers spoke briefly of the famine and the practical help that America is sending to India. Most of the two hundred persons present joined in the opening hymn, "All Hail The Power of Jesus' Name." Several letters of regret were read. President McKinley, in expressing his regret that public duties and engagements prevented him from being present, wrote that the success of the work was eminently gratifying to him, as it must be not only to those immediately engaged but to the country at large. Regrets were also received from Secretary Hay, Secretary Long and Governor Roosevelt.

Addresses were made by the Rev. Dr. S. T. Willis, the Countess Schimmelpenninck then followed the National anthem, Commander Booth-Tucker, the Rev. Richard Winsor and the Rev. Dr. A. C. Dixon on the beneficent character of the enterprise. The ship will be in India at a cost of one-third of what it would cost there.

The Quito was chartered by the United States Government for the relief of the famine in India. Famine Relief Work at a cost of \$50,000, and her cargo is valued at \$100,000. The value of the same amount of corn in India would be \$200,000. The cargo, which is the largest ever carried by any vessel to India, was received from people of every denomination in all parts of the country. Some contributions have been received from France, Germany, Italy, Spain, Portugal, Denmark, Sweden, Norway, and the United States. The Quito left her dock shortly after 6 o'clock. On the way to India she will stop at the Azores. The complaint does with a claim for damages in the suit over Third Avenue stock.

SUIT OVER THIRD AVENUE STOCK.

EX-TREASURER ASKED TO PAY DAMAGES ON ACCOUNT OF A MISLEADING STATEMENT.

Action was brought in the United States Circuit Court yesterday by Stephen H. Thayer against William H. Curtis, ex-treasurer of the Third Avenue Railroad Company, to recover damages for \$352, which, it is alleged, was lost as the result of a purchase of stock of the Third Avenue Railroad Company. Mr. Thayer was for a long time a member of the New-York Stock Exchange, and now is a Wall Street investor. In the complaint it is charged that on February 20 last the defendant had full knowledge of the real financial status of the Third Avenue Railroad system, and issued a statement substantially to the effect that the committee appointed by the Board of Directors had entered into an agreement with a syndicate of bankers and their associates under the terms of which they would furnish \$1,500,000 cash, and that an agreement had been reached between other parties who would furnish \$2,200,000 in cash, at terms very advantageous to the stockholders.

The complaint says that the plaintiff relied upon the representation of the defendant, and bought 100 shares of the stock of the company, paying \$32.23 for it, plus \$120, the regular commission allowed brokers for such stock. On February 27 Mr. Thayer sold the 100 shares of Third Avenue Railroad Company stock for \$3,900. The complaint claims for a claim for damages in the sum of \$1,562, with interest.

The answer declares that the plaintiff knew of the position of the defendant regarding the matter in question, and denies all the charges in the complaint not specifically mentioned in the answer, and asks that the complaint be dismissed.

CONVENTION OF A. O. H. AT YOSTON.

Boston, May 10.—The National Convention of the Ancient Order of Hibernians was resumed at 9:30 o'clock this morning in Faneuil Hall. The session was devoted to the reports of committees on Military Affairs, Foreign Relations, Hibernian and Resolution. The reports were read and adopted. In his annual address President Keating went over the work of the organization since his election, and made some recommendations looking to the welfare of the order. The report of the National secretary, James O'Sullivan, was not included in the list of reports. The number of members in the organization in the last two years: 1898, 1,661; 1899, 1,783; total membership, 104,997, a gain of 1,122 since 1898.

TAMMANY ICE PLOT.

LEADERS SAID TO CONTEMPLATE UNLOADING TRUST STOCK.

SCARED BY THE ODIUM THEY HAVE INCURRED FOR THE ORGANIZATION, THEY MAY TURN ON THEIR FRIENDS.

Scared by the flood of execration which the extortionate Ice Trust has brought down upon them, the Tammany leaders who hold big blocks of stock in the American Ice Company have determined, it is said, to unload their holdings at the first favorable opportunity when the quotations are high, turn around then and repudiate the trust, and denounce the Tammany leaders who have given them blocks of its stock at merely nominal figures, albeit it collected full pay therefor from the use it was allowed to make of the city's piers in furthering its own monopoly and stifling independent dealers. Just at present the stock is falling off somewhat, but the Tammany ice men hope that when the quotations are high they will be able to unload their shares, as their lawyers assure them will be the case, the shares will boom again and the unloading can be done at the top of the market.

When this was told to a friend of the Ice Trust promoters he exclaimed: "What ungrateful dogs these Tammany pups are! They are in it to the bottom of the waist, and they are in it to the bottom of the neck, and they are in it to the bottom of the heels, and they are in it to the bottom of the soles of their feet, and
