A Kentucky Story of Love and War.

CRITTENDEN.

By JOHN FOX, JR. 12mo, \$1.25.

"CRITTENDEN" is a fine story, a stirring story; a story that will make every Southern man who reads it feel like taking the hand of John Fox in a grip that means more than words; a story that will make every Northern man who reads it understand the South a little better than he ever did before.

"THE admirers of Mr. Fox's romances will find in this latest story of Kentucky folk a spirited and absorbing narrative. It may be accounted the best of the author's stories of sectional life and adventure. It claims the closest attention, for the plot is one of unusual situations, activity and romance. The story is of the war and furnishes the excitement of the incidents. It is a touching narrative with all its dramatic intensity, and should be one of the popular books of the year."
