When a woman gives up it is because she has gone to the utmost limit of strength and endurance. It is a marvel how women will stagger on under the daily household burdens when the whole body is racked with pain.

For the nervous, run-down condition which so many women experience, as a result of overstrain in household cares, there is no medicine can equal Dr. Pierce's Golden Medical Discovery.

Accept no substitute for the "Discovery." There is nothing "just as good" for weakness, nervousness and debility.

"I want the whole world to know what Dr. Pierce's medicine has done for me," writes Mrs. Helen Harbridge, of Knox Co., Ohio. "I had many of the signs of woman's life. My head and throat were so sore that I could not eat. About a year ago I had to give up work. I would try this and that, but nothing would help. I read of Dr. Pierce's Golden Medical Discovery and by the time I had taken half a bottle I began to gain and kept on getting better. And now I have no more of my old ailments and an entire cure of rheumatism. I feel like a new woman."

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing. Send 10¢ in stamps for a copy of the book in paper covers, or 31 stamps for cloth-binding. Address Dr. R. V. Pierce, Buffalo, N. Y.
