

TIEN-TSIN HOTELS FULL.

EXODUS OF FOREIGN OFFICERS FROM CHINA—MR. DENBY'S CLAIM CRITICISED.

Tien-Tsin, June 30.—The city of Tien-Tsin is now more crowded than ever. Officers of all nations are here en route for their homes, and the hotels are placing cots in every available place.

Arrangements have been prepared at the University of Tien-Tsin for Prince Chun and his suite of forty, who will remain there for three days before leaving China for Germany to make formal apologies for the murder of Baron von Ketteler.

Mr. Denby, who, when the foreign troops arrived, was appointed by the China Merchants' Company to protect their property, says the company in their claim against the United States Government do not use the word "lost" against the marines, but merely hold them responsible.

The greater part of the company's property consisted of rice, which was afterward distributed, under orders from the British and American generals, to assist those in need. Mr. Denby thinks the company's claim should have been added to the indemnity as legitimate expenditure.

Other Tien-Tsin merchants say the company never had 300,000 taels worth of property here. It is pointed out that the company stored three boxes of valuables with the Chartered Bank before the trouble began, and did not withdraw them until October, and that consequently it is quite improbable any jewels were left to be looted.

SAYS MAN SHOT TWO.

A PRISONER TELLS OF AN ATTACK BY AN INFURIATED MOB ON THE ALLEGED SHOOTER.

When Thomas Dennis, twenty-four years old, and a son of Hugh Dennis, a contractor and politician of No. 75 Ninth-ave., walked into the New-York Hospital early yesterday morning, suffering from a bullet wound in the left hand and another one in the left wrist, he refused to tell the physicians how he had sustained the injuries.

When Maroney was arraigned in the Jefferson Market Police Court he told a story of bloodshed and riot at the picnic given by the Hugh Dennis Outing Association on Saturday. It was attended by about twelve hundred people from the old Ninth Ward. It was held at Kroeble Park Boulevard, Union Hill, N. J.

Mr. Brewer, a bartender, at midnight began to sing "In the House of Too Much Trouble." This, said Maroney, angered Thomas McCague, of No. 12 West Twenty-ninth-st. "If there is going to be any shooting I want to be in on it," he is alleged to have shouted.

McCague fled. He was pursued and soon overtaken by a large mob of infuriated men. They clamored for his life and beat him terribly. In the struggle to get at McCague's chair and beer glasses were thrown, and many people are said to have been injured. Many women fainted.
