

TRY TO BLOW UP A FAMILY

WILKESBARRE, Penn., Aug. 19.—Two of the most cold blooded attempts to assassinate non-union workers since the inception of the strike occurred early this morning. Two men were shot down at the Edgerton colliery of the Temple Coal and Iron Company, near Carbondale, while at Pitston an effort was made to kill a family of six persons by blowing up their house with dynamite.

STRIKERS SET OFF DYNAMITE AT HOUSE IN WHICH SIX PERSONS LIVE.

The dynamiting at Pitston might have resulted in the death of all six occupants of the house had not the charge been carelessly placed. The house was that of John Waehs, with whom live his two sons and his son-in-law, all non-union workers at mines near Pitston. Besides them, Mrs. Waehs and her married daughter were at home. The men had been threatened several times, but continued to work. This morning, about 3 o'clock, the house was blown up. Two sticks of dynamite were placed in a corner of the doorway, and set off by a fuse.

COAL AND IRON POLICE WILL GUARD ONE WHERE RIOTING STOPPED WORK.

DURKEE, Penn., Aug. 19.—The Warnke washery will resume work at 6 o'clock to-morrow morning, guarded by twenty-five coal and iron policemen and nine or ten deputy sheriffs. Twenty-five workmen are to be brought from Scranton early in the morning under guard.

THE SHOOTING AT THE EDGERTON COLLIERY WAS A COLD BLOODED AFFAIR, ACCORDING TO THE STORIES OF TWO VICTIMS.

The shooting at the Edgerton colliery was a cold blooded affair, according to the stories of two victims. Michael Connelly, a foreman, and Thomas Crossman, a laborer, the breaker, which has been used as a washery, broke down yesterday. When repairs were made it was decided, in order to keep the supply up, to run all night. Shortly after midnight a break occurred in one of the water drains, and Connelly, taking Crossman with him, went to make repairs. They carried lanterns, and thus made marks of themselves. Superintendent Thorne says that no coal guards were stationed near the point, and that the two men, as there had been no disturbance at the washery, were overconfident. They were some yards apart at the time of the shooting.

TROOPS COME IN BY NIGHT

UNDER THEIR PROTECTION NON-UNION MEN IN LANSFORD GO QUIETLY TO AND FROM WORK.

LANSFORD, Penn., Aug. 19.—The threatened riot in Panther Creek Valley was averted this morning by the arrival of the 1st Battalion of the 12th Regiment, under Major Gearhart. General Gobin is now in command. Instead of camping in Lansford, the home of Patrick Sharpe, who was shot, and where the excitement would be increased rather than diminished by the sight of the uniforms, General Gobin is at Manila Park, three miles outside the town, and within convenient striking distance of Lansford, Nesquehoning, Summit Hill and half a dozen other points where there may be violence. All has so far been quiet, and now no trouble is anticipated.

BLACKSTONE CASE AGAIN IN COURT

Washington, Aug. 19.—The case of the executor of the estate of the late Timothy B. Blackstone, of the City of New York, to-day was filed in the Supreme Court of the United States on a writ of error from the Surrogate's Court of New York. Blackstone was for many years president of the Chicago and Alton Railroad. A short time before his death, in May, 1900, he deposited with the United States Trust Company, of New York, a sum of \$500,000, the money being regarded as "temporarily" in its hands, subject to the call of the decedent. The Controllers held that this sum was taxable under the Transfer Tax law of New York, but on appeal the Surrogate held to the contrary. The Appellate Court reversed this decision and held that the estate was exempt from the tax.

PETER POWER LOCKED UP.

ELUSIVE PLAINTIFF SURRENDERED AND PUT IN LUDLOW STREET JAIL FOR CONTEMPT.

Peter Power, the elusive plaintiff in the suit against the Northern Pacific Railway directors, returned to this city from Canada in company with his attorney, George Alfred Lamb, yesterday morning, and was surrendered to United States Marshal Henkel in the Federal Building at 2:20 a. m. Mr. Lamb apparently thought that a subpoena directing Power to appear for examination before Mr. Mabey in the clerk's office of the United States District Court at 11 a. m. would act as a stay to keep Power out of jail for a time, but he was mistaken. Marshal Henkel held an order signed by Judge Lacombe for Power's commitment to jail for contempt of court. There was a paragraph in the order stating that the marshal should apply to the court for a modification of the order if Power's health was such as to make his confinement in a jail dangerous.

THREE RIOT INDICTMENTS

A ROUNDSMAN CHARGED WITH ASSAULT AT RABBI JOSEPH FUNERAL.

The grand jury yesterday returned three indictments against policemen, on charges growing out of the riots which accompanied the funeral of Chief Rabbi Joseph. The evidence was presented by District Attorney Jerome, and was the result of an investigation which he conducted after the riot. One of the indictments was against Roundsmen James M. Jackson, of the Deanecey-st. station, and charge him with two assaults in the second degree. The third indictment is against an unnamed police officer, who is understood to be away on his vacation. Commissioner Partridge has been requested to have the accused officers arrested at the first opportunity this morning, when they will be arranged before Justice Foster.

The committee of five appointed by Mayor Love to investigate the riot at the funeral of Chief Rabbi Joseph, continued taking testimony yesterday in the assembly hall of the University Settlement, at Eldridge and Livingston sts. Sara W. Hornby, of No. 32 Henry-st., testified that she saw a policeman using violence. She thought the riot was a riot of the police. She was dealing with any other nationality the crowd would not be so submissive. It was a quiet and orderly crowd at that section during the funeral.
