To the Holders of Stock of The Chicago, Rock Island and Pacific Railway Company:

Chicago, Rock Island and Pacific Railroad Company (of Iowa) hereby offers to purchase all outstanding stock of The Chicago, Rock Island and Pacific Railway Company, certificates for which, all or be-

of New York, No. 54 Wall Street, in the City of New York; and for each share of stock of said Railway Company, of the par value of \$100, so deposited, to deliver

\$100 in its Four Per Cent. Gold Bonds of 1902, \$70 in the Preferred Stock of The Rock Island Company (of New Jersey), and \$100 in the Common Stock of The Rock Island Company (of New Jersey).

Chicago, Rock Island and Pacific Railroad Company is a railroad corporation organized under the laws of the State of Iowa, with power to acquire the lines of railroad and the capital stock of the present Chicago, Rock Island and Pacific Railway Company. Its authorized securities are

\$125,000,000 Stock. \$75,000,000 Four Per Cent. Gold Bonds, known as Chicago, Rock Island and Pacific Railroad Company Four Per Cent. Gold Bonds of 1902.

The Four Per Cent. Gold Bonds of 1902 are limited to the aggregate face amount of \$75,000,000, all to be secured under a trust agreement with Central Trust Company of New York by the deposit and pledge of all shares of the capital stock of the present Chicago, Rock Island and Pacific Railway Company, which may be acquired un-

der the laws of the State of New York, and can be issued only to a face amount equal to the par value of the stock pledged under the trust agreement.

The bonds are to mature November 1, 1902, to bear interest at the rate of four per cent. per annum from November 1, 1902, payable semi-annually on the first days of May and November, both principal and interest to be payable in the City of New York, free of tax. The bonds are coupon bonds for \$1,000 each, with the privilege of registration as principal, and registered bonds in the denomination of \$1,000, or multiples thereof. The coupon bonds and registered bonds are interchangeable.

The Rock Island Company is a corporation organized under the laws of the State of New Jersey. It has no mortgage indebtedness. Its authorized capital stock is \$150,000,000 in two classes:

\$54,000,000 Non-Cumulative Preferred Stock. \$96,000,000 Common Stock.

The preferred stock is entitled to non-cumulative yearly dividends at the rate of four per cent. per annum on the year 1902 and for each year thereafter until and including the year 1910; at the rate of five per cent. per annum for the year 1910 and for each year thereafter until and including the year 1916; and at the rate of six per cent. per annum thereafter. The preferred stock is also preferred as to capital. The holders of the preferred stock are entitled to elect a majority of the directors, but such privilege may be surrendered with the consent of the holders of two-thirds in amount of the preferred stock. The amount of the preferred stock cannot be increased save with the consent of two-thirds of each class of stock.

The Rock Island Company has entered into agreements with Chicago, Rock Island and Pacific Railroad Company (of Iowa), under which, in consideration of deliveries of its preferred and common stock for the purpose of the foregoing offer, The Rock Island Company will become the owner, as issued, of the capital stock of the Iowa Company. Accordingly, upon the acceptance of such offer by all stockholders of the present Company, the Iowa Company will have acquired the entire capital stock of the present Company, while the entire capital stock of the Iowa Company will in turn be held by The Rock Island Company, so that through the stocks of The Rock Island Company, to be delivered in pursuance of this offer of purchase, the proportionate interest of stockholders of the present Chicago, Rock Island and Pacific Railway Company in the railroad properties and in their future earnings is preserved. The capital stock of The Rock Island Company not required for the purposes of this offer is reserved for future issue for the acquisition of additional properties and other corporate purposes.

Any holder desiring to sell his stock must deposit his stock certificates with proper instruments of transfer in blank on or before the close of business on September 1, 1902, with CENTRAL TRUST COMPANY OF NEW YORK, No. 54 WALL STREET, in the City of New York, for which a proper deposit receipt, transferable by delivery, will be issued, entitling the holder on, or at any time after the first day of November, 1902, on the surrender of his deposit receipt, to the delivery of the new securities, at the rates stated, and to the payment in cash of an amount equal to any dividend which may be paid on or prior to November 1, 1902, on shares represented by the deposit receipt.

The Four Per Cent. Gold Bonds of 1902 will be issued only in the denomination of \$1,000 each, and the stock of The Rock Island Company only in shares of \$100 each. For fractional amounts of bonds or stock, or to stockholders of deposit receipts may become entitled, warrants will be delivered specifying, respectively, the fractional amounts of bonds and of stock to which the holders thereof are entitled, and such warrants, when cumulated with other like warrants so as to aggregate \$1,000 for any multiple thereof, face amount, of such bonds, or \$100 for any multiple thereof, par amount, of stock of the same class, shall be exchangeable for a like amount of such bonds or stock of such class. Such warrants will not carry interest or dividends.

Pending the preparation of engraved bonds and stock certificates, deliveries may be made of interim receipts therefor.

The holders of a majority of the stock of The Chicago, Rock Island and Pacific Railway Company have signified their intention to accept the foregoing offer.

The new stock of The Chicago, Rock Island and Pacific Railway Company when issued under outstanding subscription certificates, will also be accepted at the time of its issue, on similar terms, of which notice will be given to the holders of subscription certificates.
