ENGLEWOOD CLUB OPENING ATTRACTS A REPRESENTATIVE CROWD OF ENTHUSIASTS.

Golf attracted many society people to Englewood yesterday to celebrate the opening of the enlarged clubhouse of the Englewood Golf Club. To make this gathering an unusually happy one the home team won from the Essex County Country Club team and the last contests were held to decide the ownership of the Class B handicap cup.

The clubhouse has been so enlarged that it is now one of the most commodious and complete near New-York, and as the original scheme of design has been closely followed, the alterations have not marred the picturesque quality of the structure, which is on the colonial cottage order.

The final records for the cup and minor prizes, including those who had gained more than one point, follow: C. T. Small, S. G. Austin, A. H. V. Keep, C. P. Coleman, S. G. Starratt, G. Williams, Herbert Barber, C. A. Corlies and E. Jewett, each 2.

In the Class B handicap for the women's cup, the winner was Mrs. George C. S. Mrs. Frank Enns and Miss Ethel Howe, each 2.

A spirited monthly handicap was played yesterday by the golfers of the Dyker Meadow club. Floyd Salsus took first honors and George S. O'Flynn won the gross score prize. The results:

In the final round, at thirty-six holes, of the Staten Island championship at the Harbor Hill Golf Club yesterday, the survivors were both members of the Fox Hills Golf Club, John Montgomery Ward beating L. L. Kellogg, Jr. by 3 up and 2 to play. For the consolation cup the winners were Harbor Hill members, John H. Tobin beating Frank Sears, by 2 up.

After the match both teams dined at Hugo's Hotel, where there were speeches, and reminiscences until late. Final score: New-York Veterans, 105; New-Jersey Veterans, 82.

The junior cricketers of the Knickerbocker Athletic Club and Manhattan Cricket Club met at the wickets at Bayonne yesterday and played a full two innings game, which began at 11 a. m. and lasted all day. The Manhattan youngsters gained an advantage of 29 runs on the first innings, but the Knickerbocker team soon wiped this out, and eventually won by 28 runs. Ewing and D. Thornhill of the Knickerbocker team, scored 36 and 20 respectively. Final score: Knickerbocker, 109; Manhattan, 81.

The league championship match between the Manhattan and Nelson Lodge clubs, arranged to be played at Prospect Park, was postponed for a week. The Manhattan team played Brooklyn instead.

The game resulted in a close contest, and ended in a draw, with the Manhattan needing three runs to win and having one wicket to fall when play ceased for the day. J. Pizer and D. Maturin were the chief scorers for Brooklyn, with 28 and 29 respectively, while W. A. Battles and E. Atwood both exceeded 25 for Manhattan. J. Adam bowled well for Manhattan, and succeeded in accomplishing the "hat trick" by taking three wickets in consecutive balls. Final score: Brooklyn, 85; Manhattan, 83.

The grand circuit cycling races that were scheduled to take place at Valsburg yesterday were postponed for one week on account of rain. The regular Sunday programme will be run off to-day.

"Major" Taylor, the colored bicycle rider, said yesterday that he expected to retire from the cycle track at the end of the present season.

The world's record for a mile on a motor vehicle on a straightaway course was broken to-day, when F. A. Gately and W. E. Penner, professional riders of this city, on a motor tandem, covered the distance in 32.2 seconds. The course is a section of the Norwood highway, and on a down grade. Three trials were made. On the first the distance was travelled in 39 seconds, on the second in 31 seconds and on the third in 42.5 seconds.

The first rounds in the Orange Lawn Tennis Club championship, which were to have been played yesterday, were postponed on account of rain. Ward has won the cup once. To own it a player must win it three times.

The fifteenth annual exhibition of the Twentieth Century Fair will be held at Trenton from September 28 to October 3.

Laramie, Wyo., Sept. 20.—Word has been received from Pearl, Col., that the town is threatened by forest fires. All the inhabitants have fled to higher ground. The fire is within a mile of the town, and strenuous efforts are being made to keep the flames from the surrounding meadows.

The ocean yacht race of the Atlantic Yacht Club from Sea Gate began at 9:45 a. m. yesterday, with the northeast. The largest boats were the two 30-foot sloops Mimosa, a new yacht that has not been beaten many times, and the Marguerite, a boat nearly ten years old. It was the Marguerite's day, as it turned out, for she won the race in the last half mile, being helped by a shift of the wind to the southeast. There were five starters in the race, and as many in the New-Rochelle one design and Manhasset Bay one design classes. AMERICAN GOLF BALLS.

DIPLOMATS IN BERLIN IN CONTROVERSY OVER THEM.

Berlin, Sept. 20.—The golf ball controversy has reached Berlin, and is now quite a burning diplomatic question. The British Ambassador, Sir Frank C. Lascelles, started it last week by bringing from England some specimens of American balls, and he illustrated their quality by beating the Danish Minister, C. R. E. von Vind, in a match, whereas Von Vind usually had the better of Lascelles.

The Russian First Secretary, M. de Chrapovitsky, proposed at the golf club's tea that afternoon to rule out American balls altogether, as he said, they disturbed the experiences in which golfers had been schooled. But this view did not meet with favor, as most of the players wanted to try the new balls, or anything else that might shorten the number of strokes around the links.

A large invoice of American balls has been ordered for the Berlin club, and pending their arrival the set Sir Frank Lascelles brought here is being worn out with daily experiments.

AMERICAN GOLF BALLS FOR ENGLAND.

London, Sept. 20.—An American company will open a factory at Glasgow on September 22, with two hundred employees, to supply British golfers with American golf balls. In a month the company expects to be turning out twelve thousand balls daily.

CRICKET.

KNICKERBOCKER ATHLETIC CLUB DEFEATS KINGS COUNTY BY 135 RUNS.

The cricket team of the Knickerbocker Athletic Club played its last match in the championship series of the Metropolitan District Cricket League yesterday, at Prospect Park. Its opponent was the Kings County team, which was defeated by a score of 135 to 47. The Kings County men put up a good fight in the early part of the game, and at one time had six Knickerbocker wickets down for 38 runs. The field then went to pieces, however.

A. G. Laurie, of the Knickerbocker eleven, hit out in fine style for 71, and was the last man out, while F. F. Kelly, A. V. Clarke and C. H. E. Griffith all made useful contributions. The Kings County men could make little stand against the bowling of F. F. Kelly and C. H. Clarke. The former took six wickets for 18 runs, and the latter three for 23. G. W. Barnes and C. T. Todding were Kings County's only double figure men.

NEW-YORK, 105; NEW-JERSEY, 82.

Mayor Hinchliffe of Paterson acted as captain of the team of New-Jersey cricketers which played New-York yesterday at Staten Island. Chiefly through a fine innings of 58 by J. H. Beresford, the latter eleven was victorious by 33 runs. Mr. Beresford was partnered for the eighth wicket by Henry Chadwick, and, despite the latter's seventy-eight years, he held up his wicket while his partner made the runs, and he was not disposed of until the score had been advanced to 99. Henry Martin had bowled in capital style for the winners, and captured five wickets for 33 runs, while for the Jersey men T. L. White, with 14, and Mayor Hinchliffe, with 11, were the chief scorers.

After the match both teams dined at Hugo's Hotel, where there were speeches, and reminiscences until late. Final score: New-York Veterans, 105; New-Jersey Veterans, 82.

THIRTY-FOUR BOATS IN THE MANHATTAN SET BAY REGATTA—MARGUERITE THE PRINCIPAL WINNER.

Thirty-four yachts sailed in the fall regatta of the Manhasset Bay Yacht Club yesterday, and did good work in a heavy sea and a strong wind from the northeast. The largest boats were the two 30-foot sloops Mimosa, a new yacht that has not been beaten many times, and the Marguerite, a boat nearly ten years old. It was the Marguerite's day, as it turned out, for she won the race in the last half mile, being helped by a shift of the wind to the southeast. There were five starters in the race, and as many in the New-Rochelle one design and Manhasset Bay one design classes. The courses were so laid out that all the yachts reached from the bay out into the

the northeast. The largest boats were the two 30-foot sloops Mimosa, a new yacht that has not been beaten many times, and the Marguerite, a boat nearly ten years old. It was the Marguerite's day, as it turned out, for she won the race in the last half mile, being helped by a shift of the wind to the southeast.
