

MUST WIPE TAMMANY OUT

M'LAUGHLIN'S APPEAL

The Tiger Worse To-day than Ever Before, Declares Aged Leader.

Like an electric wave the ringing appeal of Martin W. Littleton, made at the extraordinary meeting in the Academy of Music on Thursday night, could be felt all over Brooklyn yesterday. Not only was it an appeal to every respectable citizen to keep the infamies for which Tammany stands out of Brooklyn, but also an appeal to every Democrat to assist in the destruction of Tammany Hall for the regeneration of the party in the State and nation.

From every hand came yesterday to the young orator messages of support for the position he has taken. The mighty, popular demonstration of independence and decency in politics, clearly showed that the public is behind him in his fight against Tammany. It showed that he was not short of his great influence among Democrats in Brooklyn when Senator Patrick H. McCarren captured the machinery of the organization. Hourly he is receiving more evidence of that fact.

The Rev. Dr. Lindsay Parker, pastor of St. Peter's Episcopal Church, and a Democrat, went to the auction rooms and congratulated Mr. McLaughlin, whom he had not met before, on his position. Afterward Dr. Parker said: "I am proud of having met and talked with Brooklyn's grand old man. I trust that our fellow citizens will heed the warning that Mr. McLaughlin has sent out to them repeatedly in this campaign. I am also going to grasp the hand of Martin W. Littleton, Brooklyn's pride among her young men."

Frank Harvey Field, chairman of the Citizens Union Campaign Committee, had this to say about the Littleton meeting:

Mr. Littleton last evening set forth in words of burning eloquence the "Brooklyn idea." He made clear the chicanery and false pretence of the Tammany fight in Brooklyn. This borough was not thoroughly aroused and the majority against McCarren and his threatened tactics, "red lights," poolrooms and that sort of thing promises to be a dispositive notice long to be remembered. I never saw Brooklyn people aroused to such a pitch of excitement. It spells liberation for the Tammany ticket.

Senator McCarren was unusually depressed all day, as he sat in his "red light" headquarters in the Thomas Jefferson Building. Every mention of the Littleton meeting seemed to annoy him.

Serene and confident in the assurance that he has the people of Brooklyn behind him, Mr. McLaughlin had this to say just before he left the auction room for the day:

Years ago, when Tammany Hall had at its head a man whose corruption had become a proverb, just such men as Littleton has around him defeated the organization and sent its leader to prison. For years it could not regain its power. Then it chose to head it in a campaign with a man who had a great and honest heart, and who was able to say to the thieves: "Keep off. This is the people's money." And they succeeded by using this great man's name in regaining their power.

For years they have held that power and grown more corrupt. Tammany is to-day worse than it ever was. I am sure I will say it again and again until the end of the fight.

A year ago at the head of the Democratic ticket was a young man who had been able to say to the thieves: "Keep off of the public treasury. It is the people's money." He got a tremendous plurality in this city. They are now trying to win that faithful servant's plurality and expect to win with that and hundreds of thousands of dollars.

This time Tammany Hall must not be merely suppressed for a period, but wiped out for eternity.

EARNEST PLEA FOR LOW

What Two More Years of His Administration May Do for City.

"The Corruption Microbe" is the title of a striking editorial in to-day's issue of "The Day Goodness." The writer calls attention to the situation down to the duty of the hour, the writer says:

Murphy and his followers simply cannot believe that any man would not steal or blackmail if he had the chance to do so with impunity. They are not at all sure that the lesson of the last two years has not been thrown away. Given another two years of such work as good government has done in this city, the Tammany machine will be converted. If Mayor Low and all that stands for are endorsed at the polls on Tuesday, the city will be in a better position to meet the life of the future. The city will be in a better position to meet the life of the future. The city will be in a better position to meet the life of the future.

This is why those who earnestly desire that the United States may secure her rights in the world should be so anxious to see that the Tammany machine is wiped out. It is the only way to secure the rights of the people.

NO "GRAFT" IN POLICE HELMETS.

Deputy Commissioner Ebstein Denies Allegations in Campaign Circular.

Deputy Commissioner Ebstein, of Brooklyn, had something to say yesterday in answer to Tammany's claim that some one is making about \$2,000 a year out of the police helmets. It is set forth in a circular distributed among policemen that while they have been obliged to pay \$1.00 for their winter helmets they have been obliged to pay \$2.00 for \$1.00. Mr. Ebstein said:

If anybody got "graft" out of this thing, I am the man, or Corbett. Nobody ever had the nerve to say that Corbett is a "graffer," so that I may as well say that I am the man, if anybody got "graft" in it at all. When the question of winter helmets came up, I was appointed as a committee to get bids and make selections. We got a number of samples, and a score at least, and picked out the best hat for the money, one that
