

GUNFIRE'S MUNICIPAL

PASADENA WINNERS NURSERY

Rough and Foul Riding Mars Day's Racing—A Big Crossed Present.

Gunfire won the Municipal Handicap, at one mile and three-quarters, at Morris Park yesterday, and redeemed herself in part for her disappointing performance in the first year to recall her brilliant victories as a two and three-year-old, and many there who applauded her triumph who did not profit by her success. Unfortunately, her victory was not as clean cut and decisive as her former would like to have seen, and it must be recognized that she was the victim of a most unfortunate start in the last furlong that marred the race and left the impression that perhaps it was not true run. Crimmins, who was second with Ostreich, made a claim of foul, as did Odum, who handled Shortnose, and the stewards deliberated for some time before they decided to make no change in the placing.

The race was the feature of a strong card, and a characteristic half-day crowd, which rivaled in proportions the throng which saw the Metropolitan Handicap decided at the spring meeting, was in attendance and enjoyed the long race over the hill and the spirited and interesting sport from end to end of the programme. It was one of the most successful days for the club since the fall season, and from the clubhouse lawn to the free field there was keenest pleasure and enthusiasm shown. Incidents there were that detracted somewhat from a perfect enjoyment. Rough and foul riding was not confined to the Municipal Handicap, and H. A. Taylor, the Baltimorean, four years ago, rode a horse named Crimmins, who was a narrow escape from fatal injury when his mount fell in the backstretch. That he escaped with little more than a severe shaking up seemed little short of a miracle.

The popularity of long distance races was never more pronounced than in the running of the Municipal Handicap. The crowd and the appreciation in no uncertain way. Seven horses faced the starter, and each one had a following. The cracks of the year were not entered, but the field was well balanced, and not altogether lacking in class. The Southerner was a slight favorite, but Shortnose, Caughnawaga, Outcome and Gunfire were in much demand. COLUMBIA'S HARD GAME. She Scores Only 11 Against Williams's Good Defense.

Columbia ran up against a hard proposition yesterday afternoon in Williams College, at the American League Baseball Grounds. The final score was 11 to 9 in favor of Columbia. Columbia's play was not so good as the Blue and White needs fast backs. Metzger is good, but the other backs are slow. Yesterday, on end runs, they were unable to gain, but in straight and cross backs they rarely failed to make their distance. The men helped one another well. Williams found it practically impossible to gain any distance through the line. Columbia's play was not so good as the Blue and White needs fast backs. Metzger is good, but the other backs are slow. CRESCUS'S RECORD GOES. MAJOR DELMAR BEATS IT. He Trots Mile in 2:01 3-4 Without Windshields at Lexington.

Lexington, Ky., Oct. 8.—Major Delmar, the \$40,000 gelding of E. E. Smathers, today broke the world's mile trotting record, without a windshield, negotiating the distance in 2:01 3-4, a half second faster than the record held by Crescus. The great horse was driven by Alta McDonald, and was accompanied by a runner, driven by Scott Hudson. When he made his appearance on the track to go against time he was greeted by ten thousand people. After scoring three times, McDonald nodded for the word, and the great gelding swept by the stand and passed the quarter pole in 29 1/2 seconds. He was simply flying as he passed the half in 59 1/2 seconds, and the crowd sent up a cheer that could have been heard for a mile. Major Delmar showed no let up in his speed and reached the three-quarters in 1:28, going from the half to the three-quarters in 29 1/2 seconds. When the horse reached the stretch the big crowd realized that with no unforeseen accident he would break all previous records, and as an appreciation of the performance they began cheering anew, and there was no let up until he had passed under the wire. The greatest pandemonium ever seen on the local track broke loose, and for five minutes it was impossible for the announcer to make any statement. McDonald was met as he dismounted by E. Smathers, and together the two followed the horse to his stable, where he was completely wrapped in a mass of flowers.

Major Delmar now holds four world's records. His mark of 1:09 1/4 with a wind shield of 2:01 3-4, made on Oct. 8, is the fastest ever recorded for a mile. He also holds the record for a half mile in 1:01 and the record of a mile and an eighth in 2:22 1/2. Major Delmar is seven years old, by Star Pointer, 2:10 1/4, dam Expectation, by Autograph, 2:10 1/4. Other races today were: THE WILSON STAKE—PACING—2:30 CLASS—PURSE, \$2,000. YALE'S ATTACK FAST. Good Showing Made Against Heavy Pennsylvania State Team.

New-Haven, Conn., Oct. 8.—Yale met a stiff proposition in the heavy and fast Pennsylvania State team to-day, and won with a score of 34 to 0 only after the hardest sort of line bucking. Two touchdowns were made in each half, and Yale put in substitutes only at the end of the game. Pennsylvania State held Yale for downs twice, once when Yale was tearing down the field for a score. Yale backfield players made two had fumbles but otherwise put up brilliant football. In S. F. H. Moore, a new halfback, Yale has the find of the season. To-day he tore through right and left on the offense and was, with Shelvin, the main means of Yale's large score. The right of the Pennsylvania State line was nearly impregnable to Yale attacks.

Yale used straight line plunges exclusively and depended on short gains. Hutchinson, substitute quarterback for Yale, played a brilliant game, punting back one punt forty yards, as did Shelvin. The Yale eleven was solid on defense, and showed a big advance in offense play, the interference being the best this year. Bloomer, Shelvin, Morse and Tripp were particularly strong in this. The game was the best showing Yale has thus far made, it being the first really to test Yale's attack.

Yale ran the first kick-off to the field which came to an end after thirty-five yards, when Penn State held on downs. Owsley fumbling the pass on an easy 3-yard gain. Morse ran Penn State's punt back brilliantly, and Yale had made twenty more yards bucking the line, when the ball was lost on a fumble. Yale then got the ball on Penn's 45-yard line and forced it over. Bloomer scored the touchdown. By fast work Yale made another five yards and fumbled, and then from their own 50-yard line bucked Penn State across for the second score. In the second half Hutchinson was in charge, and it was opened by a 3-yard run by Shelvin from the kick-off. Yale using the same formation for interference. Morse scored. Hutchinson made his second run, then, and fifty-five more yards were reeled off by Yale's fourth score.

The game was rough, and Junk, of Pennsylvania, and Pyle, of Lehigh, were ruled off by the umpire, and Corson was withdrawn from the Red and Blue by Captain Torrey on account of dizziness. There were more than a dozen injuries. Later in the half Smith got away on a delayed pass down the side line for seventy yards for the first touchdown. Bennis got away for another on a trick play, running forty yards to the goal. This took the life out of Lehigh.

The second half also netted two touchdowns for Pennsylvania, one on straight plays and one as the result of another long run by Shible that put the ball on the 3-yard mark. Lehigh was always down group, however, and the whole game was full of thrills, with a twenty yard run about every other minute. There were more than a dozen injuries. Later in the half Smith got away on a delayed pass down the side line for seventy yards for the first touchdown. Bennis got away for another on a trick play, running forty yards to the goal. This took the life out of Lehigh.

The second half also netted two touchdowns for Pennsylvania, one on straight plays and one as the result of another long run by Shible that put the ball on the 3-yard mark. Lehigh was always down group, however, and the whole game was full of thrills, with a twenty yard run about every other minute. The game was rough, and Junk, of Pennsylvania, and Pyle, of Lehigh, were ruled off by the umpire, and Corson was withdrawn from the Red and Blue by Captain Torrey on account of dizziness. U. OF P.'S SURPRISE. Lehigh Outplays Her Till Discouraged by Tricks.

Philadelphia, Oct. 8.—Pennsylvania defeated Lehigh on Franklin Field this afternoon in a game whose score, 21 to 0, fails to tell the story. The Lehigh eleven, despite the whipping it had received from Swarthmore on Wednesday, started after the Quakers in a manner that took the breath of ten thousand spectators. The boys from Bethlehem hustled their giant guard, Waters, through the Red and Blue, played trick plays and outplayed Pennsylvania generally, till they had carried the ball from the kick-off to their opponents' 35-yard line. Here it was lost on a fumble, and Pennsylvania took it, only to find that she could not advance the ball on any consistency. Later in the half Smith got away on a delayed pass down the side line for seventy yards for the first touchdown. Bennis got away for another on a trick play, running forty yards to the goal. This took the life out of Lehigh.
