Representative Offerings Selected From Our Splendid Stocks.

This is an invitation—suggesting to New York's visitors a sight of a 24-acre Merchandising plant funning under pressure of the greatest Autumn business in its history.

It is a World's Fair of goods from all lands—a showing of requisites and luxuries brought together by an unmatched buying organization and ready for distribution in the simple way that has made Macy's the greatest of stores: CASH selling on a narrow profit margin, without prizes, commissions, discounts or theatrical effects as a means of winning patronage.

The Depositors' Account Department.

EXCELLENT REWARDS FOR THOSE WHO CARE TO BUY HOLIDAY UMBRELLAS A FEW WEEKS EARLY.

This sale is not the result of unusual trade conditions, such as might be responsible for a price-shattering on the eve of holiday time. Simply stated:—

We bought, at a very low figure, the entire sample line of Umbrella handles owned by one of the largest manufacturers and had them fitted to Umbrellas made to our order, with 8-rib Paragon lock frames and various grades of silken coverings. There were 2,100 handles in all and practically no two alike. They are new handles in designs from which regular lines for the season have been made. Included are pearl, sterling silver, etched, capped and inlaid; natural woods variously trimmed, imported horn, rolled gold plate, burnt ivory, silver deposit, gun metal, teakwood, changeable pearl, carved ivory and chain and ring effects. Similar designs will be found in various holiday displays now coming to the fore. As for the silks used, we were particular in seeing that only the best quality of each grade was used, and equally careful in seeing that silk quality and handle quality corresponded in every Umbrella. This detail:—

\$5.69 Umbrellas—Pure Silk Taffeta, tape edge.

\$4.98 Umbrellas—Pure Silk Levantine, tape edge.

\$3.96 Umbrellas—Pure Silk Serge, tape edge.

\$2.97 Umbrellas—Pure Silk Serge, tape edge.

\$1.98 Umbrellas—Pure Silk Serge, hemmed.

\$1.49 Umbrellas—Good Quality Silk and Linen.

If you could buy at these prices similar qualities that have aged in stock you would not likely have occasion to regret the investment. That these are fresh, newly-constructed Umbrellas triples their attractiveness.

China and Glass Economies Spread for Thanksgiving Buyers.

Just prior to Thanksgiving it is our custom to put China and Glass stocks upon a holiday footing in recognition of the increased demands made upon them at this period. It is conceded that we regularly have on display and in reserve more China and Glassware than all other department stores in New York city combined.

Apart from the array of novelties and the many complete Dinner Sets shown, we present scores of styles in Berlin, French, English, Austrian and American Decorated China, known as "open stock" patterns. These may be collected in individual pieces or by halves or full dozens and you may build up, at your leisure, complete sets. At the same time you are enabled to replace any piece that becomes broken.

Decorated Dinner Sets.

English, French, Austrian, American Wares, from the world's best factories, may be seen here in unmatched varieties and at unequalled prices.

- \$5.99 for \$7.50 Porcelain Sets of 102 pieces, flower decorations.
- \$7.47 for \$10.00 Sets of 102 pieces; green or blue flower decorations.

The assortment of finer, richer Sets is correspondingly complete and attractive. Under no other roof in America can you find equal or greater variety.
