UNION PACIFIC RAILROAD CO.

Special Meeting of Stockholders.

TO THE STOCKHOLDERS of the

UNION PACIFIC RAILROAD COMPANY:

Notice is hereby given that a special meeting of the tockholders of Union Pacific Railroad Company will be seld at the office of the Company at Salt Lake City, in he State of Utah, on the 5th day of May, 1905, at 12 % clock Noon, for the purpose of considering and acting upon a proposed amendment of the Articles of Incorporation of said Company increasing its preferred capital stock by the amount of \$160,000,000, and of authorizing the issue and use of such additional stock and of UNION PACIFIC RAILROAD COMPANY:

May, 1995. of the Board of Directors.

UNION PACIFIC RAILROAD CO.

Executive Offices, 120 Broadway, New York, April 4, 1905.

To the Stockholders of

UNION PACIFIC RAILROAD CO.

Of the \$100,000,000 First Lien Convertible Bonds originally issued by your Company \$54,255,000 have been converted up to date into common stock, and it is assumed that the remainder will likewise be converted before May, 1906. Fixed charges have thereby been greatly diminished and the equity behind the preferred stock correspondingly increased, and with the enhanced credit of your Company the market value of the preferred stock correspondingly increased, and with the enhanced credit of your Company the market value of the preferred stock in and for some months has been about par. This situation enables the Company to pursue the wise and conservative policy which requires that a corporation whenever possible should finance at least a part of its capital requirements—especially such as arise in connection with the acquisition of stocks of other companies—through the creation of stock rather than through the creation of fixed interest bearing obligations. The advantages of such a policy are obvious and will enure to the benefit of the holders of both common and preferred stock in that the creation of additional bonded indebtedness ranking and carrying fixed charges ahead of the stock may be avoided and the credit and position of the Company further advanced. Your Company, moreover, will be placed in a position admitting in due time of a more liberal attitude toward the distribution of its surplus income.

As the common share capital has been and will be further added to by the conversion of the convertible bonds, your Directors are of the opinion that the common stock should not in the near future be still further increased; they do, however, consider it prudent that your company should prefare at this time to finance coming requirements through issue of preferred stock, at par, when practicable, to an extent re-establishing the former-ly existing proportions between the common and preferred stock.

stock.
Your Directors, therefore, recommend the creation of an additional issue of preferred stock, equal in every respect to the preferred stock at present outstanding, and to that end have called a special meeting of the stock-holders to convene at the office of the company, at Salt Lake City, Utah, on the 5th day of May, 1905, for the purpose of authorizing an increase of the preferred capital stock by the amount of \$100,000,000, and its issuance from time to time, as needed, thus making the authorized capital stock of the company \$396,178,700, consisting of \$200,000,000 of preferred stock and \$196,178,700 of common stock.

Financial Elections.

THE NEW YORK LIFE INSURANCE COMPANY, AN ELECTION FOR TRUSTEES OF THE Fourth Class and for Inspectors of the next elec-tion will be held at the Home Office of this Company on Wednesday, April 12th, 1905, between the hours of 11 A. M. and 12 M. JOHN C. MCALL,
