

YACHT RACES

OFF HEMPSTEAD HARBOR. Neola II Beats Atair and Dahinda in Fresh Breeze.

In a fresh breeze from the northeast, which made rough water at times for the small craft, eight yachts started yesterday in the fourth annual regatta of the Hempstead Harbor Yacht Club, on Long Island Sound, and all but seven finished the course—eleven and a half miles for the large boats and seven and a half for the smaller classes.

The regatta was an accident, that, luckily, did not result in loss of life. One of the smallest yachts, belonging to the Sea Cliff one design class, the Kim, owned by H. I. North, capsized while beating a windward soon after the start.

The tug John J. White, with the regatta committee—Messrs. Ward Dickson, Paul H. Grim and William H. Simonsen—on board, steamed to the scene and towed the sunken boat to the club pier. F. L. Bobbitt's sloop, the Spinster, of the 5-foot class, carried away the throat halyards and sailed.

The racing in the New-York Yacht Club 20-foot class, in which Commodore John S. Appleby offered a special cup, was won by George M. Pynchon's Neola II, which defeated Dr. Meyer's Atair by 2 minutes 44 seconds.

The Giants defeated the Cincinnati Reds in both games of the doubleheader at the Polo Grounds yesterday, winning the first game by 2 to 0 and the second by 6 to 1.

McGinnity and Walker were the opposing pitchers in the first game. McGinnity pitched excellent ball, allowing the visitors only six scattered hits. Two runs were made by the Giants in the first inning. Browne made a three-base hit and scored on Donlin's hit. Schiel threw wild to catch Donlin stealing, and he scored.

The Giants made three runs again in the fifth inning, when Browne walked, McGinnity singled and Mertes walked filling the bases. Browne scored on a wild pitch. Dahlen singled to left, scoring McGinnity and Mertes.

In the ninth inning, with the bases full and none out, Mathewson went in to pitch for the Giants. He pitched a wild pitch, striking out one man. One scored on a long fly.

The feature of the first game was a catch by Taylor, who hit a home run, striking out McGinnity. This was the last appearance of the Cincinnati team in New-York this season, and a crowd of 25,000 spectators witnessed the game. The score: New-York, 6; Cincinnati, 1.

SUPERBAS IN EVEN BREAK. Lose First Game to St. Louis, But Rally and Win Second Contest.

Brooklyn broke even with the St. Louis team at Washington Park yesterday in a double header. The visitors won the first game and the locals took the second. Lumley's home run hit in the second game was the feature of the day's play. The score: St. Louis, 2; Brooklyn, 1.

A NEW SWIMMING RECORD. S. M. Daniels Clips 12 3-5 Seconds Off Half-Mile Mark.

Swimming history was made at Travers Island yesterday afternoon. It happened in the 850-yard Amateur Athletic Union championship, when C. M. Daniels, of the New-York Athletic Club, broke the record by 12-3/5 seconds. That in itself was meritorious enough to repay one for the journey, but there was another interesting feature as well.

The usual select gathering always to be found at New-York Athletic Club functions watched every race with a keen interest. There were five events, the fun beginning with a 100-yard swim, back stroke. Quite a bunch splashed the water at the crack of the starter's pistol, but it did not take C. A. Ruberl, of the home club, long to show in front.

At half the distance he had a lead of 10 yards, which he easily maintained to the end, winning in the excellent time of 1 minute and 30 seconds. The rest of the field was pretty well strung out, but the "also swimmers" at least had the satisfaction of not being able to see their finish.

Those who had expected to see a contest between exponents of the trudge and crawl strokes were disappointed. The trudge was not used in the 220-yard handicap practically all the men resorted to the trudge, or double overhand style. In this race T. E. Webb, Jr., of the New-York Athletic Club, won, aided by an allowance of 35 seconds. Webb's time was 3 minutes and 12 seconds.

The diving contest pleased the women, who were especially liberal with their applause, and this affair soon turned down to a duel between T. J. Callahan, unattached, and Walter Lee, of the home club. Both were graceful, going through the various numbers on the programme in a manner that speedily placed all other rivals in the shade. The judges decided for Callahan.

But to return to the championship. Of the eleven entrants in this race all save two started, and it was generally agreed that the half-mile record, held by the German champion, E. Raush, was in danger. From the start Daniels assumed the lead, reaching the first turn—the 100-yard mark—in 1:14-2/5. At 200 yards Daniels had increased his advantage to 10 yards, his time being 2:49.

At a quarter of a mile Daniels led by twenty-five yards, his time being 6:14-2/5, or 41-1/5 seconds inside the record. All this time Goodwin kept pegging away, and although he was unable to hold Daniels, he easily opened up a gap on the others. Ruberl, of whom so much was expected, was in only sixth place at the quarter, and was never able to show prominently.

At the end Daniels, whose time was 11:58-3/5, enjoyed a lead of fifty yards over Goodwin, who was followed by H. J. Handy, the seventeen-year-old lad. Aside from being a little short of wind, Daniels appeared none the worse for his remarkable effort. Goodwin's time was 13:32.

John L. Murphy, the little chap representing the All Angels Athletic Association, found the pace so fast that he quit after swimming an eighth of a mile, whereupon some one unfeelingly remarked: "Never mind, my boy; you had a good bath, anyway."

The officials were: Referee—A. G. Sivori, Pastime Athletic Club. Judges—H. L. Ottmann, Dr. George E. Scheffer, Fred J. Wells and L. H. Sharp, New-York Athletic Club; W. L. Kelly, New-York Athletic Club; Timers—Robert Stoll, Otto Walsh and J. H. Abel, New-York Athletic Club. Starter—E. J. Glanville, New-York Athletic Club.

Campbell Sets New World's Mark in Cape May Races. (By Telegraph to the Tribune.) Cape May, N. J., Aug. 26.—The time trials for the mile were the feature of to-day's automobile races on the Cape May beach. The fastest time made was by the 30-horsepower Darracq, driven by A. L. Campbell. The machine won the mile in 38 seconds, the fastest time ever made on the sand course here.

The 120-horsepower Fiat car, driven by Louis Chevrolet, made the next best time of 29-1/2 seconds, and the 60-horsepower skeleton Ford machine, driven by Henry Ford, the third best time of 34-1/2 seconds.

All the races to-day were at a mile. Time trials will be held again to-morrow, in which all the big racing cars are entered, besides a few contests at touring cars. Much excitement was caused in the race for heavyweight cars, between the 30-horsepower Darracq and the 120-horsepower Fiat.

Rounding the curve, in the middle of the course, the Darracq car, which was about ten yards behind, swerved and went into the water. The water splashed up about twenty feet, soaking the driver to the skin. Through skilful handling the machine was quickly righted and brought on the dry sand again, but not in time to prevent the Fiat car from winning the race by 100 yards in 31-1/2 seconds.

More excitement was caused just after the race by the 40-horsepower Winton car of J. A. Dewey catching fire. The damage done to the machine was slight. In addition to the three big racing cars already mentioned, the 120-horsepower Christie machine, driven by Walter Christie, and the 20-horsepower Fiat, took part in the contests.

The Christie car did the mile in the record trials in 40 seconds. Last month this machine went the mile in 32-1/2 seconds, which was the fastest time made on the beach up to to-day's meeting.

The announcement that all the big cars would take part in to-day's contest drew a still larger crowd to the scene of the races than yesterday. The morning trains were jammed with passengers, most of whom came to see the contests. It was estimated that fully fifteen thousand persons were on the boardwalk.

The heavy rain of the previous day, which continued throughout the night, left the beach in poor condition. A bad hole a few hundred feet beyond the finishing line made it necessary for the drivers to slow up quickly after completing the mile.

The curve in the middle of the course also caused the machine to lose some seconds. The Ford car came in for the biggest share of interest to-day. This is the same machine that Mr. Ford took to Florida last January, but broke its shaft, and it could not be repaired there. It was driven to-day by clever handling of the 20-horsepower Packard car, which defeated G. Jones in the first trial in 4:30-1/2.

The machine made a grand showing to-day, and in its three trials made better time in each attempt, and there is a strong possibility that the car will do much better to-morrow. Mr. Ford said after the trials that he did not let the machine out full speed, owing to the condition of the beach. The time of the first trial was 45 seconds, and of the second 40 seconds.

CRUISING YACHTS START. Seventeen Craft in Manhasset Bay

Y. C. 80-Mile Race. Fifteen sloops, one catboat and a yawl were the starters yesterday afternoon in the cruising race of the Manhasset Bay Yacht Club for a \$100 cup offered by Howard Gould, a \$50 prize offered by George E. Schuch and a \$20 prize, the gift of Commodore R. W. Bainbridge.

The course was from a point off the clubhouse at Fort Washington, Long Island, to and around the lighthouse on Stratford Shoal, a distance of eighty miles. The start was made in a northerly breeze, that backed to the northeast when the yachts were in the starting line.

The steam yacht Ardea gave the starting signal at 1:15 p. m. All the yachts, with sheets eased to zero, crossed the line in five minutes, led by J. W. Alker's thirty-footer Alcira, followed by the Cara Mia and the Gauntlet. Most of the starters, with the skippers and crews, follows:

Alcira, racing 25 feet, Indian Harbor Yacht Club; Cara Mia, racing 25 feet, Indian Harbor Yacht Club; Gauntlet, racing 25 feet, Indian Harbor Yacht Club; Neola II, racing 25 feet, New-York Yacht Club; Spinster, racing 25 feet, New-York Yacht Club; Atair, racing 25 feet, New-York Yacht Club; Dahinda, racing 25 feet, New-York Yacht Club; Kim, racing 25 feet, New-York Yacht Club; Neola II, racing 25 feet, New-York Yacht Club; Spinster, racing 25 feet, New-York Yacht Club; Atair, racing 25 feet, New-York Yacht Club; Dahinda, racing 25 feet, New-York Yacht Club; Kim, racing 25 feet, New-York Yacht Club.

ELMINA II WINS CUP. American Yacht Captures Prince of Wales Trophy at Halifax.

Halifax, N. S., Aug. 25.—The Prince of Wales Cup, which has been in the possession of the Royal Yacht Squadron since its presentation to that club in 1850 by the present King of England, was won to-day by the schooner Elmina II, of the New-York Yacht Club, owned by F. F. Brewster, of New-Haven, Conn., and for the first time in its history the trophy passes into the keeping of a New-York club.

The Elmina sailed the thirty-mile course in a little over two hours and a half and defeated the schooner Corona by 2 minutes 10 seconds. GOLD CUP FOR THE CHIP. Wins Third and Deciding Heat Over Chipewack Bay Course. (By Telegraph to the Tribune.) Frontenac, N. Y., Aug. 25.—The Chip, owned by J. Wainwright, of the Chipewack Yacht Club, won the Gold Challenge Cup, of the American Power Boat Association, here to-day in the third and deciding heat over the Chipewack Bay course. The race was a spectacle of the highest order, for the Chip finished only two seconds ahead of the Inviz, owned by F. H. Weson and representing the Riverton Yacht Club. This was merely jockeying, however, for the Chip could have taken and kept the lead half a mile from the finish.
