

SMITH'S GOLF TITLE.

WINS BY TWO STROKES.

In Brilliant Exhibition Anderson Loses at Fox Hills.

Alex Smith, of the Nassau Country Club, won the first open championship of the Metropolitan Golf Association yesterday at the Fox Hills Golf Club's links, defeating Willie Anderson, the national open champion, in the play off of the tie at 18 holes, medal play, 74 to 76.

The pair started off in brilliant style, halving the first hole in the perfect golf of 4. Anderson also played strong golf on the second hole, getting it in 4. Smith getting down in the bogie of 5. Anderson got the third in 3, Smith needing 4.

This gave the open champion a leading of two strokes, but at the fifth hole Smith earned a stroke with a brilliant 3. The next four holes of the outward journey were halved, and at the turn Anderson led by a single stroke. Both were on their game and playing a high quality of golf.

Smith missed a chance to square matters at the tenth hole by falling to run down a short put for a 3. As it was, each took 4. At the next, however, he gained the coveted stroke, as Anderson sliced his drive, and it cost him a stroke to get back on the fair green from a bad lie.

At the thirteenth hole the Nassau player took the lead by some brilliant golf. The distance of the hole is 569 yards, and Smith was on the edge of the green in two. He all but ran down his approach put for a 3. Anderson over ran the hole in his third, and needed 5, to his opponent's 4.

Anderson could not regain this stroke, try as he would, and Smith went further and at the seventeenth hole increased his lead to two strokes by running down a twenty-foot put from the edge of the green. Anderson rimmed the hole in his third, and it was halved in 4, giving Smith the chief honors of the tournament.

The cards were: Alex Smith, Nassau Country Club, 74; Willie Anderson, Apawamis Club, 76; Harry Ives, Fox Hills, 78; George Low, Englewood, 80; Herbert Strang, Englewood, 81; Isaac Mackie, Fox Hills, 82; Arthur Ryan, Englewood, 83; Joseph Mitchell, Englewood, 84; Joseph E. Minner, Englewood, 85; William Smith, Englewood, 86; J. T. Britt and H. Nelson, Englewood, 87.

There was a tie in the four-ball match at 71 between Alex Smith and C. A. Dunning and George Low and Frederick Herreshoff. The individual score was 72 and that of Smith and Dunning 73 and that of Low and Herreshoff 74.

Four couples tied at 72—Walter J. Travis and Albert Gardner, D. T. Davis and Herbert Strang, J. A. Janin and Isaac Mackie, and Allan Lard and Donald Ball. There were twenty-two couples in all, and the best scores of the others were strung along from 74 to 84.

As there was no possible chance to play off the tie on account of Smith playing off the tie for the championship with Anderson, the committee decided to divide the prize money, the amateurs getting the larger share. This met with general satisfaction.

KING CHIMES DEAD.

Susie G. Paces Fast Mile in 2:12 and Beats Star Pugh.

Members of the New-York Driving Club, who went to the Empire track yesterday in expectation of seeing King Chimes, 2:04, and Governor Holt, 2:15, lower their team record of 2:13, were doubly disappointed. They not only missed the performance, but learned that King Chimes was dead, the horse having expired suddenly when exercising in preparation for the race against time.

King Chimes was owned by W. C. Floyd Jones and was bred by C. J. Hamlin. He was sixteen years old, and was by Kings, 2:04, from Queenie King by Mambino King. In 1886 he gained a pacing record of 2:13 in July, and a trotting record of 2:10 in September.

WOMEN AS CREWS.

Fast Time Made in Knickerbocker Yacht Club Races.

It was "ladies' day" at the Knickerbocker Yacht Club yesterday. There were races for sailing and power craft, and the women acted as crews on many of the boats. The races were held in the afternoon. The boats started off the clubhouse, and sailed two around a triangular course of nine miles. The wind was now easterly, and the first two legs reached and the third a beat. Fast time was made.

The power boats went the same course. Two motorboats, the first of which was the St. George's Nanita II, started, but the Nanita broke down and the Katiedid finished alone, making the nine miles in 27:47. After the races there were refreshments, and in the evening there were music and dancing at the clubhouse, which was prettily illuminated. The summary:
