

PLEA FOR A FAIR TEST. Golfers in Favor of Thirty-six Hole Match Play Rounds.

Many golfers throughout the country are favorable to a return to the thirty-six hole match play rounds in the amateur championship. Among those known to prefer the double round are H. Chandler Egan, the amateur champion; Walter J. Travis, former title holder; Charles H. Sweeney, J. M. Ward, and others.

At the annual meeting of the United States Golf Association in 1904 Mr. Macdonald made a strong plea in favor of the thirty-six hole rounds, and while the majority of the delegates at that time as though the sense of the delegates at the meeting was favorable to a return to the former style, nothing more was accomplished than to instruct the executive committee that a return to a qualifying round from the all-match play method was desired.

One plan suggested is to have an eighteen hole qualifying round, the best thirty-two to qualify to play the thirty-six hole match play rounds. This plan is favored by the majority of the delegates at the meeting, and it is believed that it will be adopted.

RACING AT NEW-ORLEANS. Two Favorites Win at One Track and Three at the Other.

New-Orleans, Jan. 18.—Dr. Coffey, with the best of his field, and De Reszke were the winning favorites at the Fair Grounds to-day. Fancy Dress and Columbia Girl, both strong favorites in their races, were used up making pace and had nothing left when the pinch came.
