WOMAN MAY BE FORGER. Arrested for Effort to Get Railroad Man Released.

Miss Clay Lawrence, of No. 906 Garden street, Hoboken, a friend of Charles F. Wenham, formerly manager agent of the Canadian Pacific Railway, who is now in jail on the charge of being short in his accounts with that railroad to the extent of \$65,000, was arraigned in the Tombs police court yesterday and released in \$1,000 bail for further examination on the charge of forgery, on Friday. The court proceedings yesterday occupied nearly two hours, as each time Miss Lawrence was taken before Magistrate White she fainted and had to be revived.

The young woman is charged with forging the name of Mrs. Wenham to a quit claim deed, purporting to convey property in West 26th street, Chicago, valued at \$100,000, to one Jacob Franks, of this city. It is alleged that the conveyance was to place the property in the hands of the forger, who would accept it as surety for giving bail in the amount of \$40,000 to get Wenham out of jail. Charles A. Hess, counsel for the complainant, which is primarily the Canadian Pacific Railway, has been trying for a long time to get Miss Lawrence into this jurisdiction. She appeared yesterday morning before Stanley W. Deater, of No. 71 Broadway, referee in the bankruptcy proceedings against Wenham. Mr. Hess then obtained a warrant for forgery and Miss Lawrence was arrested. The forgery charge is based on an affidavit made by John J. Loran, a notary public, of No. 43 Exchange Place, who swears that he saw the alleged crime committed. He says that Miss Lawrence called at his office and represented herself as Mrs. Zeldah E. Wenham, and signed the name of Mrs. Wenham to the quit claim deed. Mr. Hess alleges that Miss Lawrence had been Wenham's companion for thirteen years, and that they travelled together all over the world. It is further alleged by Mr. Hess that Wenham arranged with Miss Lawrence to impersonate Mrs. Wenham and receive the money which was represented by ex-Magistrate Westworth and Louis Lewenstein. Her counsel argued that the forgery alleged was not complete, as the deed still remains in the possession of the notary public.
