STAKE FOR INQUISITOR

GETS UP IN LAST STRIDE

Four Favorites and a Split Choice Win at Jamaica.

Inquisitor, by a gallant and determined rush through the stretch, got up in time to beat Ormond's Right a head for the Montague Stakes at Jamaica yesterday.

The race was for three-year-olds and upward at weight for age, and the distance was one mile and a sixteenth. Miller had the mount on Inquisitor, and in spite of the fact that the Inspector B. colt had never raced over a distance he was made the favorite.

The start was poor, as Delhi, usually a quick breaker, was flat footed when the barrier was released. Miller rushed Inquisitor to the front and showed the way around the paddock turn, with Ormond's Right in close attendance.

Hermitage took command, while Inquisitor dropped back to third place in close quarters on the rail. This order was maintained to the far turn, when Hermitage began to tire, and Ormond's Right took command, closely followed by Phil Finch, who rushed up as if he would go home by himself.

Four pronounced favorites and a split choice won, so that the form players for the second day in succession had the best of their argument with the lavers.

Miller was lauded by many for a clever piece of riding, and he certainly deserved all credit for a strong finish, but those who watched the race closely claimed that he was lucky to win.

Hermitage was the second choice, and Ormond's Right, but Inquisitor was not to be denied, and he got up in the last few strides. Phil Finch was a respectable third.

BIG PRICE FOR DE MUND.

Paul Rainey Buys Fast Two-Year-Old—Inquisitor for Sale.

Paul Rainey, who is sparing no money to get together a good stable, bought the two-year-old De Mund yesterday from Newton Bennington for a price said to be \$45,000.

The late William C. Whitney paid \$50,000 for Nasturtium, in 1903, but Nasturtium had shown himself a horse of class in races, whereas De Mund is practically untried, although he has an extraordinary field easily in his only start at Aqueduct.

Tom Welsh, who owns Inquisitor, winner of the Montague Stakes and two other races at the meeting, said yesterday that the colt was for sale, as he did not consider it advisable to own any horses himself, in view of the fact that he was training a big stable for others.

Isaac Frank, who owned and raced a small stable, died from heart disease yesterday at the home of his mother, at Madison avenue and 99th street. The funeral will be held to-morrow.

T. Burns had his first mount of the season in the metropolitan district on Bragg, in the second race. He got back from the West on Monday, where he was riding for Charlie Ellison.

Oxford, which was scratched from the Montague Stakes yesterday, was worked between races as a final preparation for the Metropolitan Handicap to-morrow. He looked well and moved freely, and is quite likely to give a good account of himself.

Head Handicap—Selling, for three-year-olds and upward; \$700 added. One mile and a sixteenth.

Fourth Race—Selling, for three-year-olds and upward; \$700 added. One mile and a sixteenth.

AUTO TEST CONFIRMED

Two Cars Run Far on Limited Fuel in a Second Trial.

The committee in charge of the two-gallon efficiency contest held under the auspices of the Automobile Club of America had the two cars which made the best showing on Saturday go over the same course again yesterday.

The machines that went over the course yesterday were the 12-horsepower runabout Franklin, owned by the Deaneville Automobile Company, and the 20-horsepower Frayer-Miller of Dr. Butler, which finished first and second respectively on Saturday.

The start was made on Central Avenue A and 57th street yesterday, the same as on Saturday, and the machines went over the same route. F. E. Moeckovis drove the Frayer-Miller car, and was arrested at Central Bridge for speeding.

The money had been placed in the hands of S. M. Butler, secretary of the Automobile Club of America. The trial will take place this week or the first part of next week.

WAGER OVER AUTO EFFICIENCY RUN.

The controversy over the two-gallon efficiency contest held by the Automobile Club of America Saturday culminated yesterday in a wager of \$100 and \$200 between A. L. Kull, of the Wayne Automobile Company, and C. F. Wyckoff, representing the Franklin car, which finished first.

Donnell's work in the back court was excellent. He sent back his opponent's swift volleys with unerring precision, and offset a fast net game by clever lobbing. The best that Gates could do was to take three games in the second set, and Donnell finally won 6-1, 6-3, 6-2.

Cambridge, Mass., May 8.—The final round of the Harvard interscholastic tennis tournament was today by E. R. Davenport, of Stone School, this city. He defeated T. Borfield, of Newton High School, by a score of 6-2, 6-3, 6-4.

Chicago, May 8.—George Slosson, the champion 182 pounder, was defeated here to-night in the professional tournament now in progress at Orchestra Hall, by Jake Schaefer, by the score of 10-1.

Harvard crew in fast time trial. The crew of the Harvard varsity eight rowed over the mile and seven-eighths course on the Charles River that will be followed in the morning will meet Charles E. Whitler of Brooklyn, in an exhibition game at 3 o'clock this afternoon at the same place.

Cricket. The Harvard varsity cricket team defeated the team of the Brooklyn Athletic Club in a match played at the same place. The score was 100 to 100.

The Two Greatest English Critics Say of Mr. Owen Wister's novel, Lady Baltimore

"It is pleasant to be able to say that . . . his reputation will be more than merely maintained by his new venture. . . It would be difficult to speak too highly of this delightful volume. . . Lady Baltimore, as may be gathered from what we have said above, is a many-sided book. . . In fine, here is an author of whom America may well be proud, not only for his literary accomplishments, but for his generous, yet discriminating, love of his country."—THE SPECTATOR, London.

"Mr. Wister's deft, witty comedy is no mere witty trifling with the manners of people of leisure. There is an ideal, an ideal, beneath it—the American people. What will that people be? Mr. Wister asks, and we find in his book a larger patriotism than we had supposed to be possible as yet. . . Very many readers will exclaim that they did not know he could do this sort of thing; write, that is, a 'high comedy' cut and polish a jewel, move nimbly among very delicate emotions and ideas, which a single lapse into awkwardness or roughness would destroy. 'The Virginian' can no longer be held to be the work of an impassioned tyro by any one who observes how in 'Lady Baltimore' the story is informed by the idea, how light and delicate the humor is for all the urgency of the pleading, how fragrant is that atmosphere of lavender which the whole story breathes."—THE TIMES, London.

Defeat Brooklyn by Timely Batting Rally in the Eighth.

RESULTS OF GAMES YESTERDAY. NATIONAL LEAGUE. Washington at New York. St. Louis at Chicago. Philadelphia at Boston. Detroit at Cleveland.

The Giants managed to pull a game out of the fire with the Superbas at Washington Park, Brooklyn, yesterday, by a batting rally in the eighth inning, which brought in two runs and gave them the game by a score of 5 to 4.

Good fielding marked the work of both teams, and the feature was Brown's fine catch of Casey's fly against the fence in the fifth inning. McGinnity pitched for the Giants, and although he had hard control at critical times.

Brooklyn scored three runs in the third inning on a two-bagger and four singles, and up to the fifth inning it looked as if the tailenders would again defeat the champions. In that inning Scanlon went up in the air, and with the bases full McIntyre was substituted. The change did not work to the advantage of the Superbas.

RESULTS OF GAMES YESTERDAY. AMERICAN LEAGUE. Washington at New York. St. Louis at Chicago. Philadelphia at Boston. Detroit at Cleveland.

The Highlanders turned a baseball somersault at American League Park yesterday, and Washington did not have to more than half try to win by a score of 8 to 3.

Washington, on the other hand, played a perfect fielding game, the work of Cross being exceptionally good. Clarkson began pitching for the Highlanders, but after the visitors had gained a commanding lead in the fourth inning Leroy was substituted. He did little better.

Kitson pitched a strong game for Washington, and showed that he could bat as well by making a long drive to right field in the fourth inning for a home run, scoring Kittridge before him.

DELAY STATISTIC BUREAU

Board of Aldermen Ask Time to Consider Metz's Resolution.

There was a lively discussion yesterday at the meeting of the Board of Aldermen, when the report of the Finance Committee, recommending an appropriation of \$50,000 to enable Controller Metz to establish a bureau of statistics was made.

Metz said that he didn't care anything about the Bureau of Franchises, but he insisted that he needed the appropriation and that it would mean a big saving to the city in the long run.
