Harry Payne Whitney Wins Two Races at Sheepshead Bay.

There was little entertainment and less comfort at the Sheepshead Bay racetrack yesterday. Spectators reduced the fifth race to a two-horse affair, there were only three starters in the second race, the first event on the programme was a wild scramble by eighteen cheap selling placers, in which jockeys who had never ridden a winner had the mounts, and the sport as a whole was hardly of the \$3 variety which might be expected at Sheepshead Bay.

RACING, BUT NO BETTING.

Bookmakers Not Allowed to Offer Prices at Rockingham Park.

Salem, N. H., June 29.—During the races at Rockingham Park this afternoon, the track officials stopped all betting as the result of representations made by the authorities of Rockingham County.

When the track was opened yesterday a large number of New York bookmakers arrived here, and the Rev. Thomas Chalmers, of Manchester, head of a committee of twelve which has been carrying on an agitation against betting ever since the New England Breeders' Club applied for a charter, made a complaint that gambling was freely conducted during the afternoon.

The Rev. Mr. Chalmers held a conference with the Governor John McLean, and the Governor instructed County Solicitor Batchelder to take the necessary steps to have the law upheld. It was reported to-day that the county authorities served an injunction upon Andrew Miller, of New York, president of the club, but the attorney who represents Mr. Miller denied that such a document had been handed to him.

TRIBUTE FOR ALEX. SMITH WINS HIGH GOLF HONORS.

Makes Open Tournament Record in National Championship.

Lake Forest, Ill., June 29.—Alex Smith, the Nassau Country Club professional, won the open championship of the United States Golf Association to-day, over the links of the Onawentia Golf Club.

He went round to-day in 73, 75-148, which, added to his first day's play of 147, got him a total of 295 for the 72 holes. This lowers the record for the tournament by four strokes. He led his nearest competitor, Willie Smith, the open champion of Mexico, by seven strokes, while Willie Anderson, the title holder last year, had to content with fifth place.

Alex Smith has now won the triple crown of the golfing world. He earned the national title to-day, he won the Western open championship over the Homewood links last week and is the present champion of the Metropolitan Golf Association of New York. He has been a prominent figure in the national open championship before, as he has been the runner-up to Willie Anderson three times.

The conditions today were not favorable for low scoring, particularly in the afternoon, when a blinding rainstorm was a serious handicap to the players. Alex Smith was one of the earliest starters, and did not suffer perhaps as much as some of the others. He finished in a deluge of rain, however, but for all that was able to turn in a score of 75 for the last eighteen holes.

Nothing could better show the versatility of Alex Smith or his ability quickly to adapt his play to changed conditions on a golf course than the weather and course conditions to-day. During the morning the greens were lightning fast, with a strong south wind prevailing. Before the play at the first hole had been completed in the afternoon the storm broke, and the round was played under conditions that tried the skill of the players to the utmost.

Smith took 39 for the first nine holes, a 25 for the last nine, but he had during the tournament, but he played the last nine holes in 36, making the last three holes in 2, 3 and 4.

Willie Anderson, the Mexican open champion, with two rounds to-day of 71 each, took second honors with a total of 142. James Malden, and Lawrence Auchterlonie, of Glenview, tied for third honors, with 85 each.

Willie Anderson, the title holder last year and four times winner of the national open championship, finished fifth. The wet greens were too much for him, and he took 84 strokes, bringing his total up to 267.

Alexander Ross, of Oakley, finished sixth, with 87. J. P. Stewart, of Garden City, finished seventh, with 91. H. Chandler Egan, the amateur champion, and Gilbert Nichols, of Denver, tied for eighth place, with 92.

Egan was deserving of particular credit. He played brilliant golf to-day, and in spite of the handicap of course and weather, made the thirty-six holes in 156, two strokes better than his double bogey score. The other amateurs finished far down the list.

Willie Anderson, who was only two strokes behind Alex Smith at the end of the first thirty-six holes, was a disappointment to his many followers. In justice to him, however, it must be said that he was handicapped by the ill luck of the game. He suffered from the ill luck of the game. He suffered from the ill luck of the game.

The Highlanders, by heavy hitting, managed to defeat Boston for the third consecutive time at American League Park yesterday, after the visitors had taken what seemed a commanding lead in the third inning by batting out four runs.

The Highlanders played a perfect fielding game, and several difficult stops were loudly applauded. The visitors, on the contrary, played a loose game.

In the fourth inning Chase started the batting rally with a single and Conroy followed with a similar hit. Laporte then sent out a triple, which scored Chase and Conroy. On Williams' double, scored Mertes and Dahlen, and on Morgan's high throw crossed the plate.

In the eighth inning the Highlanders did some more heavy hitting, getting in three runs. Chase started it with a single, and advanced on Conroy's safe bunt. Williams made a double, and Chase and Conroy tallied, and on Hoop's wild throw Williams got to second base.

Larned and Clothier Win in the Middle States Tourney.

Play was advanced to the challenge and final rounds of the singles and doubles yesterday in the Middle States championship lawn tennis tournament on the courts of the Orange Lawn Tennis Club, at Mountain Station, N. J.

Larned and the international player, William J. Clothier, of Philadelphia, won the final round of the doubles and the right to challenge Harold H. Hackett and Frederick B. Alexander for the title. Larned and Clothier came through the final by defeating Harry Torrance and Theodore Roosevelt Fell by three sets to one, 6-4, 5-7, 6-2, 6-2. The net play of the losing pair was spirited, but they lacked the steadiness of Larned and Clothier, who are expected to win the championship from the defenders this afternoon.

In the women's singles the national champion, Miss Helen Homans, and Miss Alice L. Day, holder of the New Jersey State title, won their brackets in the final round. Miss Homans defeated Mrs. D. P.
