

You Wouldn't Wear a Fur Coat in Summer?

Yet when you eat greasy meats, and heavy, indigestible foods, you are heating the body as needlessly as if you were wrapped in bearskin.

Meat under best conditions is an unhealthy, unsatisfactory, hot weather food.

Change today to delicious healthful, cooling

EGG-O-SEE

There are many tempting hot-weather ways of serving EGG-O-SEE. Try it with peaches-and-cream, pineapple, berries and other fruits. Costs so little anyone can have it. You never tire of it.

Your dime is yours. Don't accept any substitute for Egg-O-See.

In Canada and Pacific Coast territory the price of Egg-O-See is 15c. two packages for 25c.
