

FOR MILITIA INQUIRY.

Governor, Raines and Wadsworth Name Members of Commission.

Albany, May 6.—Governor Hughes to-day announced his appointments of the three members of the special commission which is to investigate the National Guard and revise the military code of the state.

Senator Raines announced this afternoon the appointment of Senators Saxe, of New York, and Fancher, of Salamanca, both Republicans, and Fuller, of Brooklyn, Democrat, as the Senate members of the commission to investigate the National Guard.

Speaker Wadsworth announced these appointments to-night, to represent the Assembly: Messrs. Wright, of Westchester, and Baldwin, of Onondaga, Republicans; and Todd, of Queens, Democrat.

The commission will meet for organization as soon as practicable, and then determine plans for the real work of investigating. It is thought that most of the work will be done in New York City.

William Cary Sanger was graduated from Harvard in the class of '74 and from the Columbia Law School in 1878. He served as a member of the Assembly from 1885 to 1887, and was lieutenant colonel of the 20th Regiment, New York Volunteers, in the Spanish-American War.

Francis G. Landon was graduated from the John C. Green School of Science of Princeton University in 1881. He enlisted in Company I of the 7th Regiment in 1881, and was appointed first sergeant in 1887.

Colonel Walter S. Schuyler was graduated from West Point in 1866, and was commissioned captain in 1867. He joined the volunteer forces in the Spanish-American War, serving as colonel of the 20th New York Infantry in 1898.

Senator Albert T. Fancher lives in Salamanca, Cattaraugus County, and represented his district in the Assembly from 1889 to 1902, inclusive.

Senator Charles H. Fuller is a lawyer, with offices at No. 346 Broadway, and lives in the Midwood section of Flatbush. He was born in Newark, N. J., in 1859.

Senator Martin Saxe was born in this city thirty-four years ago. He is a graduate of Princeton and the New York Law School.

RELATIONS NOT BROKEN.

Mexico Denies Report of Rupture with Guatemala.

Mexico City, May 6.—Diplomatic relations between Mexico and Guatemala have not been severed. The sub-Secretary of Foreign Affairs, José Alzugar, emphatically denied the report emanating from Washington to the effect that Minister Gamboa had been recalled.

THE DOMINICAN TREATY.

Ratified Without Changes, the State Department Believes.

Washington, May 6.—The State Department is confident that the treaty with Santo Domingo has been duly ratified without change. Minister Dawson advises the department that in ratifying the treaty the Dominican Congress adopted certain "explanations" which will be engraved and a copy sent to the United States.

Francis G. Landon was graduated from the John C. Green School of Science of Princeton University in 1881. He enlisted in Company I of the 7th Regiment in 1881, and was appointed first sergeant in 1887.

CHINATOWN IN MOURNING.

Great Outpouring at Funeral of High On Leong Tonger.

An unusual funeral, attended with strange Oriental rites, was held yesterday in Chinatown. The friends of Mon Hing, who held high office among the On Leong Tongers, gathered to pay their last respects to their honored friend.

Mrs. Mary Dreyer, a well known resident of Princess Bay, Staten Island, was run down and instantly killed by an eastbound passenger train of the Staten Island Rapid Transit Railroad.

HARMONY IN NEW YORK.

Representatives Bennet and Parsons Carry Word to the President.

Washington, May 6.—That the rank and file of the Republican party in New York State are now more united than at any other time in the last ten years, that Governor Hughes will obtain the passage of the public utilities bill in satisfactory form and that the state is in line with the President's policies were the assurances that President Roosevelt heard from New York to-day through Representatives Bennet and Parsons.

"I told the President," said Mr. Bennet, "that the Republican party is in good condition in New York. There is no question about the rank and file being harmonious; it is more united to-day than it has been at any other time in the last ten years.

Probably the most valuable information that the commission has obtained up to this time was secured from the Commissioner of Agriculture at Albany. You know that 34 per cent of the immigration to this country comes from New York State.

Mr. Parsons declined to discuss his mission to the White House, but he said that he had obtained a wrong idea of the situation at Albany; that it is no so serious as he has reported.

SINGERS AT THE WHITE HOUSE.

President and Mrs. Roosevelt Hear Visitors from Vienna.

Washington, May 6.—President and Mrs. Roosevelt and a few friends, including Secretary Loeb, Baron Hengelmueller, the Austrian Ambassador, and the members of the embassy staff, were entertained in the East Room of the White House this afternoon by the Singing Society of Vienna.

DR. MARVIN GOING BACK TO IOWA.

Will Take Son's Body with Him to Former Home—Awaits Inquest's Result.

Dover, Del., May 6.—The state authorities are still at work on the Marvin case and hope soon to be able to declare definitely the cause of the boy's death. Nothing developed to-day to change the prevailing opinion that the child, under the age of his father's farm and met an accidental death on the frozen marsh.

DOCTORS IN COUNCIL.

Tuberculosis Association and Other Bodies Meet in Washington.

Washington, May 6.—Infection from bovine and other germs versus infection through human germs was discussed at length to-day at the meeting of the National Association for the Study and Prevention of Tuberculosis, in its third annual session. The question was not settled and the proposition was mooted of appointing a committee to continue the study of that subject.

The United States is very far behind in respect to the efficiency of its sanitary organizations as compared with those of Great Britain or Germany. Unfortunately, here there is no central authority, and in a majority of the states the state health officials are not appointed by the state.

Dr. Herman M. Biggs, president of the association, said in part: "The United States is very far behind in respect to the efficiency of its sanitary organizations as compared with those of Great Britain or Germany."

The annual meeting of the Association of American Physicians and Surgeons, which is also holding its annual meeting here, Dr. Frank Baker, of Oxford, England, read a paper on "The Evolution of the Idea of Experiment in the Study of Medicine."
