TORTURED TO DEATH.

Woman Killed by "Casting Out Devils" in Zion City.

Chicago, Sept. 20.—Five members of the sect of Parahmites are charged with manslaughter in Zion City for torturing to death Mrs. Letitia Greenhaugh, sixty-four years old, it is said, to show their belief in the religion they profess.

The sect of Parahmites was founded about a year ago by Charles F. Parham and numbered about 200. The members originally belonged to Dowrie's church, and believed in the gift of tongues and especially in diabolical possession of the body by evil spirits.

Walter Greenhaugh said to-day that for some time his mother, who had consented to it, bore the treatment bravely, but at last the agony became so great that she could not restrain herself and exclaimed, "Oh, Lord, help me!" a number of times.

Mrs. Greenhaugh died Wednesday noon, but it was thirty-six hours later that the circumstances under which she died were learned. Chief of Police Walker of Zion City at once ordered an investigation, and the coroner of Lake County was advised.

The husband of Mrs. Greenhaugh is not a Parahmite. According to the story told before the coroner's jury by the younger Greenhaugh, it was necessary to get the elder Greenhaugh out of the way before the exorcism could take place.
