

TOPICS OF THE STREET.

FOREIGN TRADING.—Foreign bonds bought about 2000 shares on balance in this market. American stocks were in general strong and advanced in the course of the day, although transactions were small. Consols were heavy, and the general market was irregular, with some strength in the upper part of the market.

PENNSYLVANIA RAILROAD NOTE REFLECTION.—Kuhn, Loeb & Co. announce that the \$9,000,000 Pennsylvania Railroad 4 1/2 per cent notes maturing on November 1 \$5,000,000 are already in hand, which will leave only \$4,000,000 to be paid for at maturity. Kuhn, Loeb & Co. are well prepared to purchase the notes at par and accrued interest.

LONDON STOCK EXCHANGE LISTINGS.—The London Stock Exchange committee has appointed a special committee to consider the Central Mining Company's \$1,000,000 loan, which is to be secured by the company's assets and is to be quoted in the official list of the State of Sao Paulo \$2,000,000 5 per cent chequer bonds in lieu of scrip now quoted.

AMALGAMATED'S TRANSFER BOOKS REOPENED.—The transfer books of the Amalgamated Copper Company, which closed on October 24, in connection with paying the dividend on November 15, were reopened yesterday morning. Instead of November 15, in order to indicate the transfer of stock, one of the reasons for the reopening of the books at an earlier date than that originally set is that brokerage houses desired to transfer the stock purchased for foreign account, so that it might be shipped to Europe on the first of the week. It is understood that the odd lot buying of Amalgamated shares in the last few weeks has been larger than ever before, and that the books show a heavy increase in the total number of shareholders.

DIVIDEND DECLARED.—The directors of the Silvermaster Company have declared the regular quarterly dividend of 1/2 per cent, payable on November 15. The dividend is in good shape at the present time. Stocks are low, and producers are in such strong condition that, rather than press sales at a loss, they will shut down their plants. There is, however, as yet, nothing to indicate a falling off in consumption as to necessitate a very widespread shutting down.

WILL ANTICIPATE BOND INTEREST.—Readers of C. & O. announce they will to-day pay in advance coupons due November 1 on \$2,222,000 of the New York Central and Hudson River Railroad Company first and refunding mortgage 5 per cent gold bonds.
