

Pabst Extract Jewel Calendar For 1908

This latest creation by Kaber, by far the most exquisite art calendar of the season, is a beautifully colored panel of more than usual interest, portraying the birthstones and their significance for every month of the year. It is 7x36 inches in size, reproduced in seventeen rich colors, and being free from advertising, makes a most desirable decoration for home or office. This calendar is sent on request to every reader as a reminder that

Pabst Extract

The Best Tonic

is exceptionally effective in maintaining perfect health for every member of the family and is a remarkable aid in regaining lost health. It is a liquid food in pre-digested form, containing all the bracing, soothing, toning effects of choicest hops, so combined with the vital, tissue building and digestive elements of pure, rich barley malt, as to form a preparation that nourishes the whole body, restores wasted tissues, invigorates the blood, refreshes the brain and aids digestion.
