REAL MR. LINTZ MEETS IMPERSONATOR.

Still maintaining that he was Charles Lintz, Jr., of No. 21 East 19th street, when Mr. Lintz Jr. confronted him, a man whose real name and address have not been learned was held yesterday in the Harlem police court, before Magistrate Kernehan, in \$50 bail for attempting to vote illegally. He was arrested at the 16th Election District of the 24th Assembly District, No. 186 East 19th street, on primary day.

PUTNAM REPUBLICANS MEET.

Carmel, N. Y., April 4.—John R. Yale was re-nominated for member of the Assembly by the Putnam County Republican convention held here to-day. He was also elected as delegate to the Republican State Convention. Hamilton Fish was indorsed for national delegate and Samuel McMillen for a renomination for Congress in the 21st District.

DELEGATES OPPOSED TO BRYAN.

Schenectady, N. Y., April 4.—The Schenectady County delegates to the Democratic State Convention named to-day are James C. McDonald, E. J. Stanton and Loren H. White; alternates, M. J. Ross, A. T. Blessing and Frank Arthur. Though uninstructed, the delegates are opposed to Bryan.

roll as so far completed only such delegates as seemed to have good prima facie titles. "The Press" table of March 29 shows the election of four surplus delegates. Omitting them and allowing Mr. Taft the eighteen contestees given him in The Tribune's table, the two Kentucky delegates whom it gave Mr. Fairbanks and the eight delegates in Tennessee, where both contestees and contestants have been instructed for Taft, "The Press" total for Taft also reaches 178, and its other totals virtually agree with The Tribune's.

The Tribune credits Taft with eight votes in Florida, because the weight of testimony seems to be in favor of the contention that the Taft delegates were elected by the more regularly organized faction. In Alabama the same situation apparently exists, though it must be admitted that in the Gulf States the conditions under which delegates to Republican national conventions are elected are extremely unsatisfactory. There is no very clear and decisive test of regularity, and it is possible only to follow general indications. In Ohio and Oklahoma, however, there are definite tests of regularity, and all these support the titles of the Taft delegates chosen in these two states. In Tennessee both the Evans-Hale and the Brownlow-Oliver factions have been committed to Taft, and though contests are being made for the seats of the delegates-at-large as well as for seats in several of the Congress districts, in only two districts—the Chattanooga and Memphis ones—are the contestants not pledged to their own. The Chattanooga not pledged to Taft as well as the contestees.

In Virginia the four delegates credited to Taft were specifically instructed for him, the instructions being given in the 3d and 6th district conventions. During the week ending March 29 Taft got two delegates from Kansas, two from Virginia and twelve from Tennessee, the Associated Press dispatches from Tennessee giving him a clear title to ten votes, while only in the 3d, or Chattanooga, District were opposing delegates named without Taft instructions. The Tribune desires merely to present the facts intelligently. It would be loath to distort or color them in favor of any Presidential candidate.—Ed.]

WADSWORTH MEN BOLT.

Split of Niagara County Republicans—Democrats Slap Bryan. Lockport, N. Y., April 4.—The Merritt-Wadsworth delegates to the Niagara County 1st Assembly District Republican convention to-day bolted from the regular convention and organized one of their own. They elected delegates to the state convention.

The fight was precipitated when the Merritt-Wadsworth men wanted to seat five of their own delegates in place of five Porter delegates, who were seated by order of Justice Wheeler, of the Supreme Court. The seating of the Porter delegates gave both the county and Assembly contingents to the Porter men.

ODELL HEADS DISTRICT DELEGATES.

Ex-Governor's Resolution Indorsing Mr. Hughes for Presidency Adopted. Newburg, N. Y., April 4.—The Republican convention of the 1st Assembly District of Orange County was held this afternoon, and the following delegates were chosen to attend the state convention to be held in New York City on Saturday next: Ex-Governor H. Kingston, N. Y., April 4.—Resolutions indorsing Governor Hughes for the Presidency were unanimously passed to-day by the Ulster County Republican convention.

TAFT AT 3 LUNCHEONS.

Discusses Conditions in the Orient at Dinner in the Evening. Chicago, April 4.—Secretary Taft was the guest at luncheon to-day of the Chicago Press Club in the banquet hall of the Auditorium Hotel. There were seven hundred members and guests present. Mr. Taft spoke of the newspaper correspondents at Washington and of his own experience as a reporter, saying that a reporter would learn much by spending two years in the Philippines—that he would see there things which would increase his ability to exaggerate and to cultivate his imagination.

Later in the day Secretary Taft was the guest at a luncheon given by the Irish Fellowship Club at the Great Northern Hotel, and afterward took luncheon with the officers and a few personal friends at the Hamilton Club. After shaking hands with the members of the Hamilton Club and their friends he later held a public reception.

DENIAL BY TAFT MEN.

Organization Here "Spontaneous and Natural," Says Chairman. Louis C. Hay, chairman of the executive committee of the Taft organization of New York State, said yesterday:

REPLY TO GEN. WOODFORD.

Hendrick Says Brookfield Told Him to Use Hughes League Name. Frank Hendrick, who took a leading part in the primary contest in the 26th and 27th Assembly districts, where John Henry Hammond and R. W. B. Brown, respectively, are the leaders, was taken to task by General Stewart L. Woodford, president of the Hughes National League, who asked him by what authority he had issued a circular which was printed in the name of the national league. These letters were used to attack the Parsons men in the primary fights. Mr. Hendrick sent General Woodford a long letter yesterday, in which he said:

THE DELAWARE OUTLOOK

Uninstructed Delegation to Chicago Assured by Primary Victory. [By Telegram to The Tribune.] Wilmington, Del., April 4.—The Republican organization of Delaware, headed by Senators Richardson and Du Pont, won a sweeping victory at the primaries throughout the state to-day for the election of delegates to the state convention at Dover on Tuesday. This will assure an uninstructed delegation to the national convention. It is understood, however, that the six Delaware delegates will support Secretary Taft, probably on the first ballot. The delegates to Chicago will be: New Castle County, Senator Du Pont and Governor Lea; Kent County, Senator Richardson and Insurance Commissioner Burton and Thomas Curry. T. THE PIANOLA Dominates The Entire Market of the World. The Popularity of the Pianola Is Far More Extensive Than That of Even the Best Known Pianos. In Austria, the Boesendorfer claims the largest sale. In Germany, the Bechstein seems most popular; while France undoubtedly prefers the Erard. These pianos differ practically only in their individual character of tone. Because the Erard leads in France, it does not mean that it is better than the others, but simply that a majority of French people prefer the Erard tone. Each of these distinguished pianos occupies a leading position, but in some particular locality only. No one is so distinctly superior to the rest as to be the UNIVERSAL favorite. In marked contrast to this, there is never anywhere the slightest question of the Pianola's supremacy. Abroad as well as in America its leadership is EVERYWHERE recognized. Nothing could more clearly emphasize the distinction between the Pianola and other Piano-players than the fact that OF ALL MUSICAL INSTRUMENTS THE PIANOLA ALONE IS THE FAVORITE OF THE ENTIRE WORLD. There is but one Pianola, made only by the Aeolian Company. To obtain a piano with the genuine Pianola incorporated in it you must purchase either the Weber, the Steck, the Wheelock or the Stuyvesant. Each of these pianos is a standard in its class. The Pianola \$215 and \$300. The Pianola Piano \$500 to \$1,050. Purchasable by moderate monthly payments. The Aeolian Co., 362 FIFTH AVENUE, Near 34th Street, NEW YORK.
