

CHURCH AND RELIGIOUS NEWS AND NOTES
GREENWOOD BAPTISTS TO CELEBRATE GOLDEN JUBILEE TO-MORROW.

Greenwood Baptist Church will begin to-morrow morning, celebrate the golden jubilee of its organization fifty years ago. The church was originally at Fourth avenue and 15th street, Brooklyn, that property being now owned by the Calvary Baptist Church, formerly the Fifteenth Street Church, which was organized by those who did not desire to move to Seventh avenue and 6th street, where the handsome structure of the Greenwood Baptist Church now stands. The Rev. Dr. Robert Bruce Hull, who was the pastor from 1854 to 1906, will preach the historical sermon.

In 1856 the Rev. Henry Bromley, acting as a missionary for the Strong Place Baptist Church, which is the mother church, organized the Greenwood Baptist Mission. The first meeting was held in Mechanics' Hall, at 15th street and Third avenue. Out of this mission the Rev. Horace T. Love, on September 25, 1858, organized the Greenwood Baptist Church. Mr. Love, after a pastorate of one year, resigned, and was succeeded in December, 1859, by the Rev. E. H. Pace, who served until 1864, when he resigned to pastorate in South fields. He is still in active service in that work.

In 1860 a plot of ground was bought at Fourth avenue and 15th street. This was subsequently added to, and in April, 1863, the chapel was built and dedicated. The original building, erected during Mr. Pace's pastorate, is still standing. Following the service of the pastor, the Rev. A. S. Jones, the present site in June, 1866. Ground was broken July 8, 1866, the cornerstone laid October 20 of the same year, and the church dedicated Sunday, November 17, 1867.

In December, 1884, the Rev. Robert Bruce Hull began his service in Greenwood Baptist Church, which continued until January 1, 1896, when he was succeeded by the Rev. Joel Byron Slocum. In November, 1896, the subject of church removal was considered officially, which resulted in the purchase of the present site in June, 1896. Ground was broken July 8, 1896, the cornerstone laid October 20 of the same year, and the church dedicated Sunday, November 17, 1897.

TO CO-ORDINATE LAYMEN.
Bishop Greer Makes Important Initial Move.

The first far-reaching act by Bishop Greer, after becoming the head of the New York diocese, is the co-ordination of Episcopal laymen's organizations. Upon the Bishop's invitation three met at his house on Thanksgiving day, representatives of the Church Club, the Federations of Parish Clubs of Staten Island and Manhattan, the Church Club of the Bronx, the Brotherhood of St. Andrew and the Seabury Society. The Bishop explained to these representatives that laymen of New York, in the Episcopal Church at least, are unorganized, and at present incapable of concerted action. He said he had other aims to do, and when he has a common task to be performed to stand ready to perform it.

The laymen present agreed fully with the Bishop's estimate of present conditions, and expressed themselves ready to follow in whatever way he would lead. It was pointed out that thousands of laymen in the parishes do not know any of these organizations, and were taken to get into touch with them. It was decided to hold in Synod Hall, at the cathedral on Monday evening, November 16, a memorial meeting for Bishop Potter, at which all of the speakers will be laymen of the diocese. The meeting will be, however, more than a memorial one. It will signalize the new activity of the laymen of the diocese. On November 22, there will be a celebration of the Holy Communion in the crypt of the cathedral. This has heretofore been for the Brotherhood of St. Andrew, but this year it is for the men of New York. Bishop Greer will be the celebrant. On November 23, the beginning of the Week of Prayer, and during that week every Father Huntingdon, known to everybody, will speak each night in Trinity Church, Broadway and 71st street, and each day at noon in Trinity Church, Broadway and Wall street.

Bishop Greer announced after the meeting just held that the men agreeing to his plans, a central committee will be named, composed of about twenty laymen, and in a sense forming his lay cabinet.

GENERAL ITEMS OF THE WEEK.

At the Fourth Presbyterian Church in the evening the choir will sing the cantata, "Sweet Time and Harvest," and the subject of Dr. Work's sermon will be "The First Stonographer." The Young People's Society, reorganized for definite work, will meet at 7 p. m., and a movement for the organization of a men's society to be affiliated with the National Presbyterian Brotherhood is making a splendid beginning in this church.

At the Church of the Holy Communion to-morrow, which is also the All Saints' festival, there will be a service at 11 a. m., commemorative of Bishop Potter. The thirty-fifth anniversary of the Workmen's Club will be held on the night of Sunday, December 6, when the annual reports of the treasurer, financial and recording secretaries will be read, and in place of the sermon, an address will be delivered by President Finley of the College of the City of New York. The Rev. Dr. W. W. Smith, secretary of the Sunday School Commission, now meets every Thursday night a class for the training of Sunday school teachers. Under his

guidance the Sunday school of this parish is being conducted and it will be conducted along the lines of a well organized public school.

At the Church of the Incarnation, Madison Avenue and 8th street, to-morrow at 11 a. m. the Rev. Dr. Grosvenor will preach a sermon on a memorial of Bishop Potter. At 4 p. m. the first special musical service of this season will be held, and Toner's cantata, "Two Harvests," will be rendered by choir and soloists and orchestral instruments.

The National Bible Institute's series of Sunday afternoon evangelistic meetings will be continued to-morrow at 3 p. m. at the World Monument, 21st street and Fifth avenue. The address will be given by J. A. Richards, and the singing will be led by the Rev. David Hughes and Lester Razy, cornetist.

The Rev. Dr. J. Willbur Chapman and C. M. Alexander will conduct the opening evangelistic rally in the winter series at the Fifth Avenue Presbyterian Church to-morrow evening. Similar campaigns are being planned for Boston and Chicago, and in the spring Dr. Chapman and Mr. Alexander sail for an "around the world mission."

At the Church of the Ascension to-morrow the Rev. Dickinson S. Miller, professor of philosophy at Columbia University, will preach.

At the West End Collegiate Church to-morrow morning the Rev. A. Livingstone Warnshuis, of Amoy, China, will preach. At 8 p. m. a meeting will be held in the interest of the Arabian mission, at which addresses will be made by Dr. S. G. Zwenke, Dr. J. P. Fenwick and Dr. Thyra H. Joselyn. At 3 o'clock in the afternoon the cornerstone of the new church building now being erected by the Collegiate Church Corporation on its property at 181st street and Fort Washington avenue will be placed in position with appropriate ceremonies. The Rev. Dr. Edward B. Coe, senior minister of the Collegiate Church, will preside. The Rev. H. E. Cobb and the Rev. T. McBride Nichols will speak. The Rev. A. F. Parker, formerly in charge of the work, will also take part. The phenomenal growth of the population in that part of the city encourages the belief that an independent, self-supporting congregation can soon be established. The West End Collegiate Church has started this work nearly two years ago, and has assumed responsibility for the support of the new church enterprise so far as is necessary.

The men's meeting to discuss "Power of Mind" last week was so successful that the Rev. J. Herman Randall, pastor of Mount Morris Baptist Church, has been asked to give a second talk at the men's meeting of the West Side Young Men's Association, to be held at 7 p. m. in the auditorium, No. 329 West 57th street. Dr. Randall's topic will be "Where a Man Really Lives."

The Rev. Allan MacRossie, pastor of the St. James Methodist Episcopal Church, Madison Avenue and 126th street, is preaching a series of sermons on the cities of Paul. To-morrow evening his subject will be "Philippi, the City of the Saints."

At the Collegiate Church of St. Nicholas a memorial service, commemorative of the life and work of Dr. Mackay, will be held on Sunday evening next, November 8, at 8 o'clock.

The new series of evening sermons at the Brick Church are increasingly popular. "The Non-Combatants" is the subject on which Mr. Davis will speak to-morrow evening. Miss Frances Caspard will sing "Hear Ye, Israel," from Mendelssohn's Oratorio "Elijah," and the chorus choir, under the direction of Dion Kennedy will render Jadasohn's "God be Merciful unto us."

The sermon at high mass at the Cathedral to-morrow will be delivered by Archbishop Farley, this being his first address to the people since his return from Rome. The vespers of the dead will be sung in the afternoon, immediately following the vespers of the day. The winter course of vespers conferences will begin on Sunday, November 8.

At the Church of the Messiah to-morrow the minister, the Rev. John Hayes Holmes, will preach at 11 a. m. on "Unitarianism as an American Religion." In this sermon Mr. Holmes will discuss Unitarianism as the typical expression of

COAL RAILROADS ACCUSED.
Cortland Man Charges Discrimination to Keep Prices High.

Washington, Oct. 30.—Charges against the railroads carrying coal from Pennsylvania into the State of New York are made in a petition filed with the Interstate Commerce Commission to-day by the Interstate Coal Association of Cortland, N. Y., against the Delaware, Lackawanna & Western Railroad Company.

The complaint alleges "that throughout the State of New York the wholesaling or anthracite coal is regulated by railroad companies engaged in transporting coal from the State of Pennsylvania into the State of New York, and the traffic thereon of the Interstate Coal Association, to the prejudice of competition and to maintain the selling price of said coal at a higher rate than such price would be but for such regulations."

The commission is urged to order the discontinuance of the regulations referred to and to prevent discrimination against the complainant.

WINTER IN ROME.
The time is near when many Americans who annually visit Rome start for the Eternal City. Formerly it was the custom to hire apartments, where much inconvenience had to be put up with, but now all this is changed, as pleasant rooms may be had at the Grand Hotel, in the highest and healthiest part of Rome, at less expense and with the enjoyment of every modern convenience and luxury. The Grand is the social and diplomatic headquarters in Rome during the winter. Mr. Dreyfus, the manager for many years, appreciates the needs of Americans, and sees that they have them. During the summer season the Grand has had many luxurious little details added for the comfort of visitors.
