FOULMARS RELAY RACE

NEW YORK A. C. TEAM DISQUALIFIED.

Shaw Equals Record in Hurdle Handicap—Bonhag Wins at Five Miles.

A disqualification marred an otherwise brilliant and sensational struggle at the annual indoor games of the New York Athletic Club in Madison Square Garden last night. The incident occurred at the end of the one-mile intercity relay race between teams representing the Boston Athletic Association and the New York Athletic Club.

The New York quartet won by the width of a hand in a stirring finish that looked like a dead heat to the majority of those present. Nelson, who ran the last relay for Boston, lodged a claim of foul against McEntee for crowding on one of the turns, and James E. Sullivan, the referee, allowed it and gave the Boston team the lead.

Both organizations selected their picked four, and to start the race Hillman raced the first quarter so fast that he opened up a gap of ten yards between himself and Proust, the Boston runner.

In the next relay Young took up the running in such a determined manner for the visiting delegation that by the time the quarter was finished he had reduced Haywood's advantage to a yard. Lee ran for Boston in the third relay against Sedey, and in the final fifty yards the former beat the New Yorker to the tape by two yards.

This enabled Nelson, the Boston flyer, to begin the last quarter a yard ahead of McEntee, who carried the pages of the local contingent. Nelson apparently unflinchingly allowed McEntee to sprint into the lead, but the Bostonian quickly regained his advantage, and then a great struggle ensued. In passing Nelson for the second time the New Yorker crowded his man so badly that he gained three yards, and some in the crowd hissed. Nelson made a determined and plucky effort to regain the lost ground by a brilliant sprint, but just as he was closing the race he was overtaken by a prettier or closer finish had rarely if ever been seen.

George V. Bonhag once again demonstrated that as a distance runner he is in a class by himself among the amateurs by setting a new American record for five miles. Eleven of the twelve entrants took the scratch, the only absentee being J. E. Beard, of New York.

Most prominent besides Bonhag were Tom Collins, another Irish-American runner, Fred Bellars and W. Bailey, of the New York Athletic Club, and James Lee, unattached.

Only in the early stages of the race was Bonhag in the lead. He took the lead in the second mile, and while Bellars headed him in the mile in 4:12.5, he soon took command again. The race quickly developed into a struggle between Bonhag, Collins and Bellars, as all the others except Lee dropped out at various points up to three miles. Bonhag was timed in 24:00 for two miles and 14:33.15 for three, and led Collins by twenty seconds at the end of the first mile. Bonhag was in the lead in 4:12.5, he soon took command again. The race quickly developed into a struggle between Bonhag, Collins and Bellars, as all the others except Lee dropped out at various points up to three miles. Bonhag was timed in 24:00 for two miles and 14:33.15 for three, and led Collins by twenty seconds at the end of the first mile.

In the fifth mile Collins, who had been following the fast pace closely, got a stitch in his side and stopped, and this left Bonhag to go on and win as he pleased. He finished the race in 24:00, a new American record, the old mark of 23:52.5 was held by Collins. Bonhag ran the distance at Troy in 24:38.1, but this has not been officially accepted.

A. E. Shaw, the national hurdle champion, equalled the world's record for seventy yards in the first heat, covering the distance in 3:15 seconds and the final heat, however, M. Wright, one of Princeton's coming champions, with a 12-foot allowance, won in 3 seconds flat. Shaw was second, scarcely six inches behind the winner, so that his time was easily inside the record.

Princeton sprang the surprise of the night by furnishing an excellent third and fourth heat. Incidentally, Copeland, the trainer, came in for hearty congratulations. The first credited to Old Nassau were in the 70-yard handicap, hurdle, 30 yards, 880 yards and one mile.

R. Spitzer, of Yale, ran a well judged race in the 100-yard invitation and easily beat J. Bromfiel, of the Irish-American Athletic Club, by twenty yards. The first heat was won by Spitzer, but he was outwitted and quit several laps from home.

The military relay race at a mile brought out only two entrants, the 23d Regiment and the 12th Coast Artillery. It proved an easy victory for the former, but the men never let up, as they wanted a record. The time, however, was 17:00, a new American record, the old mark of 16:50 was held by the 12th Coast Artillery.

The 200-yard relay race attracted a strong field, including Robert Cloughen, champion at the distance, and a delegation of promising collegians. Cloughen, the scratch man, started in the third heat, which was won by C. W. Hielstein, an unattached runner, with a seven-foot allowance. Cloughen got second, which entitled him to start in the first semi-final heat, but he failed.

In the final heat W. L. Dawson, a Princeton entrant, who had an allowance of ten feet, won by inches after a hard struggle with F. S. Geary, of Fordham.

A muscular delegation appeared for the shot-put. W. W. Coe, of the Boston Athletic Association, had the scratch mark, but he failed to show. R. Lawrence, of the Leale School, hurled the 8-pound shot 42 feet 6 inches, and won the world's record in a handicap of 9 feet, made him an easy winner. Lawrence's effort was one of the best since Ralph Rose established the world's record of 67 feet 7 inches.

W. L. McGea, a promising distance runner from Princeton, showed both speed and stamina in the one-mile handicap. In the absence of W. Paul, of the University of Pennsylvania, the scratch man was J. E. Ballard, of Boston, with a 15-yard allowance. W. Berker, of the New York Athletic Club, had 60 yards.

In the early stages of the race W. S. Nolis, of the Mohawk Athletic Club, with a 55-yard start, ran out in front and led for several laps. When the distance was about half run he was overtaken in fifth place and a lap further on he took the lead, with Nolis second. McGea then came through with a rush, and in a sprint that would not be denied easily beat Berker to the tape by 20 yards. The time, 4:13.15, was fast.

A typical New York Athletic Club crowd turned out for the hundreds of handsomely colored women in the boxes and arena seats lending color to the scene. Many of the women carried flags emblematic of the Wined Foot organization, and they waved their colors whenever opportunity presented itself. The Garden was not packed to overflowing, as was the case for the Belmont-Hays Marathon on Monday, but there were few, if any empty seats, and the crowd was estimated at eight thousand persons.

Half-mile grammar school relay race—First heat won by Public School 6, Manhattan; Public School 106, Brooklyn, second; Public School 2, Manhattan, third. Time, 1:49.9.

One-mile military relay race—Won by 25d Regiment (Robbins, Hayward, Bacon and Sedley); 12th Coast Artillery (McNally, Holler, Hillman and Rosenberger), second. Time, 3:26.

Putting eighth-pound shot (handicap)—Won by R. Lawrence, Leale School (10 feet), second, with actual shot of 37 lb. 7 1/2 lb.; Little, Harvard (6 feet), third, with actual shot of 30 lb. 10 lb.
