FOUR ADDED TO LIST.

Midsummer Heat Sends Crowds to Country and Shore.

The lure of forest, stream and shore sent thousands of tired workers out of the city yesterday, when a warm, moist atmosphere, nearly as oppressive as in midsummer, filled the streets and made comfort at home impossible.

All through the wooded parts of the city's environs, in Long Island, Westchester, New Jersey and Staten Island, many picnic parties and tramping parties were seen.

In spite of the fact that the water near this city on Friday and Saturday was increased by the addition of several more.

William Murray, of No. 425 West 27th street, while working on a pier at the foot of West 61st street, was overcome by heat and toppled down at the edge of the pier.

Dr. Ramsey ended the discussion by saying in reply to a reference made to Governor Hughes as the "ideal new politician in whom lies the hope of the day."

"Governor Hughes skinned the osteopath bill and this will allow those charlatans to continue their practices to the peril of the common good."

BLAMES GOVERNOR FORT.

Physician Criticizes His Attitude Toward Medical Profession.

"The Physician in Politics" was the topic discussed by the Medico-Surgical Society of New York at a dinner last night at the Hotel Manhattan. Dr. W. E. Ramsey, ex-Assemblyman of Perth Amboy, N. J., read a paper, and several physicians commented on it.

Dr. E. Passmore Berens, president of the society, presided, and among the officers present were Dr. J. Arthur Booth, the treasurer, and Dr. L. F. Bishop, the secretary. Covers were laid for sixty-eight.

Among those present were Judge T. B. Booraem, a visitor from New Brunswick, N. J.; Sidney S. Grober, Charles E. Atwood, John L. Adams and Richard J. Bang.

Dr. Ramsey's paper generally defended the physician in politics, and urged the importance of greater concern and activity on his part in political questions, saying that political activity did not imperil medical dignity.

Had the medical men of New Jersey worked more before election—if they had taken a more active part in the campaign—the Governor would not have been elected, he said.

Dr. Ramsey ended the discussion by saying in reply to a reference made to Governor Hughes as the "ideal new politician in whom lies the hope of the day."

"Governor Hughes skinned the osteopath bill and this will allow those charlatans to continue their practices to the peril of the common good."

TRAVIS ON HIS GAME

WEAK STAND BY LARD.

Mr. Taft and Distinguished Gallery See Golf Match.

Washington, May 15.—With President Taft and Vice-President Sherman forming the centre of a distinguished gallery, Walter J. Travis, of Garden City, former amateur golf champion of the United States and Great Britain, defeated Allan Lard, of Chevy Chase, here today in the final round for the first prize of the spring open golf tournament of the Chevy Chase Club.

The President and his party were in the clubhouse at 11 o'clock, and the match was on at the twenty-third hole by a score of 14 up and 13 to play. The bye holes were played out, and at the end of the thirty-six holes Travis was 19 up.

When Travis started out on the second round, after luncheon, it was with the ambition of breaking the record of the present course, which he and T. M. Sherman established on the first day of the tournament. The record was 73, and during the morning round Travis had equalled it. Luck was against the champion, for by rimming four holes in the afternoon his score was 74.

Throughout the round the driving of Lard was almost equal to that of the ex-champion, but Travis far outclassed him on the greens. Time and time again President Taft led the applause when Travis made extraordinary puts. The President mixed democratically with the big gallery, not allowing the oppressive heat on the course to prevent his witnessing the play on a single green.

After his victory Travis went over the course again, in the effort to beat the record. President Taft and Vice-President Sherman accompanied him, and closely watched some of the "fine" points of the game. The President expressed himself as exceedingly pleased with the style of play of Mr. Travis.

After it was all over the President, Vice-President, Travis, Assistant Secretary of War Oliver, Generals Barry and Edwards and Captain Butts spent an hour on the clubhouse lawn, the President returning to the White House about 7 o'clock.

MARSHALL LOSES AGAIN. Capablanca Wins Thirteenth Game of the Series.

José R. Capablanca won the thirteenth game of the chess match of eight games up against Frank J. Marshall at the Manhattan Chess Club yesterday, and thus increased his lead over his adversary by one point, the score now being: Capablanca, 7; Marshall, 1; drawn, 5.

Marshall again opened with the Queen's Gambit, which was duly declined by the Cuban expert, and the game proceeded on somewhat similar lines to the game shown in previous ones when this opening was tried by Marshall.

Bad judgment on the part of the latter allowed Capablanca to win the exchange at his twenty-first move, or, as Capablanca put it, he overlooked a combination four moves deep.

Capablanca made things simple by forcing the exchange of pieces and pawns, and after forty-nine moves Marshall resigned.

The fourteenth game is scheduled to be played at the Rice Chess Club this afternoon.

DARTMOUTH WINS FROM WILLIAMS. Hanover, N. H., May 15.—Dartmouth easily defeated Williams in the annual dual track meet on Alumni Field today, scoring 39 points to 27 for the Purple. The Dartmouth men showed far better form than in the meet with Harvard a week ago.

Two Dartmouth records were broken. E. R. Palmer, of Paduch, Ky., after winning the high jump at 5 feet 10 inches, cleared the bar at 6 feet inside his three allotted tries, thereby breaking his own record of 5 feet 11 1/2 inches.

BUSY ON THE COURTS. AGAINST TEAM CHEERING. Dr. Rosenbaum Beaten in First Open Tourney of Season. Straight set matches were the order yesterday in the opening rounds of the first tournament of the season under the sanction of the national association on the courts of the Harlem Lawn Tennis Club, 111st street and Seventh avenue. Frederick C. Baggs, of the West Side club, furnished a surprise by defeating Dr. William Rosenbaum in two sets, 6-3, 6-4. Baggs possessed a whipping forehand stroke, with which he sent the ball at top speed across the net. Then he chopped the ball so that at all times the bounds were uncertain. Dr. Rosenbaum appeared unable either to gauge the drives, so that Baggs in both sets had things rather his own way.
