

RECORD FOR FLANAGAN

SETS NEW MARK WITH HAMMER AGAIN.

Irish Club's Giant Replaces Figures He Established a Week Ago in Travers Island Games.

With ten thousand men and women crowding the grounds at Travers Island yesterday, John J. Flanagan broke the world's record for the hammer throw for the second time within a week at the eighty-second semi-annual games of the New York Athletic Club.

The proverbial luck of the Winged Foot club, as far as weather is concerned, prevailed again yesterday, and the island never looked prettier, with everything made fresh by the rains of the week.

George F. Scannell, jr., the De La Salle sprinter, was a star performer, winning both the sprints, with good fields against him. His work was of material help to the New York Athletic Club team, which led the Irish-American Athletic Club in the hunt for points by a score of 54 to 26.

Flanagan, in another trial with the hammer, sent it a distance of over 182 feet, but his foot was half an inch over the line and the throw was void.

Martin J. Sheridan, the discus champion, made a brave effort to improve his mark in this event, but could only get a throw of 155 feet 3 1/2 inches, which got him second place.

Only three teams faced the starter in the one-mile relay, open to colleges and clubs, the New York Athletic Club having first and second teams to meet the Irish-American Athletic Club.

R. T. Edwards, of the first New York team, led the runners on the first relay, followed by Zink, of the second team, and Archer, Sheppard, was in poor condition for his relay and lost several yards.

The half-mile handicap brought out a big field, with Harry Giesing on scratch and R. A. Spitzer, of Yale, with a five-yard handicap.

The one-hundred-yard dash (handicap)—Final heat won by G. F. Scannell, jr., New York A. C. (18 1/2 yards), first; J. J. McSwaney, Irish-American A. C. (7 yards), third; Time, 6:10.

One-hundred-and-twenty-yard high hurdle (handicap)—Final heat won by George F. Scannell, jr., New York A. C. (14 yards), first; J. J. McSwaney, Irish-American A. C. (14 yards), second; Time, 4:12 1/2.

Two-hundred-and-twenty-yard dash (handicap)—Final heat won by George F. Scannell, jr., New York A. C. (14 yards), first; J. J. McSwaney, Irish-American A. C. (14 yards), second; Time, 6:22 1/2.

One-mile walk (handicap)—Won by W. J. Kramer, A. C. (14 yards), first; Time, 17:50 1/2.

Five-mile run (handicap)—Won by W. J. Kramer, A. C. (14 yards), first; Time, 33:10 1/2.

Two of the younger generation of lawn tennis experts, Karl H. Behr, the internationalist, and Edwin P. Larned, gained the final round of the cup singles yesterday on the courts of the Englewood Field Club. Plainfield Horse Show Ends with Championship Awards.

The horse show which closed yesterday at Plainfield with the judging of the champion classes was one of the most successful ever held at the pretty show grounds of the Riding and Driving Club.

The champion saddle class was divided into two competitions for horses under and over 15 1/2 hands. Miss Ami won the first division, which was the smaller horses, and Rufus L. Patterson's Durham, which gave one of the best performances of his career, gave the winner a good run and finally took the reserve ribbon.
