## STAMFORD NEW YORK "Queen of the Catskills"

Stamford, the "Queen of the Catskills," is situated in the heart of the wild and beautiful Catskill region. Its dry mountain air, at an elevation of 1,500 feet, is the most beneficial change possible for those accustomed to the moisture-laden atmosphere of cities near the Atlantic Coast. FOGS AND MALARIA ARE ABSOLUTELY UNKNOWN. Its water supply comes from sparkling crystal springs at the top of Mt. Jefferson. Recreations include golf, baseball, fishing, boating, tennis, beautiful mountain drives, bowling, ascent of Mt. Usazantha, 2,500 feet; enchanting walks and climbs over mountain and valley. Stamford is equipped with the most modern conveniences, including complete electric, sewerage and water systems. It also possesses excellent stores of all kinds and five churches—Presbyterian, Methodist, Baptist, Episcopal and Catholic. Its hotels and boarding houses are equal to those found at the largest summer resorts in America. Stamford is only 5 hours from New York, via the West Shore and Ulster & Delaware R. R., or can be reached by a delightful sail up the Hudson by Day Line to Kingston Point, thence by the
