

COLUMBIA DEFEATS YALE

Scores Seven Goals to Four for Blue in Fast Hockey Game.

SECOND PLACE AT STAKE

Bates Shoots Puck Home Three Times and Plays Brilliant, Dashing Game.

Columbia won second place in the intercollegiate hockey league by defeating Yale 7 goals to 4 at the St. Nicholas rink last night. This gives the local seven a standing of three games won and one lost, while Yale is back in the rack with one game won and two defeats.

More consistent team work on Columbia's part made itself manifest in the game as the puck was handled with individual speed, and Whitlock proving a great pair of wings, while Bates at cover was almost a team in himself.

On the other side, Howe at point displayed as much skill as when directing the Yale football team at quarterback. Cox made a fast though a trifle too aggressive cover, and in the second half had to submit to two penalties. There was considerable tripping by both sides, but William Lacken, of the Wanderers, who was refereed, allowed a good deal to go unnoticed.

Yale won the face-off, and in three of the first four minutes of the game, the Columbia side took the rubber and shot it past the net for the first goal, the time being fifteen seconds.

That seemed to arouse the local seven, which put on so much speed for a time that Yale had to hustle to keep the puck out of its own net. Suddenly Whitlock brought off an unexpected side shot that went past Carhart like a flash. This was the first time it had been put up to the sturdy goal keeper. The time was 4:36.

As the game advanced the pace became faster, first one side and then the other, the passing to have the puck in Columbia's side work improved with each minute, and the passing also became more accurate. Carhart was made to block frequently thereafter, and for a while he managed to successfully defend his cage. After a trifle more than six minutes Cox scored Yale's second goal from a scrimmage.

Some of the best team work seen among college sevens was then produced by Columbia. Bates and Whitlock got the puck a few yards in front of their own net and then executed a rare exhibition of passing between the wings, the pair of which resulted in the rubber right through the opening net and Bates scored the goal, the time being 12:12.

Much of the same speedy work on the part of Lovejoy and Shiland accounted for Columbia's second goal. Lovejoy took the puck on a pass from Shiland and scored easily. Shortly after that Knowles was substituted for McCreery.

Both sides played fast hockey from that time to the end of the game, and only one other goal was scored. Howe after 14 minutes of play. The first half ended with the score 3 to 2.

To start the second half Columbia turned the tables on the Blue, for it only required twenty-one seconds for Bates, on a pass from Shiland, to shoot a goal.

Shortly after this Cox, the Yale center, who had been inclined to rough it all through the game, was thrown heavily. Besides having his knee hurt, Howe received a blow in the mouth, but he resumed play after a few minutes lay-off for repairs.

SPEED COUNTS ON COURTS

National Indoor Lawn Tennis Tourney Opens at Hot Pace.

ONE REVERSAL NOTICED

Frank Watrous, of Yale, Defeats William Rosenbaum in Spirited Match.

Speed was the paramount factor in determining the outcome of the opening matches in the thirteenth annual national indoor lawn tennis championship tournament yesterday, on the courts of the 7th Regiment Army, 66th street and Park avenue. With two exceptions, the competitors went in straight sets, and there was only one outcome that savored of a close finish.

In the match in which Frank M. Watrous, the Yale player, who has been tournament campaigning along with Reuben A. Holden, the intercollegiate champion for several seasons, defeated Dr. William Rosenbaum by the score of 7-5, 6-2. This was easily the premier contest of the day, in which the field of sixty-four aspirants for the honors participated.

The three-set contest was those in which Louis Tietzel, of Columbia, defeated Cory M. Amerman, of the Woodmere Country Club, at 4-6, 3-6, 6-4. Only in the first set was Amerman successful in making his drives find the mark. Once Tietzel got up speed the end came quickly, for he was steeper and more versatile than his opponent. Valentine Treat, of the 7th Regiment, won the other three-set battle by scoring at 10-8, 6-2, 6-3, over A. E. Peterson. The latter shot his bolt in the first set, during which his rallies were splendidly fought.

Dr. Rosenbaum and the gallery that assembled a tremendous and stimulating surprise. He fairly snapped his place shots over the net, hitting the ball cleanly and freely and following the strokes through, so that his aim was perfect, after the manner of William A. Larned, the national champion. The footing of Watrous was also superior to that of the doctor, who carried more bulk and weight. The Yale man nipped the best shots that Dr. Rosenbaum attempted to hit, and when the latter attempted the net, Watrous was ready with swift "cross-court" passes. In the second set Dr. Rosenbaum braced and ran to a lead of 5-3 on games. He had the set nearly won when he flubbed two high lobs in succession, and Watrous made the most of it so as to pull out the set and match.

Another of the Yale players suffered a startling setback at the hands of Abraham Bassford, Jr., the former Cornell University player, in the competition in which Dr. Rosenbaum was defeated by a love score. Bassford, always a hard hitter, with certainty of direction and length, was exhibiting one of his best days. He sent the ball over for slick shots to the corners, and Peaslee was never quite successful in gauging the glancing bounces.

Among the other winners were G. A. L. Dionne, of the West Side Club, who captured the Woodmere Cup last season, Walter Merrill Hall, the ranking player, and A. H. Man, Jr., of the 7th Regiment. The national indoor championship singles (first round) were played at the 7th Regiment Army, 66th street and Park avenue, at 10 o'clock.

PRINCETON FIVE VICTOR

Defeats City College Five in Listless Basketball Game.

Princeton, N. J., Feb. 10.—In a listless basketball game the Tigers defeated the City of the City of New York five tonight by a score of 29 to 22. A new set of glass backstops for the baskets were used for the first time. This seemed to bewilder both teams.

BOXING IN MANY RINGS

Knockouts Plentiful, Too, and No End of Action.

Outlasting his rugged opponent in all departments, Young Hickley, the lightweight from the upper East Side, the light-welter in ten fast rounds at the Olympic Athletic Club of Harlem, last night. There was not a round in which Brown had the better of the boxing, although on several occasions he boxed at top speed and held his man practically on even terms.

"Young" Fitzsimmons, a young and powerful featherweight, knocked out "Big" Mackey, the old "Cleveland Cyclone," in his day one of the greatest men in the featherweight division, in the fourth round at the Palmont Athletic Club last night. Mackey fought with all the old-time courage that carried him to many a victory, but the snap was gone.

RECORDS GO BY BOARD

Lawrence Sets New World's Indoor Mark for High Jump.

BONHAG WINS DISTANCE RUN

John Paul Jones Races to Victory at One Mile in Most Impressive Way.

Boston, Feb. 10.—A new world's indoor record for a running high jump by S. C. Lawrence, of the Boston Athletic Association—who leaped 6 feet 4 1/2 inches—and the equalling of several track records were features of the twenty-third annual indoor track and field games to-night of the Boston Athletic Association. The leading college and club athletes of the East participated.

The local classic, the Hunter Mile, was won by Oscar Hedlund, of the Boston Athletic Association, running unopposed, from last year's winner, Ed R. Kiviat, of the Irish-American Athletic Club, in new record figures for the race and for the track of 4 minutes 23-5/8 seconds. Hedlund was never in danger.

George V. Bonhag, the Irish-American Athletic Club's great middle distance champion, romped away with the three-mile run from a good field in new track records of 15 minutes 3-5/8 seconds. Bonhag lapped his field at the half-way mark and had another half lap at the finish.

The record for a relay race of 1,500 yards, four men running, was equaled by the Boston Athletic Association team in the annual contest with the New York Athletic Club quartet, the last man of the team finishing twenty yards ahead in 3 minutes 5-1/8 seconds. Another Boston A. A. team won in hollow fashion from a Montreal A. A. quartet.

Harvard runners won three relay races during the night—the main event of 930 feet, from Yale, in 7 minutes 14-5/8 seconds; one of 1,500 yards, from Princeton, in 3 minutes 10-5/8 seconds, and a freshman race with Yale at the same distance.

"Sam" Lawrence's world's record leap in the high jump was brought with him into fame as a schoolboy, J. O. Johnstone, of Worcester Academy, who, in winning second place with a mark of 6 feet 2 1/2 inches, without handicap, jumped higher than any schoolboy had ever been given credit for. The mark, however, cannot stand as an intercollegiate record. Lawrence's record disperses that of M. F. Sweeney, of 6 feet 3/4 inches, which has stood for more than a dozen years.

John Paul Jones, of Cornell, the world's champion amateur mile runner, running from scratch in the mile handicap event, won first place in 4 minutes 20-5/8 seconds. He was not forced to exert himself greatly.

Forty-yard dash—Won by Alvah T. Meyer, Irish-American A. C., in 5-1/8 seconds. Boston A. A. second, J. J. Smith, Pastime A. C., in 5-3/8 seconds. Time, 5:04.5.

Relay race—University of Vermont defeated University of New Hampshire. Relay race—Massachusetts Agricultural College defeated Worcester Polytechnic Institute. Time, 3:25.1-5.

Amateur Billiard Croton Goes to Morris Brotan

Brooklyn Player Beats Joseph Mayer and Captures the Championship.

Final Standing of Billiard Players

Table with 4 columns: Name, Won, Lost, Average. Lists players like M. D. Brown, J. F. Poggenburg, P. Collins, J. Mayer, C. F. Conklin, W. E. Offenheimer, and Dr. W. G. Douglas with their respective records.

Morris D. Brown, of the Hamilton Club of Brooklyn, won the national amateur Class A 182 ballline billiard championship for a time played against the runner-up to Edward W. Gardner. Brown captured the amateur billiard crown in the final match of the eleventh annual tournament held at the Hanover Club, Brooklyn, by defeating Joseph Mayer, the Philadelphia champion, by a score of 40 points to 38.

Strangely enough, the new holder of the title was reluctant about entering the tournament, in which he finished with the low of only one game. He also took the high run prize with 82.

The average for the final match was considerably lowered by the fact that Mayer for a time played baffling safety. Brown finally figured with 91-45 and high runs of 72, 61 and 42, while Mayer's average was 37-45 and his best runs 52, 6 and 33.

NEWS FOR THE GOLFERS

Progress Made in Assigning Dates for Tourneys.

Although the year is young and the competitive golf season still several months off, much progress has been made in the assigning of dates for tournaments and the arranging of courses for them. Nearly a dozen of the United States Golf Association, at its annual meeting in Philadelphia, voted the national amateur championship tournament to the Chicago Golf Club, the open to the Buffalo Country Club and the women's to the Essex Country Club at Manchester, Mass. The dates for these, determined later at an executive session, call for the amateur from July 25 to August 2, the open on June 27 and 28 and the women's from September 20 to October 2.

From a local point of view the big attraction will be the amateur championship of the Metropolitan Golf Association, recently awarded to Baltusport, from May 22 to 25, while the Metropolitan Golf Association open, at Apawamis, July 19 and 21. It will be certain to attract the "pros" from far and near, as there are no territorial restrictions. While on the subject of the championships, it is well to mention the annual gathering of the Women's Metropolitan Golf Association, which, as usual, will be held at the Metropolitan Golf Club, the women intend to start their tournament at Englewood on Monday, May 20.

TOAST CORNELL ATHLETES

Victory of Quaker's Relay Team Celebrated with Spirit.

Boston, Feb. 10.—John P. Moadley and his Cornell track men, who defeated the University of Pennsylvania relay team in an interesting game at the St. Nicholas rink yesterday, intercollegiate meet during the Assenon, were toasted at the fourteenth annual dinner of the New England Cornell Club to-night. More than one hundred Cornell men listened to Liberty Hyde Bailey, director of the Department of Agriculture, Dean N. S. Hurlbut, of Harvard, and other speakers. Mr. Bailey's statement that he favored using the Ezra Cornell farm for an athletic field met with enthusiastic approval.

SCHOOL ATHLETIC NEWS

Townsend Harris Strong in Swimming Championships.

BASKETBALL AT COMMERCE

Rebellion Against Captain Disrupts Five—Manual Training Track Team Shows Form.

There is little doubt that Townsend Harris will be right up among the leaders when the finish of the Public Schools Athletic League swimming championships is judged in the City College natatorium on March 9. There are more than two dozen lads trying for the team, and of these a dozen are showing ability far above the ordinary. In Kemper, the crack all-around performer, Townsend Harris has one of the prettiest swimmers in high school to-day. His form is almost perfect, and he is showing great speed in the fifty and hundred yard stretches, while he is going the furlong in better than three minutes. Hopkins and Smith are lacking the way over the furlong in approved style, and the trio make up a formidable combination.

"While I look forward to a bitter fight, the team which beats out Townsend Harris Hall will win the swimming championships without a doubt," said Mr. McCormick, who coaches the swimmers of the St. Nicholas High school, yesterday afternoon. "Our boys are worked hard and well, and, while some of the team have left school, we have a competent squad out and will make a great fight for the honors. We suffered heavily when Rogow quit, for he was sure to win points in the form dive. Rogow, I think, was one of the best divers ever developed in a New York school, but while he will be missed, we have been developing new blood to fill up the vacancies."

Robinson and Duncan take a lot of odds in the 100-yard swim. Both are capable of 20 seconds for the distance, and while Duncan is not at his best at present, the coaches hope to whip him into condition before long. Robinson is performing in creditable style over the hundred, and in a recent time trial made the distance in 1:06 over the 100-foot tank. The relay team is not chosen yet, but Robinson, Duncan, Crossman, Tucker, Hopkins and Smith are being considered for the place. King is working hard in the plunge, but up to date has been unable to do better than 53 feet. Frank and Meyers are doing very good work in the fancy diving, and hope to win places in the coming championships.

Affairs have come to a pretty pass with the High School of Commerce basketball team. In the discussion which amounted to little less than a rebellion against Captain Chalmers has entirely disrupted the team. Blake and Keyes, the two best men on the squad, have declared that as long as the present regime is in power they will not play another game. The root of the trouble lies in the fact that Commerce has had no coach on the court this winter, and the entire direction of the team was left to the captain. Trouble soon became evident, but the little difficulties were smoothed over until the other day, when Keyes and Blake handed in their equipment and quit for good. It is hoped that either Mr. Aldinger or Mr. Rotherham, both experts at basketball, will take control of the squad.

Four sets of interscholastic track and field games will be contested this month as follows: February 14, Mount High School games at the 1st Regiment armory; February 17, Columbia University scholastic meet at the 2d Regiment armory; February 23, High School of Commerce at the 1st Regiment armory, and February 24, Fordham University at the 2d Regiment armory. The eyes of the scholastic athletic world are turned to the coming meet of Princeton University, which will be held in the armory of the 7th Regiment on March 9.

It is refreshing to those who are interested in scholastic sport to learn that after a Manual Training High School armory once more running smoothly and that the gold and blue clad athletes may be expected to get a better than their full quota of prizes in the future. As in the case of the Manual High Olympic carnival the Manual boys marched off with the point trophy. Both Frank Wheeler and Arthur Goldstein, conspicuous by their absence in the Public Schools Athletic League indoor championships, ran in their old-time style and won places, Wheeler winning fourth honors in the Pentathlon in a field of nine competitors.

The McCusker, who with Foster left Commerce last year to enter Cushing Academy, is back at Commerce again. McCusker is a welcome addition to Commerce, for in addition to his well known ability as a football player he is a swimmer, runner and baseball player of no mean ability.

Curtis High School is planning to play 4 prominent part in high school football next fall. George Kirby, manager, is to organize two teams. The first team will be sent against the first teams of the other high schools, while the "subs" will meet any second teams which may be pleased to arrange games. Curtis' football team on the last year, and since nine of the eleven will be available, Kirby decided to meet the big teams for the first time in the history of the school's athletics.

ARRANGE HARD SCHEDULES

Busy Times for Baseball and Football Teams of N. Y. U.

The schedule of the New York University football team for the 1912 season has just been announced by the manager, William R. Hamilton. It includes games with Princeton, Navy and Cornell. It is the hardest that New York has ever played.
