## New York Manager and the Um- pire Swap Opinions of Each Other During Game.

[By Telegraph to the Tribune.]  
Dallas, Tex., March 21.—Some of the hits that were suppressed by Mike Donlin's pitchers in Marlin this week were released in two big bunches today, when McGraw's regulars, with the manager personally commanding, won their first victory of the season at the expense of the Dallas team. The score was 10 to 1.

The Giants counted all of their tallies in two big innings, and six of the runs can be directly traced to Doyle and Merkle, who produced home runs. On both occasions there were two runners on the bases when these blows were struck.

Merkle led the attack on Pitcher Strobel with his home run, a triple and a single. Doyle made a single during the third inning assault and inserted his home run in the eventual fifth round.

A feature of the game not told in the box score was a lively tilt between McGraw and Umpire Dunlap when the umpire called Jim Thorpe out at first base in the first inning. A throw from Harben pulled Gross off first base, but Dunlap declared Thorpe out and aroused the ire of McGraw, who was coaching. He began to scold audibly some other decisions of Dunlap, who has been umpiring these spring games ever since the Giants began to train in Texas.

After an exchange of left-handed compliments the game was resumed and McGraw retired to the bench in disgust, though he was not ordered off the lines. He did not appear again.

"Cold weather killed the attendance and was responsible for some of the fielding errors. However, it did not affect the pitching of Marquard and Fromme, neither of whom walked or hit a batsman. Between them they struck out nine of the Texans and limited the locals to six hits. It would have been a shut-out but for a couple of two errors and two hits in the third inning.

Dallas went to bat first and scored first. Funnies by Dyer and Merkle and singles by McVey and Storck scored runners in the third inning with the loss of Dallas run. That lead was quickly wiped out when the Giants tried out their entire batting order on Strobel and produced six runs.

Singles by Dyer, Marquard and Shodgrass, a pair of Dallas errors, and Burns's sacrifice fly put three runs over in the first concerted attack. There were two out and two on when Merkle bunched the left field fence and made the score 6 to 1.

Strobel took a brace in the fourth, but was knocked cold in the fifth. He passed two men and Doyle drove a ball so far over the center fielder's head that he just dog-trotted around the bases with his home run.

Merkle then bobbed up with a triple and scored on a wild pitch. Strobel did a disappearing specialty, and Scott, an Indian pitcher, finished the game. He limited the Giants to three hits and was not scored on.

Except in the first and third innings Marquard sent his victims back as fast as they appeared at bat. Fromme did the same in the sixth and seventh. In the eighth and ninth Dallas threatened to score, but Fromme unworked enough curves to stop them. In the eighth Menefee led off with a double and Scott singled, but the three men could not get beyond the infield. There were two on and none out in the ninth when the same thing happened.

The Giants will close their booking in Dallas tomorrow, when Terreau and Schauer will pitch for them. The team will remain here until Monday morning, when a sortie will be made on Corsicana, where the Houston team, which has lately been harassing the Yankees, is lying in wait.

The Dallas club officials will give a dinner to Manager McGraw tomorrow night at the Oriental Hotel. This will be doubtfully the last appearance of McGraw on a "round-the-world-speaker."

# Feds Have Spent \$2,500,000 to Date

Chicago, March 21.—The Federal League already has spent \$2,500,000 in its campaign, according to figures given out today by President Gilmore. The expenditures include: rental of grounds, money spent for stands and buildings and advance salaries to players.

Regarding reports from the East today that Governor Tener had said the National League would offer \$800,000 to Charles P. Taft for his holdings in the Chicago club, it was said that the Conners-Spiegel syndicate was favored as the future owner of the club should the deal go through.

# WARNING FROM ROBINSON

## Will Invoke Law if Necessary to Protect Superbas.

Augusta, Ga., March 21.—The Georgia contract labor law will be invoked if Federal League agents attempt to open negotiations with Brooklyn players.

This announcement was made at the training camp of the Superbas here today by Wilbert Robinson, when told of the presence in Macon of Harry C. Gessler, manager of the Pittsburgh Federals.

Gessler yesterday was served with an injunction restraining him from approaching any player under contract with the Boston Braves in training at Macon.

"If any attempt is made by Gessler to negotiate with any Brooklyn players under contract I shall employ the same methods used yesterday by Stallings, of the Boston Nationals," said Robinson.

# JOE JEANNETTE WINS BOUT ABROAD

## Earns Decision Over Georges Carpentier After 15 Rounds of Fast Boxing in France.

Paris, March 21.—Joe Jeannette, the American heavyweight pugilist, won the decision over Georges Carpentier, the French champion, on points in a slashing fifteen-round bout here to-night.

The battle took place at Luna Park, which was crowded with men, some of whom paid \$5 for seats.

The total receipts were said to be over \$30,000.

Jeannette had the advantage at the start of the contest, and in the early rounds, which were marked by continuous fighting. Carpentier put up a fine defense, and several of the rounds ended in his favor.

The American, who had a trifle more weight than his opponent, landed heavily a number of times, his blows staggering the Frenchman, and as it appeared at the end of the fight that Jeannette had been the more aggressive the referee gave him the decision.

The fans cheered the efforts of Carpentier, who is the idol of French sportsmen, and there was much disappointment over his defeat.

Joe Jeannette is an American negro. He was born in 1881, and has been boxing for about ten years. He has long had his eye on the heavyweight championship, and with the possible exception of Sam Langford is rated as Jack Johnson's strongest rival. He has met the champion several times and has won a decision over him on a foul.

Jeannette has met the best men in the world in his class with great success. He has lost decisions to Johnson, Langford, McVey and "Sandy" Ferguson, but has defeated all with the exception of the champion at one time or another.

His victory over the French champion is no surprise to the boxing enthusiasts, Carpentier, although the heavyweight champion of Europe, has been defeated several times by American boxers. Both Frank Klaus and Billy Papke stopped him inside of twenty rounds.

Chappell in Hospital

# White Sox Fielder Suffering from Blood Poisoning in Foot.

Oakland, Cal., March 21.—Larry Chappell, star outfielder of the Chicago White Sox, has been in a sanatorium here since last Monday, suffering from blood poisoning. While still in a serious condition, he is reported to be improving.

Chappell broke in a pair of new shoes in the series against the San Francisco Coast Leaguers last week and rubbed the skin off his left foot. The bruise became infected and septemia developed.

# ENGLAND WINS AT RUGBY

## Defeats Scotland in Final Game for International Title.

Inverleith, Scotland, March 21.—The English fifteen to-day won the international Rugby football championship, defeating the Scottish team by 16 points to 15.

# COVEY REGAINS HIS FORM ON COURTS

## With Hon. Neville Lytton Easily Defeats Jay Gould and W. H. T. Huhn.

[By Telegraph to the Tribune.]  
Philadelphia, March 21.—The Hon. Neville Lytton and George Covey, the professional court tennis champion, today defeated W. H. T. Huhn and Jay Gould in a private match at the Racquet Club before an exclusive audience.

It was so exclusive that practically all details of the match were refused because certain members of the Racquet Club did not like the manner in which the Gould-Covey matches were reported.

The Brits defeated the American amateur champions two sets out of three, the scores being 9-11, 6-3, 6-2.

Covey showed his true form, some of those who saw the match declare, for the first time since he has been in this country, while his employer, Lytton, also played a fine game.

Jay Gould, it was said, did not play up to form. It probably was the best balanced match ever seen on the court of the Racquet Club.

Several thousand dollars changed hands on the result of the match. The Englishmen are said to have recovered much of the money lost when Mr. Gould defeated Covey for the world's championship on Tuesday.

# WACO HOLDS GIANTS TO AN EVEN SCORE

## Matty and Rest of Donlin's Team Show Effects of Cold Weather.

Waco, Tex., March 21.—Mike Donlin and his division of Giants were not able to take a Waco scalp this afternoon, but they did fight their uphill way to a tie.

The score was 5 to 5, and that after Waco at one time had taken a lead of four runs. It was a slugging soiree and also a well played battle. Cold weather, which kept the pitchers from speeding up, resulted in the heavy bombardment.

The Waco Navigators hit Matty with much severity. "Big Six" put the ball over the plate, and the home folks thrust it at various unprotected localities. They landed on him for three singles, a two-bagger and a home run in the first inning. They relocated him in the fifth, this onslaught consisting of two singles and a double.

In the box the first three innings for Waco, was the most effective of all the twirlers, but the other two were rapped earnestly by the Giants. Murray was the best batter, with three singles, and he prevented defeat in the ninth inning by throwing a man out at the plate on a single. That throw saved Schupp, who also was hit briskly by the Texas slugger.

The Giants romped over with three tallies in the sixth, on hits by Grant, Stock and McLean, a base on balls and a hit batsman. They tied the score in the eighth, on an error, another hit batsman and a three-base fly by Bescher. Neither side scored in proportion to its hits, and both fell down on more than one good outlook for runs.
