The only girl in the show who is any good outside of the chorus is Eth Kelly, ye Critic's opinion amounts to & she can't sing much, only dance like a dream. We liked Eth's dancing so well we composed a little ditty about her, here it is,

Ethel Amorita Kelly
You're a very charming young lady,
You do your dance act so well
It doesn't seem a least bit shady.

Some day when we get time we are going to write a play like everybody else we meet in this city is doing, except few that are writing for the movies and they don't count.
