

PUBLIC UTILITY NOTES

General News and Earnings of Various Corporations.

The New York Stock Exchange committee on stock has approved the application of the Public Utility, Light and Power Company to list \$1,064,000 additional first and refunding sinking fund mortgage 5 per cent convertible bonds, series A, being part of a total issue of \$76,000,000, due February 1, 1942, and making a total amount listed to date of \$17,064,000. These bonds are also a part of a series of \$20,000,000 of bonds which the mortgage providers shall bear interest at 5 per cent per annum and are convertible at any time at the option of the holder upon giving ten days' notice into capital stock of the company at a price equal to the amount paid in on the stock plus \$10 a share.

BRIEF WALL STREET NEWS

Directors of the New York and Honduras Rosario Mining Company, today elected Joseph M. de Hart, second vice-president, to be the active head of the company.

COTTON SITUATION HAS BETTER TONE

A further improvement was reported in the general tone of the spot cotton market yesterday. There appeared to have been no material improvement in the immediate trade demand, but advices from the South suggest that the picture may be changing with the closing of the exchanges and the reopening of international trade.

Move in Washob Closure.

Judge Charles F. Brown, as special master in the Washob Railroad foreclosure litigation, having reported that the Central Trust Company is entitled to a decree permitting the sale of the property.
