Paris, April 28.—Generals Petain, Balfourier and Claret de la Touche have been placed on the special roll of the Legion of Honor for special officers for conspicuous services at Verdun. The inscription relating to General Petain says: "A general officer of the greatest valor since the beginning of the campaign, he has not ceased as a commander of a brigade division, army corps and army to give proof of most remarkable military qualities. Thanks to his calm firmness and the skillfulness of his dispositions, he knew how to retrieve a delicate situation and inspire confidence in all. He has thus rendered the country most conspicuous services."

SHERMAN LUCKY; HE MISSED 'WAR'

New Publication Bristles with 'Humor' and Flays Those Awful Arms Men.

Pronounce it with a rising inflection—thus—"War!" The question mark is meant to be sarcasm, for the Collegiate Anti-Militarist League publishes "War?" The league is anti-belligerent, but super-sarcastic. "War?" is decidedly not a peace pamphlet. It is alive and snappy, full of punch and humor—the advance notice of the magazine says it is.

URGENT UNDERSEA WAR BE LIMITED

Authorities on International Law Flay Submarine Attacks on Trade.

Washington, April 28.—Submarine warfare on commerce was denounced by an array of prominent jurists today before the American Society of International Law. Closing a two-day programme of addresses on questions relating to the European war, most of the speakers earnestly favored restricting the use of the submarine and other new war agencies to established legal bounds rather than modification of the international code in their favor.
