GLACIER NATIONAL PARK

Established as America's Vacation Paradise

Discovered by thousands of American tourists, who, deprived of the old world, found a still greater wonderland at home. Many of them were second- and third-timers—answering again the call irresistible of the "land of shining mountains."

YOU step into a new world at Glacier Park. You measure Nature with a newer, bigger vision. Above you rise the towering Rockies—the far-stretching Continental Divide—cloud-piercing peaks and glistening glaciers; skyland lakes of turquoise and emerald.

Tour by auto-stage or go by saddle-horse, or over wide, safe trails afoot. Stop at splendid modern hotels or Swiss chalets, or live in a tepee, cook your own meals.
