HOT AIR

"Camouflage" Don't go in Business,

Facts are what tell.

The fact is—The Supreme Court

Has decreed the sale of 234 lots

Located on BROADWAY, at a great future business center. With a subway station in front of them And one of the largest automobile traffic centers to-day.

And they are going to be sold next Tuesday Without restriction or protection If we have to give them away.

These are the facts!

"Know-it-alls" may sneer,

But those not quite so smart

Who have faith in the truth and future

Will come down to the sale

And pick up a few lots

At a small percentage of their value.

Then with the rise in real estate, Which after the depression is bound to come,

They can sneer at the people Who "knew-it-all."

One thing is certain-It is the optimists who have "made-good"

In New York Real Estate And not the people who "knew-it-all."
