Sonora CLEAR AS A BELL

The Instrument You Want

THE sweet, clear, natural tones can be made strong and resonant, or faint and low, by means of the patented Sonora Tone Control...

At the Panama-Pacific Exposition it was the Sonora that won the highest score for tone quality against the competition of every other phonograph.

There is a reality, a mellowness, a fine vitality to the Sonora (which plays all makes of disc records perfectly without extra attachments) that place it in a class alone.

“Hey Tom!”

DO YOU remember when Tom Sawyer went swimming and had everything hidden so carefully so that Aunt Polly couldn't find out?---

Aunt Polly had sewed up his shirt that morning—

But Tom had carefully re-sewed it, so he thought he was safe. But alack and alas! he used black thread instead of white.

Once more you will laugh with Tom Sawyer and Huck Finn—but you will want to cry as you laugh. For behind the joy of youth is the reality of life—the philosophy you did not see when you were a boy.

MARK TWAIN

25 volumes—Novels—Boys' Stories—Humor—Essays—Travel—History

While he lived, we loved him. He made us laugh, so that we had not time to see that his style was sublime, that he was biblical in simplicity, that he was to America another Lincoln in spirit.

We watched for his great white head in the crowds—we hung on his every word—we smiled ready to laugh at his least word. But now he is gone—we love him—yes—he's still the familiar friend—but he has joined the immortals. More than Whitman—than Longfellow—than Poe or Hawthorne or Irving—he stands for America—with the great of the earth—the Homer of this new land—a prince of men—a king among dreamers—a child among children.

The Great American

He was American. He had the idealism of America—the humor, the kindness, the reaching toward a bigger thing, the simplicity. In this work we find all things, from the ridiculous in "Huckleberry Finn" to the sublime of "Joan of Arc"—the most spiritual book that was ever written in the English language...

Low Price Sale Must Stop

Mark Twain knew what hard times meant, and he wanted every one in America to own a set of his books. So one of the last things he asked was that we make a set at so low a price that every one might own it. He said: "Don't make fine editions. Don't make editions to sell for \$200 and \$300 and \$1000. Make good books, books good to look at and easy to read, and make their price low." So we have made this set. And up to now we have been able to sell it at this low price.
