

China Protests Japanese Rule Of Kiao-Chau

Both Houses of Parliament Ask Peace Council for Restoration of Province Without Restrictions

Concessions Are Opposed

Tokio Advisory Council Votes Not to Yield in the Shantung Situation

PEKING, May 1 (By The Associated Press).—Both houses of the Chinese Parliament passed a resolution yesterday protesting through the Foreign Office to the delegates of the five great powers at Paris against the transfer of the control of Kiao-chau to Japan. Both houses request that Kiao-chau be restored direct to China without condition. They also ask that concessions in connection with the Kiao-chau-Tsinan Railway, which were exacted from the Chinese government by Germany, and protocols of agreement relative to the Kaomi and Tsing-chowfu and other extensions of the Kiao-chau railway, be cancelled.

TOKIO, May 1 (By The Associated Press).—The diplomatic advisory council voted today to adhere to Japan's attitude relative to the Shantung Peninsula and to make no concessions or compromises at Paris, according to newspapers here.

PARIS, May 1 (By The Associated Press).—The Chinese delegates to the peace conference have requested the council of the League of Nations to issue an official statement on the Kiao-chau agreement. While not concealing their disappointment over the published unofficial version of the agreement, the Chinese would like to see an official explanation of the terms.

All German rights at Kiao-chau and in Shantung province are to be transferred without reserve to Japan, according to an agreement reached yesterday by the council of three. Japan voluntarily engages to hand back Shantung province in full sovereignty to China, retaining only the economic privileges granted Germany and the right to establish a settlement at Tsing-tao, south of Kiao-chau.

A great difference of opinion prevails in conference circles as to the effect the compromise arranged in the Kiao-chau controversy will have in Far Eastern affairs. The Japanese delegates are pleased over the transfer of German rights and property to them and say the agreement virtually carries into effect the provisions of the Sino-Japanese treaty of May 25, 1915.

Lesser Details of the Peace Treaty Also Taken Up; Adriatic Question Is Next

PARIS, May 1 (By The Associated Press).—The council of three met with the foreign ministers and some members of the war council at the Quai d'Orsay at 4 o'clock this afternoon. Various lesser details of the peace treaty were taken up today by the council, among them the question of the captured German cables. With the Kiao-chau problem disposed of, the Adriatic question is the only highly important matter remaining unsettled.

Poincaré Declares Wilson's Presence in Paris Delays Peace

CEDAR RAPIDS, Iowa, May 1.—In a speech assailing the league of nations here last night, Senator Miles Poincaré, of Washington, said that if President Wilson should return to Washington forthwith, peace would be accomplished in Europe within a week, and he declared that if the President remained in Paris it was uncertain what would come out of the conference. Senator Poincaré said that the American people certainly would not decide to give up the self-determination for which they fought the Revolutionary War, to favor an alien doctrine of internationalism, which means the moving of the capital of this country from Washington to Geneva.

Spacious Dining Room of Hotel Trianon Fitted Up With Long Tables Covered With Green Cloth of Diplomacy for Delivery of Pact to Foe

VERSAILLES, May 1 (By The Associated Press).—The spacious dining room of the Hotel Trianon today received its peace congress installation—three long tables in horseshoe form, covered with the traditional green cloth of diplomacy and games of hazard. The installation is imposing in the size of each of the side tables, which extend some forty or fifty feet through the room. At the head of the apartment is a table about thirty-five feet long, at which the representative of the great powers will be seated, with President Poincaré or Premier Clemenceau in the center.

Day Not Named

This is a scene for the handing over of the terms of peace. The exact date of the ceremony has not been announced, but it is commonly assumed that it will occur on Saturday. The French government, however, has carefully obtained from naming the day, either to the public or to functionaries entrusted with arrangements, and it is a fair presumption that this is

diplomats of Great Britain and France in placing in the hands of the United States the task of taking their chests out of the fire in the Italian Fiume controversy," he concluded.

Belgian Government Will Reject Treaty.

Brussels Paper Says

BRUSSELS, April 30.—Extremely strong protests relative to Belgium's demands at the peace conference have been decided upon by the Belgian government, according to "The Star."

LONDON, May 1.—One of the principal features of the arrangement for indemnity to Belgium against which Belgium is protesting is that that country will receive \$500,000,000 as a part of the \$5,000,000,000 which Germany will be asked to pay by the end of next year as part of a total reparation to be exacted later, according to the Paris correspondent of "The Mail."

The Belgian delegates, it is said, decline to accept the arrangement without consulting their government, because it leaves undecided the propriety of the ultimate reparation money to be allotted to Belgium.

Argentina Denies Advising Mexico on Monroe Doctrine

BUENOS AYRES, April 30.—Honorable Pueyrredon, Foreign Minister, denied today that Argentina had any part in Mexico's refusal to recognize the Monroe Doctrine.

Wilson's Presence in Paris Delays Peace

Senator Poincaré declared he did not like the wording of the covenant. He said if this country ratifies it, it gives up its right to settle its own military and naval questions and that it has surrendered to an alien hands a most vital question of government, that of self-protection. He declared that the President now is preaching the very doctrine he declined to adopt in 1914.

Berlin Writers Warn To Keep Out of Paris

VERSAILLES, May 1 (By The Associated Press).—Special Police Commissioner Oudaille has informed the German correspondents that arrangements have been made with regard to them. He told them he was aware that some of them had been in Paris and warned them that they must not leave the triangle of 250 acres reserved for the German delegation. Any infringement would mean their arrest and probable expulsion. Commissioner Oudaille asked them to comply with the regulations as the French correspondents did.

Dismemberment of Nation Is Forecast if Volpna Is Given to the Italians as Suggested

PARIS, May 1 (By The Associated Press).—The town of Volpna, which President Wilson said should belong to Italy in his memorandum to Premier Orlando is not on the Dalmatian coast, but is an Albanian port now occupied by Italians. The Albanian delegation here is much exercised over this recommendation and says seizure of Volpna by Italy would start a movement which would threaten the dismemberment of Albania.

PARIS, May 1.—The German prisoners who have been retained in France under the armistice conditions will be returned to Germany by the terms of the peace treaty, according to "The Temps" today.

Salvador Diego Fernandez, Chief of Staff in charge of the Department of Foreign Relations of Mexico, issued a statement on April 23 to the effect that Mexico "has not recognized and will not recognize the Monroe Doctrine or any other doctrine that attacks the sovereignty and independence of Mexico."

Collapse of Bolshevism Is Declared Imminent

WASHINGTON, May 1.—Evacuation of Petrograd by the Bolsheviks, reported today in dispatches from Helsinki, in the opinion of observers here, may prove to be the initial break in the structure erected by the radical leaders, which, if recent developments continue their normal course, would lead to complete disintegration of the Bolshevik government in Russia.

This belief was strengthened by other dispatches telling of the indicated collapse of the Hungarian soviet, who, it was said, have sued for peace with Rumania.
