

Adolph Pohring, of Morningside A. C., Victor in Prize Run of Harlem League

Two St. Christopher Club Men Finish Inches Apart

Struggle for Second Place Enlivens Race in Slippery Streets; 13 Start

By A. C. Cavagnaro

Adolph Pohring, of the Morningside Athletic Club, "slid home" to an easy victory in the monthly prize handicap run of the Harlem and Heights Athletic League held by his club yesterday. The trail was six miles long and the icy footing compelled every athlete to keep wide awake. Several of the eighteen starters slipped to two ground. Pohring experienced two ground. All escaped any real injury. Pohring led a march of seventy yards over Arthur Mathis and George Thompson, two St. Christopher Club runners, who fought out a bitter duel for second place, finishing as named only inches apart. Mathis gained his advantage in a mad dash for the finish line. Pohring covered the distance in 34 minutes 33 seconds, a rather creditable feat considering the weather conditions.

Another interesting fight was that between William Jackson, St. Christopher Club, and Benjamin Segreto, Morningside Athletic Club, for the fast time prize. Segreto getting the honors by one second. Segreto started from the 200 mark and finished eighth in 24:24, while Jackson, who actually granted his rival a 15-second start, rushed home in eleventh position in 24:25. The two opponents had probably beaten his opponent had he not resumed his stride he had lost half a minute.

Fehring settled the individual issue with Arthur Sands, a Morningside clubmate, started the start of 5:00, led the runners over the slippery ground until the second mile was reached. Here Fehring challenged Sands to follow a faster pace succeeded, after half a mile, in leaving his team mate in the rear. Six clubs were represented in the team prize competition, which was won by the St. Christopher Club with 25 points.

Deegan Leads Way in Eleven-Mile Run in Bronx

William Deegan, St. Anselm's Athletic Club, possessed the stonper finishing spirit in carrying off a six-mile scratch run conducted by the St. Francis Catholic Union over its Bronx course yesterday. John P. Phillips, Phillips Athletic Club, finished second with James Brooks, Hovawek Athletic Club, third.

The majority of the pack alternated in selling the race for the first five miles, when Deegan, Phillips and Brooks moved forward to contest the position among themselves. Brooks soon fell forward and Phillips, who has done little training of late, also succumbed to Deegan's pace at the sixth mile. The victor then drew away to win by 100 yards.

Valgar Faces Fox In Newark Ring; Tunney vs. Roberts

The Newark Sportsmen's Club has four feature bouts on its program for tonight. The principals include featherweights, lightweights and light heavyweights. The matches are as follows:

Benny Valgar vs. Juffy Fox; Eddie Fitzsimmons vs. Jimmy Duffy; Battling Reddy vs. Charlie Beecher; Gene Tunney vs. Al Roberts.

Considerable interest attaches to Valgar's bout with Fox, as the Newark club is negotiating with featherweight champion Johnny Kilbane to meet the "French Flash" at its next stop in the event that Valgar scores an impressive victory over the Englishman.

Eddie Fitzsimmons, the new "knock-out king" of the lightweights, is making his first local appearance. Under the management of the astute Dan Morgan, Ftz, in the last year, has developed a lateral punch which has advanced him to the foremost ranks of the 133-pound division. He and Duffy are engaging in a return match. They met several years ago at one of the shore clubs in New York and the West.

Splinters and Cinders

The large representation of college athletes in the Brooklyn College indoor carnival at the 14th Regiment Armory, Brooklyn, last Saturday evening was one of the pleasing features of the games. In former years the colleges were reluctant to enter their runners in all of the big meetings in the East. The principal reasons advanced were the expense and the fact that students were taken away from their studies.

Lawson Robertson, of Penn., showed a quartet of runners in the special one-mile intercollegiate relay race that appears most formidable. Five colleges opposed the Philadelphia men, but always trailed far back after the first relay. Frank Davis, who is going far out of his distance when attempting 400 yards, however, covered in 54 seconds, while Maxam, Smith and Gustafson were all under 53 seconds, Maxam's effort being 51:2.5 seconds.

Rutgers did well in finishing third about one yard back of Georgetown, which was second, and thirty-five behind Penn. Carl Anderson, the Rutgers' coach, was exceedingly pleased at the smart performance of his men, who have not yet rounded to form. Anderson timed his team in 3:35, and he believes that in a short time he will have his athletes within the 3:30 circle.

Dr. J. H. Finley Head Of Adirondack A. A. U.

Dr. John H. Finley, State Commissioner of Education, was elected president of the new Adirondack Association of the Amateur Athletic Union at a meeting held in the Chamber of Commerce, Albany, last Saturday night. Lawrence S. Hill was elected secretary and John H. Herzog treasurer.

Barr, for the invitation 70-yard dash; W. A. Moore, the 1919 Harvard star, for the 70-yard invitation and 300-yard handicap; W. E. Smith, for the 70-yard and 300-yard handicaps; W. A. Yule and Corbett Tie With 95 Cards At N. Y. A. C. Traps

W. H. Yule and George J. Corbett, president of the New York Athletic Club, had a most interesting shoot-off for the high scratch prize over the Travers Island traps of the organization yesterday. Each gunner returned a card of 95 out of a possible 100 targets in the first time at the traps. They then shot off in strings of 25 targets. Each had the same score in the first three. In the fourth, Yule defeated President Corbett by 24 to 23 targets.

The latter, however, scored a leg on the Duermeier Cup with a card of 92 out of a possible 100 targets.

A shoot-off also was necessary to find the winner of the high handicap prize. It finally proved to be R. B. Cole. A special handicap prize went to C. J. Waininger and a special scratch trophy was taken by W. H. Yule. R. B. Cole also was given the prize for high scratch shooting during the past three months. He made the best score from scratch during November, December and January. The long run for same three months was a 66 made by E. D. Anderson.

Columbia Chess Players Too Much for N. Y. A. C.

Columbia University, the I. L. Rice Progressive Chess Club, Marshall's Chess Club, the Brooklyn Chess Club and the Staten Island Chess Club were the victors in the first round of the annual interclub championship competition of the Metropolitan Chess League, in which ten teams have entered for the title held by the Progressives for the last two years.

The champions made a clean sweep at the expense of New York University, and Brooklyn obtained a 7 1/2-1/2 verdict over Ocean Hill, but the other matches were more closely contested.

Columbia University, true to form, defeated the New York Athletic Club's team, at the clubhouse of the latter, on the occasion of the Winged Foot organization's debut in league circles. City College succumbed to Marshall's Chess Club.

PALL MALL FAMOUS CIGARETTES Rounds Captain X at the Front The Poilu fought on his "vin-ordinaire." The Tommy on his tea. But the Doughboy had to have his cigarette. What he wanted was smoke, and plenty of it, and that's what the round, loosely rolled, canteen cigarettes gave him. Their round shape meant a free and easy draught. Captain X had taken with him a liberal supply of his favorite PALL MALL, plain ends, but found he could not replenish his supply at the front, so he began smoking the popular, round cigarettes. Their shape gave him an idea. Back in America once more, the Captain came and gave us his idea—a big idea. He suggested that we make PALLMALL cigarettes round in shape, loosely rolled, —a cigarette that does not have to be tapped, squeezed or loosened, a cigarette with a free and easy draught.
