

Commission are favorable to the bill. The chief objection to the measure comes from organized labor, whose grievance is not against the provisions of the Cummins-Esch bill, but against return of the railroads to private operation.

What Do You Call It?

You know the name of your favorite soap, tooth-powder and numerous articles of food and clothing. But when you need an umbrella you do not ask for a particular brand, simply because you do not know of any.

The Delineator

The House last November carrying a 100-0 vote on the bill. This bill also took care of the railroads. It provided them with a revolving fund of \$250,000,000, and through its provisions assured the railroads they would prosper on their return to private ownership.

Conservative Element Silent. Only the radicals in the brotherhood seem not to have sensed the fact that the country is behind Congress in its late action at railroad legislation.

Inter-American Idea Pushed Scholarships to Promote Relations With Latin Nations

Creation of scholarships to give concrete encouragement to the inter-American educational movement was announced yesterday by the Council of American Associations. The first of these is the association's mining scholarship at the Massachusetts Institute of Technology, for which liberal financial provision has been made. It was stated that a feature of the plan to promote inter-American educational and intellectual development is the exchange of professors and teachers between colleges and schools in the Spanish-American countries and the United States, and leading educators support the idea.
