Bohn Refrigerators

"Syphon" "Sanitor" "Icyco" And All-Metal "Ideal"

All Manufactured by Us and Sold With Our Guarantee, at Prices Which Cannot Be Equaled, Ranging From \$16.75 Up

Discounts in some cases are 30% from regular list prices. This most unusual opportunity to secure a Bohn Refrigerator at a very low price is offered for a short time only, and probably never will be offered again.

Every Bohn Refrigerator is built up to a standard. The Bohn system of construction and insulation is recognized throughout the world as in a class by itself. Because of the principle upon which it is constructed, the Bohn Syphon Refrigerator not only keeps the food very cold and absolutely dry and pure, but uses less ice than any other Refrigerator ever built. This is an important factor for it means that with the usual high price of ice every summer the actual saving in ice will in time pay for the Refrigerator itself.

On a small deposit we will hold any Refrigerator for future delivery. Act quickly.
