## BOURJOIS JAVA FACE POWDER

A Clear Complexion Proclaims a Wisely Chosen Face Powder

Bourjois "Java" has been the favored powder of countless fastidious women for over a half century, for two reasons: Its bland purity enables Madame to use it profusely to keep her skin soft and free from "shine" every minute of the day. While its caressing adherence forms a velvety shield that protects Madame's skin from the roughening effect of weather.

To keep a youthful glow in the too-pale cheek, Bourjois offers "Ashes of Roses," a French hand-made rouge of unique naturalness.

No. 83 below illustrated, 75 cents.
