

Huggins Shifts Peckinpah to Second Base McGraw Pays Tribute to Recruit Infielder

Mitchell Stays as Shortstop; Ruth and Pipp at Old Posts

Manager of Yankees Begins Task of Whipping His First Team Into Shape; Baker Works Out at Third Base; Regulars Lose, 10 to 4

By R. J. Kelly
SHREVEPORT, La., March 21.—The Yankees returned to their training camp this morning after their victorious five-day march through southern Louisiana and started preparations for another strenuous week of exhibition games.

"Home Run" Baker, who made his first appearance in uniform yesterday, was on hand again this afternoon, but did not take part in the practice game.

Manager Huggins to-day started the real work of whipping his first team into shape by making several changes in the lineup. Babe Ruth, who has been playing first base ever since his arrival here, was shifted to left field, the position he is slated to occupy when the Yankees open their season at the Polo Grounds next month.

The Babe has been kept at first base up to the present merely for the purpose of giving him plenty of opportunity to get rid of some of his surplus weight, and he will now be kept in left field permanently.

Wallie Pipp, who has been patrolling left field with no great degree of success, was shifted to first base in his natural position. Pipp did some hard and timely hitting in the recent exhibition games, and he continued his good work at bat to-day, getting a single and a three-bagger in three trips to the plate.

Roger Peckinpah played with the regulars for the first time and was stationed at second base. He occupied the lead-off position in the batting order and will probably be retained there unless "Chick" Fewster manages to earn a regular berth.

Hoyt Reappears on Mound
The work of rounding the veteran pitchers into form took another step forward, when Waite Hoyt, who has been suffering with an infected finger, made his first appearance on the mound and twirled the first three innings for the Yankees.

Doyle and Johnson shared the pitching burden for the regulars, and their combined efforts were slammed for a total of twelve hits. The innings clinched the contest in the fifth inning by pounding Johnson for seven runs. During the bombardment McMillan took a home run over the left field fence, and two men on the bases.

Regulars—Peckinpah, 2b; Roth, 3b; Ruth, 1b; Pipp, cf; Wingo, cf; Ward, 2b; Hoyt, p; Sealing, c; Doyle and Johnson, p.

Yankees—Christensen, Jr., Connolly, cf; Meyer, 3b; Schmitt, 2b; McMillan, 1b; Devormer, c; Hoyt and Doyle, p.

The score by innings:
R. H. E.
Regulars... 2 0 0 1 1 0-4
Yankees... 10 1 0 0 0 0-10
Ruth got one hit in two official times

Paulette Must See Landis Before Playing With Phils

Letter Sent to Heydler by a St. Louis Gambler Said to Figure in Case

GAINESVILLE, Fla., March 21.—Aguene Paulette, former St. Louis National infielder, who Manager Donovan of the Philadelphia Nationals has counted on to fill first base for the Phillies this season, must appear before Judge Landis, supreme arbiter of baseball, and satisfactorily explain certain matters before he can again engage in organized baseball, according to authoritative reports received to-day at the Philadelphia training camp.

President Heydler of the National League, these reports assert, recently turned over to Judge Landis a letter which a St. Louis gambler informed Heydler he had received from Paulette in which he had asked to be allowed to play for the Philadelphia club.

Paulette, it is further declared, was ordered to appear before Judge Landis in New York to answer to questions raised by the alleged letter. He failed to appear, and recently reports were received by his teammates here that he had signed a contract with an independent team.

Manager Donovan announced to-day that he had decided to place Harry Leafel, an outfielder, at first base.

ANN ARBOR, Mich., March 21.—Vernon Parks, captain of the University of Michigan baseball team and considered one of the best pitchers in the "Big Ten," admitted to Athletic Director Phil Whittemore to-day that he had played professional baseball in the Pacific Coast League last summer and at the same time resigned from the team. He is said to have planned to join the Detroit Americans at the end of the school year.

Pete Vanover, an infielder, was named to succeed Parks as the head of the Michigan team, which has won two consecutive Western Conference championships.

He was released and then recalled the following year. He remained for the greater part of that season. He was again recalled last spring, but remained at his home on the Coast because of the illness of his wife. He is now back with the Yanks for the third time. Piercy, who is a right-hander, pitched for the Vernon club of the Pacific Coast League last year and won thirteen out of twenty-three games. He weighs 170 pounds and is six feet one and a half inches tall.

Whittemore selected the No. 2 course for his first round and finished in 37-37-74, including three holes played under par. Monroe's Grit After Mishap Pleases Pilot

Rookie Infielder Insists on Playing Game After Three Stitches Are Taken in His Jaw

By Charles A. Taylor
DALLAS, Tex., March 21.—Muddy grounds caused the cancellation of the game scheduled for to-day between the Giants and the Fort Worth Panthers. Manager McGraw and Hughie Jennings, after an inspection of the field, voted against the contest, much to the disappointment of the Fort Worth fans, who actually believe their Panthers could strangle the Giants on the Northland.

Fort Worth is enthusiastic over the national pastime, for its team not only won the Texas League pennant last year but also defeated the Little Rock club of the Southern Association in a post-season series for the championship of Dixie.

Following the calling off of the game McGraw ordered his men to report at Marine Field here, for an afternoon workout. Plucky Johnny Monroe, who had three stitches taken in his jaw yesterday, after being hit with a bat, was just about the liveliest of the group of infielders the Giants' manager had in tow.

Youngster Proves Grit
McGraw paid Monroe high tribute after the practice. He said Johnny was as gritty a fellow as he had ever seen and told how Jennings had to restrain the youngsters by sheer force to prevent him from getting into yesterday's game, after his wound had been treated. Monroe insisted in the clubhouse, where he was taken for first aid, that he was going to play against the world's champions and he was determined to do so, "law or no law."

"That's the proper spirit," said the little Napoleon, "and I'll say that I am going to take care of Monroe."

Monroe made a splendid record as second baseman on the Beaumont team of the Texas League last year. His batting average was .290-27 doubles, 11 triples and 1 home run were credited to him. The only drawback to his reputation by McGraw as a utility infielder this year is the fact that he has not performed so well at short or third as he does at second.

The Giants left to-night for Houston, where they will meet the Texas Leaguers of that town to-morrow and Wednesday. Thursday the team will go to Galveston for one game.

Kelly's Brother Released
Reynolds Kelly, brother of Long George, parted company with his mates to-night, having received instructions to join the St. Paul club at its training camp at Dawson Springs, Ky. "Manager" Dick Kinsella, of the Yankees, begged McGraw to let young Kelly remain with him until the end of the exhibition tour, but McGraw's manager insisted it was impossible, as the St. Paul club needed Kelly at once. Kelly is part payment for Goldie Rapp.

Poll Permitt Left Dallas this afternoon to join the Yankees at Greenville, Tex. Poll pitched five innings against the White Sox second team last Saturday and held his opponents runless.

Young Giant Catcher Lines Out Two Homers
GREENVILLE, Tex., March 21.—Five home runs featuring the 8 to 5 victory of the New York Giant Yankees over the Dallas Texas League team here this afternoon. Henline, young Giant catcher, had a perfect day at bat, with two home runs, a double and a single in four times up. Four double plays featured. Garton pitched well for the Yankees in his seven innings on the mound.

Rapp Entertains Players
Goldie Rapp is an accomplished pianist and gave a recital in the balcony of the hotel lobby this morning. Honey Walker and Arthur Neff also can manipulate the "ivories," and they relieved Goldie when the ragtime pace began to tell on the young Giant.

Manager Ties Speaker, of the world champion Clevelanders, was "at home" to the New York newspaper men at the Hotel Jefferson this afternoon. This announced that he was satisfied with his line-up of last year and would probably make no changes. He seemed especially pleased when Assistant State Attorney George E. Gorman finished reading the minutes of the last Grand Jury investigation of the matter.

Several important witnesses, including B. B. Johnson, president of the American League, are expected to be called to-morrow before the Grand Jury.
