

Why This Opportunity Is Offered

Our great readjustment sale last Autumn anticipated the radical reductions along all lines that have followed. In consequence we are, and for several months have been, on a reconstructed price basis.

We realize, however, that unusual values must still be presented in order to appeal to the wide-spread spirit of economy. We decided to create such an opportunity, by reducing our discontinued fabrics and patterns, and such seasonal goods which, if not sold now, would remain in stock for some time, to prices which would make certain their sale by June 30th.

Our further desire was to bring our establishment, its resources and the attractive prices of our merchandise to the attention of those who, for some reason, may not have visited us before.

Oriental Rugs

If we were to be guided only by the conditions prevailing at this time in the rug weaving countries of the East, we would be justified in advancing rather than reducing the prices of this merchandise. While it is true that mediocre rugs, the dregs of the market, collected and brought here because of the war-time scarcity, can be purchased now at lower prices than previously, the conditions as to fine examples are even more chaotic than during the war disturbance. Careful, supervised manufacture by the skilled weaver is practically nil, and as it requires from eight to eighteen months to make and transport a room size rug to this market, it requires no great knowledge of the business to realize that prices must remain stable for some time to come.

We list below but a few of the rugs now offered, including:

1,000 Small Oriental Rugs

1,000 Small Oriental Rugs of Persian and Turkoman weaves in size from approximately 5.0x5.0 feet at \$7.00 each upward to size 6.0x4.0 feet at \$115.00 each upward.

Imported and Domestic Rugs

We have selected from our stock many rugs, perfect and desirable in every respect, and reduced them to a new low level of price, for no other reason than that they are discontinued patterns and fabrics, the result of manufacturing readjustments, which we decided to sell rather than take on inventory.

Among them, in addition to plain effects, will be found many Oriental designs, copied from the best of the East—rugs, designs which never really are out of style.
