

Smoke Screen Shatters Track Record in Winning Friar Rock Handicap at Aqueduct

Cochran Entry Beats Odds-On Favorite Easily

Winner Races 6 1/2 Furlongs in 1:17 4-5, Breaking Mark Made in 1910

By W. J. Macbeth

A rather tough day on the boys at Aqueduct yesterday afternoon, for the form did as many head spins and turned as many somersaults as ever were seen in a Sula Hevonnas-Ivan Linow wrestling act. About the only crumb of comfort for the layman was the easy victory of the Quincy Stable's Captain Alcock in the fifth race, at a mile. Thunderstorm, which finished outside the money in this heat, was the favorite, but Captain Alcock, the highly regarded second choice, was played quite as heavily, and put a silver tinge to a real cyclone cloud.

Harry Payne Whitney's three-year-old chestnut gelding Wellfinder won the feature event of the program. This was the Union Selling Stakes, with \$2,000 added, at seven furlongs. Wellfinder was well played, for the Whitney horses seem to be coming into their own at last, and Panaman gave his supporters such a ride as might be expected of Earl Sande at his best. Wellfinder broke in motion, and Panaman sent him along at his best paces, opening a lead of several lengths in the first quarter. His gait showed signs of tiring in the last furlong, but Panaman went to work with a will and refused to let him stop, and was three lengths in front of Two Feathers at the finish.

Superwoman Falls
Two Feathers was off very poorly, but made up a lot of ground and finished out strong. Miss Petite tired badly from following the pace, but had no trouble clinching the consolation end of the purse. The surprise was the poor performance of Walter J. Salmon's Superwoman. This jilf never could untrack herself at any stage of the journey.

A. B. Girton, who trains for Bud Fisher, when Wellfinder was offered for auction bid \$4,000 for the gelding, which was entered for \$2,500. The stable, however, protected itself with the customary \$5 advance.

The Friar Rock Handicap, a high weight for three-year-olds and upward, at six and a half furlongs, furnished the real fireworks of the afternoon, for Gifford A. Cochran's Smoke Screen set a new track record for the distance. This good three-year-old colt, which trailed the field to the stretch, came with a great rush, and won in a canter by fully five lengths in the sensational time of 1:17 4-5. This performance clipped one-fifth of a second off Mas-kette's record, which had stood since 1910.

Favorite Badly Beaten
Sea Mint, the favorite, got a "bust" at the barrier and soon opened a long lead, but quit badly in the stretch. Smoke Screen lay about three until well in the stretch, and when Caligula began to tire Kennedy made his run. Bromilax, the favorite of the opening race, at five furlongs, was poorly handled by E. Martin, and was lucky to finish third, after being messed about at the start. King brought in Irish Brigadier, the winner, by saving ground all the way. Bravo, a 50 to 1 shot, got the place.

Sir Gratton beat a field of half a dozen platers in the third race, at a mile and a sixteenth.

Miss Bancroft In Semi-Finals For Two Titles

Boston Star Advances in Singles and Doubles; Miss Gilleaudeau Triumphs

Miss Helen Gilleaudeau went into the semi-final round of the invitation singles lawn tennis tournament yesterday by defeating Miss Madelon Westervelt by a score of 6-1, 6-3, on the clay courts of the Apawamis Club of Rye. She will meet Miss Leslie Bancroft, of Boston, to-day, in the struggle to gain the final bracket.

Paired with Miss Eleanor Goss in the doubles, Miss Gilleaudeau reached the final round of that event by defeating Mrs. Frank M. Welty and Mrs. Edward Raymond, of the Pelham Country Club, the sets going at 6-3, 7-5. Miss Bancroft and Miss Martha Bayard proved a winning combination in the third round of the doubles, defeating Mrs. Robert Le Roy and Miss Florence Ballin, at 6-1, 6-3, thereby gaining their place in the semi-final round.

The semi-final rounds in both singles and doubles will be played to-day, with the two finals scheduled for to-morrow.

Plays Resourceful Game
There was never any question yesterday but that Miss Gilleaudeau would eventually triumph over Miss Westervelt. The winner's steadiness was unwavering and her covering of court was so resourceful and thorough that it was almost impossible for Miss Westervelt to place the ball beyond Miss Gilleaudeau's reach.

Try as she would, Miss Westervelt was able to get only one game in the opening set. Both girls relied in the main upon deep court driving, but Miss Gilleaudeau placed her returns better and got more pace in her shots. She forced her opponent to keep continually on the run, and several times as Miss Westervelt made attempts to cut the ball off at the net position Miss Gilleaudeau earned the points by passing her rival as she shot the ball down the side lines.

Miss Westervelt was more successful in the second set, getting three games by dint of excellent play, during which she more than once finished matters by clever volleying from inside the service court lines. But even so she could not prevail against Miss Gilleaudeau's machine-like play.

Loss After Plucky Fight
Miss Goss and Miss Gilleaudeau proved a very strong team in the doubles, and although Mrs. Welty and Mrs. Raymond put up a plucky fight, they were doomed to defeat. Miss Goss was a tower of strength at the net position, and smothering almost everything that came within the sweep of her racquet, and her tremendous service was always a valuable attacking weapon. Miss Gilleaudeau kept the back-court adequately defended, and it was her forcing shots that often gave Miss Goss the chance to finish the points.

Mrs. Welty and Mrs. Raymond were about equal in effectiveness on their side of the net, both being steady from back-court and reliable at the net.

Women's Invitation Singles (fourth round)—Miss Helen Gilleaudeau defeated Miss Madelon Westervelt, 6-1, 6-3.
Women's Invitation Doubles (third round)—Miss Leslie Bancroft and Miss Martha Bayard defeated Mrs. Robert Le Roy and Miss Florence Ballin, 6-1, 6-3.
Semi-final round—Miss Eleanor Goss and Miss Helen Gilleaudeau defeated Mrs. Frank M. Welty and Mrs. Edward Raymond, 6-3, 7-5.

West Point to Enter Regatta Next Season

The United States Military Academy will probably enter crews in the intercollegiate championship regatta at Poughkeepsie next year, according to an announcement made to-day by General MacArthur, commanding officer of the Academy. Plans are now under way to form varsity, junior and plebe crews next season and the appointment of a coach is also under consideration.

The victory of the Naval Academy eight yesterday, which won the classic on its first appearance in the event in several years, is partly responsible for the desire of the cadets to enter the regatta.

Hunter Scores Over British Star at Tennis

New York Player Defeats Dawson on Wimbledon Courts; Lovibond Suffers

LONDON, June 23.—Francis T. Hunter, of New York, continued his advance in the all-England turf court championship lawn tennis tournament, on the famous courts of Wimbledon to-day, by defeating P. M. Dawson, of England, former covered courts champion, three sets to two. Hunter's terrific forehand drives and his powerful overhead volleying were features of the match. The scores were 7-5, 6-3, 1-6, 5-7, 8-6.

Arthur M. Lovibond, another American, was defeated by T. M. Mavrogordato, the British Davis Cup player, by a score of 6-3, 6-4, 6-3. Mavrogordato's steadiness and his accurate playing were too much for Lovibond.

Manuel Alonso, of Spain, won in straight sets from R. Sherwell, of England, by a score of 6-0, 6-2, 6-2. In the women's singles Mrs. Beamsish, of England, defeated Miss Holman, by a score of 6-1, 7-5, and in the women's doubles, Miss Suzanne Lenglen and Miss Elizabeth Ryan won by default over Mrs. R. J. McVair and Miss Kathleen McKane.

Columbia Swim Captain In Relay Against Yale

Captain Walter Eberhardt, of the Columbia swimming team, is the last member to be chosen for the all-star collegiate squad four that will oppose the Yale University champions in the 200-yard relay race in the open-air pool of the Brighton Beach Baths to-morrow afternoon. The other three are Hal Vollmer, also of Columbia, and Philip Gentner and L. Victor Holst, of the University of Pennsylvania.

The Yale relay swimming and fancy diving team is due in town late this afternoon, and if it arrives in time will go direct to the Brighton Pool for a workout. Louis J. Balbach, the Olympic star, will meet John K. Pollard, Yale's intercollegiate champion, in a fancy diving match to-morrow.

With every tire priced at true worth, what need would there be for "discounts"

BUSINESS concerns may be divided roughly into two classes. One goes on the idea that the public doesn't think much. The other believes that public good sense makes the right decision nine times out of ten.

Concern No. 1 likes to keep away from facts. Concern No. 2 is anxious to place all the facts possible before people.

It is interesting to watch these conflicting methods working out in the tire industry.

Eighteen months ago the makers of U. S. Royal Cord Tires put themselves on record against the unsoundness of the "discount" way of selling tires.

Going right ahead and making the *par quality* tire at a net price.

Rising above all the uncertainty of "discount" appeal comes the clear, sharp public opinion in favor of U. S. Royal Cords.

More dealers by 36% than a year ago. In May 1921 alone an increase in sales of U. S. Royal Cords of more than 25% over May 1920.

Car-owners know more than they let on. They are letting the "discount" situation run its course.

And turning to U. S. Royal Cords as the *par quality* tire at a net price.

The most significant thing that is happening in tires today.
