

Miss Browne and Mrs. Bundy Triumph Without Loss of Game in Title Tennis Tournney

Pacific Coast Stars Excel on Re-appearance in the East

Miss Browne Scores Two Victories in Love Sets; Mrs. Bundy Also Makes Sweep in Her Match on Crescent Athletic Club Courts

By Fred Hawthorne
The annual women's New York State championships in singles and doubles and the men's New York sectional doubles championship lawn tennis tournament began on the historic turf of the Crescent Athletic Club's courts at Bay Ridge yesterday, with chief interest attached to the first tournament appearance in the East in several years of Mrs. May Sutton Bundy and Miss Mary K. Browne, of California.

Both Mrs. Bundy and Miss Browne crushed all opposition in their opening matches, neither losing a game. It is true that the players drank against the two former champions ranked far below them, and it was known beforehand that the opponents of the Coast players stood absolutely no chance of even extending the visitors.

But it required no practiced eyes to recognize the fact that Mrs. Bundy and Miss Browne are in superb playing condition. They had every appearance yesterday of being the same unbeatable players they were when each was at the top of American tennis, before they announced their retirement from competitive play.

Miss Browne first eliminated Mrs. A. M. Duncan, of Yonkers, by a score of 6-0, 6-0, and then, in the next round, overwhelmed Mrs. Stephen V. Brubans, of Hoboken, by a similar score. Mrs. Bundy, in her opening match, vanquished young Miss Virginia Hopper, of New Jersey, at 6-0, 6-0.

New Champion Assured
There will be a new champion this year. Miss Marie Wagner, who won the title last year, being absent from the lists. The champion claimed to have sent her entry, together with check covering her entrance fee, early this month to the chairman of the tournament committee. It was never received, and Miss Wagner was ineligible to defend her title. There was some talk yesterday of putting on a challenge round match, Miss Wagner to play the winner of the tournament, but such a thing is not likely to be done.

Davis Carried To Three Sets For Net Victory

Craig Biddle Also Extended in Longwood Match; the Favorites Come Through

BOSTON, July 25.—Favorites played true to form to-day in the opening matches of the annual singles lawn tennis tournament for the Longwood bowl on the Chestnut Hill courts of the Longwood Cricket Club. Notwithstanding the heat, the first round and all but two matches in the second round were completed.

Willis E. Davis, of San Francisco, playing for the first time this season on Eastern courts, was carried to three closely contested sets in the second round by A. H. Chapin Jr., of Springfield, former New England intercollegiate singles champion. Both are hard hitters and their terrific drives and severe overhead play produced the feature match of the day.

Craig Biddle, of Philadelphia, was compelled to play a total of fifty-eight games in three sets before eliminating James Davies, of Leland Stanford star. The winner of the tournament will meet William M. Johnston, of San Francisco, former national champion, in the challenge round on Saturday afternoon.

Big Gallery Expected
Ernest Anderson, of the Lawrence Park Golf Club, and M. Ford, of the Moshola Country Club, will be the first pair to tee off. They will start at 9 o'clock. Barnes and Kerrigan will get away at 9:35 and this, of course, will be the match the morning gallery will drive.

Walter Hagen and Cyril Walker will drive off at 10:50 and will be followed immediately after by Jack Burke, St. Paul star, and Louis Lettier. Two other good ones who will start late this morning are George McLane, of the Scotch-American club, and young Peter Harmon, crack amateur of the Scotch-American club. They will start at 11:30.

British Track Men Pay Visit To Old Nassau

Only a Few Foreign Collegians Work-Out—Tatham and McInnes Absent

By Jack Masters
PRINCETON, N. J., July 25.—The badly battered Oxford-Cambridge track and field team, which was overwhelmed by Yale and Harvard last Saturday, arrived here to-day and a few of the Englishmen worked out this afternoon with members of the Princeton-Cornell combination which will oppose the visitors at Travers Island, N. Y., next Thursday afternoon.

Captain Rudd did not accompany the Britons. It was said that he had stopped off to visit friends on Long Island.

If the Englishmen succeed in taking the measure of the Americans at the home of the New York A. C., they will give the famous "expert dope" a terrific jolt, for they will be without the services of Tatham and McInnes, in the three-mile race. Tatham's effort in the two-mile run with 139 feet 3 1/2 inches at Cambridge, was a record for the Englishmen, but he is in poor condition, and it would not be surprising if he won the event in ten seconds flat.

There is no certainty that the Englishmen will romp away with the quarter-mile run, Captain Rudd, to the contrary notwithstanding, for Bill Stevenson, the national champion, has put in some mighty hard licks preparing for this race, and Bill's mark of 48.5 is 12.5 seconds faster than Rudd turned in in winning from G. W. Chapman, Yale.

The leader of the Britons will have a better chance to score in the half-mile than here, again, his path will be thorny one. Carter, of Cornell, has earned the honor of being spoken of in the same breath with the Olympic champion when the conversation is running, but with Carter in top condition and Rudd easily forming the upper youth might easily be returned to the Americans.

Clarence McKim, former Newark schoolboy star, will be the mainstay of the Americans in the 100-yard dash. The Princeton youth who won the "Met" junior title last month is in great condition, and it would not be surprising if he won the event in ten seconds flat.

Leaders of Golf World Ready For Championship Test To-day

One of Largest Fields in History of Metropolitan Title Tournney to Tee Off

BOSTON, July 25.—William T. Tilden 2d will return to Wimbledon, England, next June to defend his title as British singles tennis champion, it was announced to-day. Meantime he will renew his partnership in doubles with Vincent Richards, of Yonkers, who defeated the champion for the Rhode Island singles title last week. They will make an effort overseas to regain the British doubles championship, relinquished this year by R. Norris Williams 2d and C. S. Garland.

The Tilden-Richards combination will first get into action again at Seabright, N. J., next month to compete for a trophy on which they now hold two legs.

British Davis Cup Team Off for Initial Match
The team representing the British Isles in the Davis Cup contest which arrived here yesterday on the Baltic will leave this morning at 8 o'clock for Pittsburgh. The English team will meet the winner of the Canadian-Australasia match at the Allegheny Country Club, Sewickley, Pa., on August 4, 5 and 6.

Max Woosnam, of the team, which includes F. G. Lowe, O. G. N. Turnbull and J. B. Gilbert. Mrs. Woosnam and Mrs. Turnbull accompany their husbands. A. Wallis Myers, senior editor of The London Field, also is with the party.

Max Woosnam, captain of the team, said: "It is impossible to make any predictions as to the outcome of the match against Australasia at Pittsburgh, it now appearing that Australasia is likely to be the British Isles' opponent. All I can say is that the team is in good condition after its voyage and that we hope to do our very best against the Australians."

Champion Schooner Wrecked
GLOUCESTER, Mass., July 25.—The schooner Esperanto, winner of the races for the international fishing vessel championship in Nova Scotia waters last fall, has been abandoned as a hopeless wreck on the rocks off Sable Island, N. S., where she foundered recently.

Should Increase Purse
It seems to us that the time has arrived when the first prize in the metropolitan championship should pay at least \$500. The association could easily collect a purse large enough to distribute eight prizes from this amount down to \$50, while the special prizes would be worth \$25 at least.

The United States open championship money values should also be raised. First prize now pays \$500. A purse of \$1,000 would be more suitable. Of course, if anybody suggests that we attempt to raise the money we'll hedge immediately. We don't know what \$1,000 looks like, but surely there must be that much money somewhere in this little old world.

The members of the Pelham Country Club will gather in force to-night to pay homage to the new champion and their professional, Jim Barnes. A dinner at 8 o'clock will open the ceremonies and will be followed by speeches and merry-making. Invitations have been sent to more than 300.

Football Games Arranged
Morgantown, W. Va., July 25.—A two-year agreement was signed here to-day between the University of West Virginia and the University of Cincinnati calling for a football game between the teams in Morgantown on October 1, and a return game on the same relative date in Cincinnati in 1922. It is the first meeting between these eleven and fills the West Virginia schedule for this year.

Gourdin Closes College Days With Great Record
CAMBRIDGE, Mass., July 25.—Edward O. Gourdin, Harvard's negro athlete, who set a new world broad jump record of 25 feet 3 inches last Saturday, has closed his college athletic career with an all round record of track and field proficiency surpassing that of any man who ever wore the Crimson.
